University of West Georgia Tech Fee Application Process

The University of West Georgia Tech Fee application process for the Fiscal Year 2024 cycle has opened. If you are interested in participating in the FY24 Technology Fee application process then please read on.

The proposal submission process will close on Sunday, February 26, 2023 at midnight.

The schedule for the FY24 Tech Fees process is:

- January 23rd, Proposal Submission Online Application Open
- Submission Deadline - Online Application Closes - February 26th @ midnight
- Submission Review by Deans and ITS Feb. 27th – March 17th
- Committee Proposal Review - March 20 - April 14, 2023
- Award Notification: April 17th

Deans will review and rank projects in order of importance to the college. Information Technology Services reviews the abstracts to ensure compatibility with our services. ITS will reach out to discuss compatibility options if there are any conflicts with the campus IT services.
