BEFORE YOU GO

- Check the weather
- Rent any equipment you may need from WGO
- Pack for the length of the trip
- Get familiar with the place of the trip

PRO TIPS

- Never go hiking alone
- Test drive your backpack & shoes
- Let your cell help you not harm you
- Always pack extra food
- Keep it light
- Leave no trace

SUGGESTED ITINERARY

- Follow the well marked trail up to the summit. Be prepared, this is a difficult trail, but it is well worth it for the views. Bring plenty of water, and plan to hike for a few hours.
