 - h. **Interdisciplinary Studies**
 - i. Program Change
REQUEST: New course – XIDS 1101 – First Year Seminar - The first-year seminar course currently utilizes the XIDS 2002 course stem. This stem has many different uses across many different programs and colleges across campus. For ease of course administration and tracking, having a unique course stem for first-year seminar that fits within core area B2 would help in course administration, scheduling, and assessment.
