Topics covered in the forty-five-minute individual advisory sessions include, but are not limited to the following:

- Investment education and advice

You also will have an opportunity to create a Retirement Blueprint, CAPTRUST’s interactive retirement readiness tool. The Blueprint is part of the USG Well-Being Program and is an unbiased, comprehensive financial plan that will help an employee to answer some difficult questions such as:

- Am I on track for retirement?
- How much do I need to save?
- How should I invest my money?
- When can I retire?
- How long will my money last?

To learn more about the Blueprint you can view a short, informative video by clicking here.

These one-on-one sessions are offered to you solely as a benefit; be assured that CAPTRUST’s role is not to sell you anything, but purely to help you make sound investment decisions.
