

PARKING AND TRAFFIC INSTRUCTIONS

Guests are invited to park in any parking lot on campus. Bus stops for shuttle service will be located at the Tyus Parking Lot, Lot 14 and the Coliseum (indicated on the map below). The shuttles are handicap accessible and guests with ambulatory difficulties may be dropped off at the Coliseum. The shuttle route will travel one-way (counter clockwise) along West Georgia Drive and Maple Street to facilitate the flow of traffic. The closer you park to the Coliseum, the more lengthy your wait will be when exiting (may be as long as 45 minutes). You are encouraged to park in other lots and take advantage of the shuttle service. From Lot 14 and the Tyus Parking Lot it is a leisurely 10 minute walk to the Coliseum.

Directions to I-20:

Guests may exit campus from two directions to access Interstate 20.

Maple Street: Exit campus from the East Entrance (near McDonalds) and turn right on Maple Street. At the third traffic light, turn left onto the Carrollton By-Pass; turn right onto Hwy. 61 and travel approximately 12 miles to I-20.

North Entrance: Exit campus by turning left at the traffic light or when exiting the parking lots located on University Drive. Remain on University Drive, which becomes Columbia Drive, to the intersection for Hwy. 27. Turn left and travel north to I-20.
