Transitioning into the Legacy Year!
Hardwiring the Future or What Does it Mean to Learn, Live and Lead in Our Legacy!

Engage West LDI – May 5, 2017 9:00 a.m. – 2:00 p.m.

To be the best comprehensive university in America—sought after as the best place to work, learn, and succeed—we must continue to develop our leadership skills to impact the people we lead, develop and identify new leaders, and further align our organizational outcomes—from the individual to the unit to the division to the institution. As we transition into the fourth year of Engage West! the Legacy Year, sustainability and continued progress toward our stated goals will be reflected in our behaviors and thus hardwired and fully adopted into our processes, expectations of excellence, and accountability.

Goals of the LDI:

1. To understand what it means to leave a legacy.
2. To demonstrate accountability with follow-up reports on initiatives aligned with our the “Leading Year” LDI presentations and workshops.
3. To fully utilize our Engage West Survey results to develop action plans for improvement at the Divisional level.
4. To clearly define expectations of being a leader in the Legacy Year at UWG!
