

MEMORANDUM

TO: Members of the Faculty Senate
FROM: Dr. Kyle Marrero, President
RE: Response to Senate Actions
DATE: May 14, 2018

A handwritten signature in black ink, appearing to read "Kyle Marrero", is written over the "FROM:" line of the memorandum.

Following is my response to the actions of the Faculty Senate as represented in the minutes of the meeting of March 30, 2018, which were approved electronically on April 27, 2018. All program approvals are made contingent upon the department's commitment to staff the changes out of existing internal funds. Note that Section 3.6.2 of the Board of Regents *Policy Manual* states, *inter alia*: "The termination of educational programs, degrees, or majors shall be submitted to the Chancellor for review and recommendation for action by the Board of Regents." So, all program, degree, and major terminations (as well as additions) need to be approved by the Board. Our requests should include the rationale and the plan for addressing the needs of existing students.
