The University of West Georgia trails are for the recreational enjoyment of students, faculty, and staff. There are approximately 3 miles of natural trails and 1 mile of paved trail on campus. Visitors and users of these trails are asked to practice the following safety and etiquette guidelines:

- Tell someone your itinerary and expected return time
- Use the trail with a buddy and carry a cellphone
- Pack out all trash
- Keep pets on a 6 foot leash at all times
- Do not pick flowers, disturb wildlife, or stray from the marked trails
- Do not use the trail at night
- Alcoholic beverages, drugs, smoking, and firearms are not allowed on the trail
- The trails are multi-use, so be aware of and yield to other bikers, runners, and walkers when appropriate.
- Report any trail maintenance issues to UWG’s Facilities and Grounds department at 678-839-6576

**Yellow Trail**
- **Parking:** Lot across from the Coliseum at the corner of West Georgia Drive and Wolves Parkway
- **Entrance to trail:** Stay on the South side of Wolves Parkway and walk West on the sidewalk for approximately 0.20 miles. Look for yellow blazes in the grass that will lead you up an embankment. At the top of the embankment, head West toward the tree line and look for a yellow blaze and “Nature Trail” sign.
- **Distance:** 0.98 loop from the top of the embankment off Wolves Parkway. There is a short-cut on the trail that would cut the loop in half to approximately 0.50 miles.
- **Elevation and Difficulty:** 75 feet in elevation change; easy terrain, natural

**Blue Trail**
- **Parking:** Lot across from the Coliseum at the corner of West Georgia Drive and Wolves Parkway
- **Entrance to trail:** Cross to the North side of Wolves Parkway from the parking lot into a small open field. Trail entrance is to the left at a bridge.
- **Distance:** 0.62 mile (approximately 0.46 loop with 0.08 out/back from trailhead)
- **Elevation and Difficulty:** 33 feet in elevation change; easy terrain, natural

**Green Trail**
- **Parking:** From West Georgia Drive, turn onto Plant Op Drive and continue until the road ends at the parking lot next to the Track
- **Entrance to trail:** From the parking lot, there is a service road directly West of the Track. Head South on the service road and it will turn into a gravel/natural trail, where users will begin to see green blazes both straight ahead and to the right.
- **Distance:** 0.98 mile Figure-8 loop
- **Elevation and Difficulty:** 60 feet in elevation change; easy terrain, natural and gravel
- The Green Trail is also the access point for UWG’s 9 hole Frisbee Disc Golf Course.

**Greenbelt Trail**
- The Greenbelt trail is part of The Carrollton Greenbelt which is a 16-mile paved trail throughout Carrollton, Georgia. For a detailed map of completed sections of the trail and information on trailhead parking, visit www.carrolltongreenbelt.com
- **Distance:** The University of West Georgia portion of the trail runs from Lovvorn Road to Maple Street and is 1 mile, one-way.
- **Elevation and Difficulty:** 95 feet in elevation change; paved

**Red Connector Trails**
Users can look for red blazes to indicate connector trails that will link the 4 main trails together. All connector trails are less than 0.35 miles, one-way.
