**New Room:** November 16 · 6:00 a.m. - 2:00 p.m.
Any currently enrolled student may come to the Campus Center Ballroom with their roommates to select their specific room. Please fill out your contract before you arrive to streamline the process at the event. All upperclassmen spaces will be open during this event including all available single rooms. First come/first serve. If your roommate can not be in attendance they must complete a proxy form prior to the event in the Housing office in East Commons. Please note that your roommate will need to have completed a housing application by following the directions above before you will be able to select a room.

**Same Room:** From October 19 - November 9
Students residing in Tyus, Arbor View & University Suites have the ability to select their same exact room for the next academic year once they have completed their 17/18 contract. *(Exceptions are those residing in spaces designated for ADA students. Those students, when they reapply for their same room will receive further instructions for renewal.)*
