Student Acknowledgement of Medical Costs Incurred Statement

Should an injury or illness occur to a nursing student during a scheduled clinical or class activity, the student is responsible for all expenses incurred for medical care or treatment of the injury or illness. All students who have paid their student UWG health fees are eligible to be seen and treated in the UWG Health Services Center, and pay based upon their current costs. If an injury should occur in a clinical facility during a clinical activity, the student can be seen in the nearest clinical facility or emergency room at their own expense. The student is responsible for all expenses incurred for treatment received in a clinical facility or emergency room.
