

3RD ANNUAL
PRESIDENTIAL SCHOLARSHIP GALA

A Night in Paris

PARISIAN MASQUERADE BALL

Opportunity and education go hand in hand, but financial access to a college education impedes many UWG students. Our case for support: **nearly 50% of UWG students qualify for Pell Grants; 65% qualify for Federal Financial Aid or subsidized loans; 40% of UWG students are the first in their family to graduate from college.** Need-based scholarships and gap funding help alleviate financial pressures so students can focus on building their futures. Your support and generosity are the difference between student success and lost potential.

Saturday, October 22, 2016
