

Agenda for FITC Meeting Thursday, April 7th, 2022

Zoom meeting 12:00 – 1:00

- Approve minutes of March 10th, 2022 meeting
- Updates and Announcements
 - o Faculty Communication Committee Update – Phillip Grant and Brian Henderson
 - o Tech Fees – Perry Kirk

- Because we can no longer have a proxy to introduce action items and vote on our behalf, and only senators can vote, we need a senator, preferably from FITC, to present the FITC action item on Friday, April 15th. Additionally, we need someone from the subcommittee to be present to answer questions if necessary.
