

Non-Tenure-Track Nurse Faculty Positions

“Educational Excellence in a Caring Environment”

Welcome to one of the most dynamic universities in the nation.

Since 1906, UWG has been home to those who are eager to take their own path, learn, and grow. With more than 12,700 students and 100+ programs, we’ve come a long way since then. Today, we’re a regional powerhouse with locations in Carrollton, Douglasville, and Newnan, Georgia, making a difference in the lives of our students, our neighbors, and the world. The one thing that’s never changed: Amazing things happen when you Go West.

The University of West Georgia Tanner Health System School of Nursing strives for “educational excellence in a caring environment” with over 550 students in graduate and undergraduate programs. SON instructional facilities are state of the art including spectacular lab and simulation spaces in Carrollton and Newnan. Undergraduate programs include a pre-licensure BSN program and a 100% online RN to BSN program. Graduate programs, ranked for 11 consecutive years by US News and World Report, are also online including a MSN program (Nurse Educator Track or Health Systems Leadership Track with an option for the AACN Clinical Nurse Leader Role), as well as an innovative EdD in Nursing Education program.

Position Description and Qualifications: Non-tenure-track academic-year faculty appointment(s) available, three with a start date of August 1st, 2024 and one with a start date of January 1st, 2025. Nurses in all clinical specialty areas are sought including those with backgrounds in informatics, nursing education, and nursing leadership. This position include teaching on all UWG Campuses. Responsibilities include undergraduate teaching in online and traditional classroom settings; simulation, laboratory and clinical instruction; and scholarly productivity in a supportive environment. Applicants are required to hold a graduate degree in nursing with a clinical background in specialty area(s), and have an active RN license (or eligible) to practice nursing in the state of Georgia (eNLC).

Preferred Qualifications:

Preferred qualifications include certification in a specialty area, doctorate in nursing or related field, a record of accomplishments in working with diverse populations of students, undergraduate clinical, laboratory, and didactic teaching experience, and evidence of a scholarly program, broadly defined.

Interested Applicants: Review of applications will begin immediately and continue until the position is filled. For best consideration please apply by April 26th. Applications are only accepted through the UWG Human Resources web site. Please click below to apply: [Link to Job Posting.](#)
