Registration Instructions

Instructions for Registering Your School with the West Georgia High School Ethics Bowl (Saturday, January 27, 2024).

Step 1. Submit completed registration form (see p. 2 of this document). We are accepting registration forms now.

Completed forms should be emailed to Walter Riker (wriker@westga.edu).

The first twelve teams to submit completed registration forms will receive a confirmation email and be asked to go on to step 2. Teams that register later may be put on a waiting list.

If there are still available spots around the start of November, we may decide to let schools enter more than one team.

Step 2. Teams that receive confirmation from WGHSEB as one of the twelve teams must register with the National High School Ethics Bowl.

The NHSEB charges a registration fee. If the fee will be a challenge for any school, that school should contact the NHSEB for financial assistance opportunities. Complete instructions about registration will be included in the confirmation email.

Step 3. Teams that receive confirmation as one of the twelve teams included in the WGHSEB must also pay a registration fee of \$75.00 to West Georgia High School Ethics Bowl for the 2024 Ethics Bowl in Carrollton.

We can forward an invoice upon request. We do not want this fee to keep any team from competing, so we may waive this fee if it presents a challenge to any school. Contact us if the fee is an issue.
