

Faculty Senate Budget Committee
October 22, 2015

Attendees: Jean Cook, O. P. Cooper, Leanne DeFoor, Julia Farmer, Tom Gainey, Kyle Marrero, Meg Pearson, Andrea Stanfield (Chair), Jim Sutherland, Brad Yates

Discussed salary equity study and how to get information out to the rest of faculty. Dr. Marrero talked about creating tiers at Associate and full Professor levels.

New salary study includes merit pay increases as part of reported salaries; so previous merit pay increases will not be added on top of equity adjustments. Merit pay for 2016 will be added after equity adjustment.

Committee will start a list of frequently asked questions to prepare for meetings with faculty at the beginning of next year.

Reviewed the budget documents Dr. Marrero will present to the Board of Regents in December.
