Where's the bus?

View bus routes, schedules, stops and bus locations in real-time.

To get to the UWGNavigator web application:
for iPhone and Android systems.

1. Open the Go UWG App.
2. Tap the “links” icon.
3. Tap the link for UWG campus navigator. On the left side bar, tap “Show My Location” at the bottom. (GPS must be on.)
4. Again on the left side bar, tap the buses dropdown.
5. From the expanded list, tap the bus route in which you are interested.
