SON BSN Pre-Licensure Admissions HESI A2 Information

HESI A2 Entrance Exam UWG School of Nursing Instructions

- ONE attempt per year on the 4 sections of the HESI A2 entrance exam for the THS SON between February 2, 2024, and February 1, 202, for the Summer/Fall 2025 admission cycle. Required sections are Grammar, Reading Comprehension, Basic Math Skills, and Anatomy & Physiology.
- Repeat applicants can have at least one HESI A2 score within the last three years; if there is more than one score on file within the past three years the highest score is used.
- We do accept HESI A2 scores from other colleges you must upload a copy of the document to the BSN Pre-Licensure Submission Form using this link.
- For information on how to prepare for the HESI A2, visit https://evolve.elsevier.com/studentlife/hesi.html
- Applicants taking the HESI AS exam for the THS School of Nursing register for the UWG-Distance Testing Department ID: 201715 provided on the registration instructions on the Elsevier website. Registering for the exam under our Department ID ensures that your scores are automatically sent to Tanner Health System School of Nursing.
- HESI A2 is available via Prometric Testing Centers (not on UWG campus) - but students must first get approved for eligibility through their Elsevier Evolve account. Please note: if you require ADA testing accommodations, Prometric offers these services, but it could take up to an additional 6 weeks to set up testing. Please plan accordingly.
