To Clarify the Definition of Voting for Meetings of the General Faculty

Preamble

Because the quorum rule for meetings of the general faculty was written prior to the development of computer-based communication, its definitions of quorum and voting requirements do not include any reference to electronic means for doing so. Lacking such specification, it has been interpreted narrowly as requiring the physical presence of faculty for quorum requirements. On the basis of such interpretation, the 50% threshold required has been a very rare achievement. The consequence has been that either the presiding officer must declare the appearance of a quorum when it does not exist, or that declaration is challenged and the meeting is adjourned. Because a single attendee can thus force the adjournment of almost any meeting, the potential impact is the disenfranchisement of the faculty's ability to serve as a deliberative body recommending policy to the administration, and the subsequent impoverishment of administrative decision-making bereft of faculty input. Because this prospect can otherwise be an enduring problem, the Rules Committee recommends that the definition of voting be clarified to accommodate electronic communication according to the following proposal.

The Motion

Motion to revise Article I, E, F of the *By-Laws* to specify the inclusion of electronic balloting in the definition of quorum and voting, by the addition of the following highlighted material:

E. QUORUM. A quorum of the General Faculty shall consist of fifty (50) percent of the membership at both regular and special meetings. No ~~vote shall be taken at a meeting of the General Faculty shall be held~~ unless a quorum is present

F. VOTING. Only members of the General Faculty may vote. Voting in regular and special meetings ~~shall~~ **may** be by voice vote except that a division vote (by showing of hands or standing, whichever is most convenient to the counters) shall be taken on request of any member of the General Faculty, and except that voting shall be by secret written ballot on request of twenty (20) percent of the members present. **If it should be declared that the meeting lacks a quorum, voting may be conducted subsequently by electronic or other written balloting. In the case of such subsequent balloting, notice of the motion to be voted upon shall be posted and distributed to the faculty at least one week in advance of the vote. The motion shall be approved upon a majority vote of a quorum of the General Faculty.**

RCP 10

To specify the voting status of “ex officio”

Preamble

A clarification is needed to clarify an ambiguity in the meaning of “*ex officio*” status on Senate committees, and to bring the *Policies and Procedures* into conformity with what has been the prevailing practice in fact. The current situation contains two levels of ambiguity.

1. On whether administrative positions on Senate committees are *ex officio* or not
2. On whether *ex officio* position are voting or not

Compounding this ambiguity is the frequent discrepancy between what is stated in the *Policies and Procedures* for various committees and what is stated on those committees’ web sites (which in most cases specifies that the administrative slots are “*ex officio non-voting*”).

Committees 2,3,4,5,6,7,8,11,12 list administrative slots not designated as *ex officio*

Committees 1,8,9,10,12,13 list administrative slots that are designated as “*ex officio, non-voting*” (Note that Committees 8,12 include both types of slots)

Furthermore, all committees are mandated to include an administrative *ex officio* slot (for the VPAA) that is not specified as to whether it is voting or not. (*Policies and Procedures*, Article III, Section 1,A,3: “The Provost... shall be... an *ex officio* member of all standing committees of the Senate”)

In addition to this clarification, the proposed motion also corrects a mistaken reference, eliminates an incorrect one, and eliminates language now contradicted by another section of the *Policies and Procedures*.

The Motion

MOTION: To revise the current statement in Art. IV, Section 2,J,1 of the *Policies and Procedures* with the following changes (highlighted material = additions; strikethrough material = deletions):

The Executive Committee shall assign Senators from its eligible members to each standing committee. The administration members designated in Article IV, section ~~F-2.I~~(excluding those identified by role ~~in the statutes~~) shall be appointed by the Provost and Vice President for Academic Affairs. The undergraduate students shall be chosen in the manner determined by the Student Government Association General Assembly. ~~Graduate students shall be appointed by the Committee on Graduate Studies.~~ All *ex officio* members of Senate committees are non-voting member.

RCP 11

To Combine Secretary of Faculty and Executive Secretary of Senate

Preamble

Currently there is a doubling of “executive secretary” functions between the general faculty and the Faculty Senate. Article 1.A of the *Bylaws* specifies a “Secretary” for the Faculty officers, to be elected by the faculty. Article 1.B. specifies that the Secretary be elected to a 3 year term. In addition, there is an “Executive Secretary” to the Senate (elected to a 2 year term), specified in *Policies and Procedures*, Article IV, Section 2,D. The Rules Committee proposes combining these positions. Because the general faculty as a whole elect the “Secretary” of the general faculty, whereas the Executive Secretary of the Senate is chosen only by the members of the Senate, we propose that the elected “Secretary” of the general faculty should serve as the “Executive Secretary” of the Faculty Senate. The term of the Executive Secretary of the Senate should then also be adjusted to be a three-year term.

The Motion

MOTION: To revise the current statement in Art. IV, Section 2,D of the *Policies and Procedures* with the following changes (highlighted material = additions; strikethrough material = deletions):

The Executive Secretary – **The Secretary of the General Faculty shall serve as the** ~~An~~ ex-officio (nonvoting) Executive Secretary ~~shall be elected by of the Senate for a period of two~~ **(2)** years from nominees submitted, ~~one~~ **(1)** tenured full-time faculty member who has served in the Senate ~~within the prior three~~ **(3)** years from each academic unit listed in ~~A~~ **(5)**. His or her duties shall be to prepare and maintain the official records of the Senate, to receive committee reports, to supervise the operational affairs of the Senate, maintain the Senate web site, and serve as a member of the Executive Committee of the Senate.

RCP 28

To Revise the Process for Electing Non-senator Representatives

Preamble

Article IV, Section 2,J,5 of the *Policies and Procedures* which specifies the process of selecting non-Senator representatives to Senate committees needs to be revised in light of two problems: the change in the number of colleges, and a misstatement concerning the nature of ex officio appointments. The Rules Committee also recommends a further change to remove a requirement of how the units must elect their representatives, in order to allow the units the latitude to do so according to whatever rules they should designate for doing so. This rule currently states:

Election of nonsenators to committees shall proceed in the same manner in each of the following five units: the College of Arts and Sciences, College of Business, School of Nursing, College of Education and the Library. The faculty of each unit shall elect a Committee on Nominations, composed of five faculty members with at least three (3) years of service at University of West Georgia. The Committee on Nominations shall submit a slate of candidates to a formal meeting of the faculty of each unit to be held not later than April 7. Nominations shall be received from the floor. The deans or heads of the units shall report the results of the election, in writing, to the Chair of the Faculty Senate, the Executive Secretary to the Faculty Senate and to the Provost and Vice President for Academic Affairs before the agenda deadline for the last Faculty Senate meeting of Spring semester. Academic, ex officio appointments will be likewise reported.
