How to Approach NPHC Membership

Research each organization
Look up EACH organization’s mission, goal, motto, and programs to determine which one speaks to you.

Meet the members on campus
Attend events such as “Get the Scoop on FSL”, NPHC Convocation, individual organization programs, and community service opportunities.

Express Your Interest
Try to approach a member face-to-face in a discreet manner to discuss membership opportunities. Make it a conversation in a private setting.

Continue to engage the organization
Speak to the members, attend their events, and continue to stay involved in what they are doing.

Know the Requirements
- UWG GPA Requirement: 2.0 Adjusted GPA
- Full time UWG Student (Organizations may require a higher GPA)

Look Out for Interest Meeting/Rush Invitations
You will want to go to these if you are interested in being a member. Follow the guidelines for the meeting and learn as much as possible about the organization.
