ePAR Action: Change > FWSP/SA Transition

From SA to FWS (Pay Group: 54T to 54W)

This transaction type will be used when a department is transitioning a student employee from a student assistant to federal work study.

1. Log into the ePAR system (https://uwgforms.westga.edu) using your UWG credentials. Select the UWG repository. The UWGDev repository is used for testing and training purposes.
2. Under the My Forms menu section, click the Personnel Action Request Form. Click OK to begin a new Personnel Action Request form.
3. The Initiator name will be populated.
4. Enter the Initiator contact phone number.
5. If the PAR is being entered on behalf of another initiator, you may select the individual's name in the On Behalf Of field.
6. Enter the ADP Position Number for which you are taking action on. In this scenario, you would enter the position number for the FWS position the student is transitioning into. The ADP position number populates several information fields on the form. After entering the position number, verify that the other information related to the position is accurate. If you receive a red exclamation mark at any point in the process, correct the information or contact the ePAR functional administrator.
7. Enter the Effective Date of Action. For this scenario, enter the effective date of the change.
8. Enter the Type of Action. For this scenario, enter Change.
9. Enter the Reason for Action. For this scenario, enter FWSP/SA Transition.
10. Verify the information that populates in the gray fields: Division, Department, Employee Type, Department ID, PAR Employee Name, Position Title, and Job Code.
11. In PAR Summary, enter a detailed description of the action that you are taking. This field is required and must be completed for form submission. In addition, please include the Banner ID or 917# for the student employee.
12. The position the student is transitioning from will be displayed in the Transitioning From field. In this scenario, it will be a Student Assistant. Enter the Current Position Number for the Student Assistant position.
13. Using the dropdown, select the Employee Name and Employee ADP #. Once selected the ADP Employee Number will populate and the Employee Name will be displayed.
14. In the Pay Attributes section, enter the following:
   a. Number of Working Months per Year – enter the number of working months the student employee will work within the academic year. Assume there are 10 months in the academic year (August-May) and enter the
number of months accordingly. For example, if you are hiring the student in August enter 10 months. If you are hiring them in January, enter 5 months.

b. **Hourly Rate** – enter the hourly pay rate for the student employee

c. **Work Hours Per Week** – enter the number of hours the student employee will work per week

d. **Semester Pay** – this field is not needed for student assistants; only complete for Graduate Assistants.

15. Utilizing the dropdown in the **Chart Strings** section, select the Department ID, Fund, Account, Program, Class and Project Codes (if applicable). In the **Amount** field, enter the anticipated annual expenditure expected for this employee. For budgeting purposes, assume there are 4 weeks per month. Depending on the number of working months indicated, utilize the following calculation: # of weeks * hourly rate * # of hours per week. For example, you hire a student in August to work 10 hours per week at $8 per hour. The calculation would be: 40 weeks (10 months*4 weeks per month) * $8 (hourly rate) * 10 (hours per week) = $3,200. This is the amount to be entered into the **Amount** field on the chartstring(s). In addition, enter the corresponding **Percentage** (% up to 3 decimals) that is to be expensed to the chartstring(s). Be sure to enter the appropriate FWS split funded chartstring and percentages (see table below).

<table>
<thead>
<tr>
<th>Department</th>
<th>Fund</th>
<th>Account</th>
<th>Program</th>
<th>Class</th>
<th>Project</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>1068000</td>
<td>20000</td>
<td>723000</td>
<td>16700</td>
<td>61000</td>
<td>008</td>
<td>75%</td>
</tr>

<td>XXXXX</td>
<td>723000</td>
<td>XXXXX</td>
<td>XXXXX</td>
<td>008</td>
<td>25%</td>
</tr>
</tbody>
</table>

16. Comments can be added as necessary in the **Comments** tab. After entering the comments, click the green box with a plus sign to add the comment. Related documents can be attached in the **Related Documents** tab.

17. If the PAR needs to be saved for later, click the **Save** icon. If it is ready to be submitted, click the **Submit** button. If the PAR needs to be canceled and deleted from the ePAR system, click the **Cancel** button.

18. Click on the **Personnel Action Request** link in the **Document Status** section to view the PAR after it has been submitted.
