Discussion / questions regarding process for CPR evaluations. **The committee chair will create a shared Google Sheet in Google Drive with separate tabs for faculty teams to add their CPR evaluation by April 3. The committee will review the evaluations between April 4 and April 11 and put them to a vote at the UPC meeting on April 11. The committee chair will ensure that all faculty teams have access to the VPAA's guidelines and definitions regarding the assessment of program quality, viability, and productivity.**

VII. New Business

1. Next meeting is Thursday, April 11, at 10:00 am in Nursing 200. As this is the last meeting of the academic year, we may have numerous action items. Further, we will vote on approval of the CPR evaluations. Please do send a proxy if you are unable to attend. **The committee chair explained that Curriculog will be shut down over the summer, so many originators will want to put their proposals forward to the committee for consideration at its April 2019 meeting.**
