STAFF SPOTLIGHT

THE COLISEUM

Kenneth is a part of the Operations Staff here at the Coliseum. Kenneth is a Sophomore at the University of West Georgia and is studying Speech-Language Pathology. Kenneth aspires to be a successful Speech Pathologist and wants to open his own practice in upper Georgia/lower Tennessee area. During his free time Kenneth enjoys spending time with his wife, playing video games, and training his dog. When asked what his favorite memory at the Coliseum his response was, "My favorite Coliseum memory up to this point is experiencing the triple OT Men's Basketball Game against University of Alabama in Huntsville."

Jamie Vansaghi is one of our Guest Service Representatives at the Coliseum. During her employment here at the Coliseum, Jamie, has played an integral part of the success of our events. During events, Jamie, represents The Coliseum in our command center. Her role in the command center is to keep records and make sure all information is relayed to other staff members in the command center. In Jamie's free time she likes to read, hangout with friends and family, and go shopping. Jamie is a Sophomore Biology Major at the University of West Georgia and hopes to pursue a career in Forensic Biology.
