

CHIP Committee Meeting - APPROVED

Date Tuesday, October 30, 2018, 1:30-2:15pm
Location Nursing 200
Attendees Members: Profs. Connie Barbour (SON); John Garner (COAH); Gavin Lee (COSS); Anne Merrem (COE); Partha Ray (COSM); Janet Strickland (COE); and Guests: Profs. Jill Drake (AVP/AA)

1. Prof. Barbour and Prof Jill Drake discussed the “kinks” again in Curriculog regarding the CHIP committee. Minor modifications were identified to continue to help identify the correct items to address in this standing committee. Reminded the committee to review relevant proposals before each meeting.
2. Course change in COSM: Modify course title MATH 1401, change is mandated by the BOR as part of a plan to have a common prefix, course number, and course description for non-calculus-based introductory statistics courses across the whole USG
 - a. **The committee unanimously *approved* the request.**
3. An email will be sent by the chair to schedule Spring 2019 committee meetings.
