Just west of Atlanta, a spirited University lies nestled among the rolling hills and tranquil lakes of Carrollton.

Across campus and around town, you’ll hear the hum of intellectual exploration, the laughter of camaraderie, and – of course – the howl of the Wolves.

At UWG, we see things differently. We respect our roots but we’re not bound by tradition. We blaze our own trails rather than follow the crowd. And we’re making history, not simply studying it.

This is the land of opportunity and discovery. If you ask us, the stars shine just a little brighter here – in the sky and among us.

1. Only Registered Student Organizations and University Departments (including Aramark) may put table tents on the tables at Z-6, UCC Centre Café, & Wolves Den Food Court.

POLICY FOR ADVISORS OF STUDENT ORGANIZATIONS

All organizations are required to have at least one advisor who is a full-time member (who appears on the monthly payroll) of the faculty or administrative staff of the University of West Georgia. In accepting the position of advisor of a student organization, the faculty or staff member should agree to be present at as many activities and meetings as possible.

The Center for Student Involvement has responsibility for approving campus organization advisors from the faculty or administrative staff. It is the responsibility of each student organization to submit the name of their advisor(s) through the registration application. CSI will, upon request, provide a list of full-time (monthly) faculty and staff who are interested in serving as an advisor.

Upon the resignation of an advisor, the organization will have 30 calendar days to obtain a new advisor. Organizations that do not obtain a new advisor within those 30 days will not be considered a registered organization until they obtain a new advisor.

Selection Hints

Advisors should be able to attend as many organization meetings and events as possible. Advising is both beneficial and time consuming. Organizations should therefore attempt to find advisors who are not already working with more than two other student groups. This will assure the group more attention from its advisor and permit the benefits of advisorship to accrue to others on the faculty and staff.

If your organization meets frequently, which can be inconvenient to a single advisor, it is possible for that organization to have more than one advisor. In addition, if your organization is a specialized organization, you may wish to have an advisor, as well as instructors/coaches to assist you with your area of specialization. Roles, duties and functions of student organization advisors may include, but are not limited to: communication/university link, disciplinary, financial supervision, historian, interpretation of policy and governing documents, and leadership development.

Staff members in the Center for Student Involvement, may not serve as advisors to student organizations, unless it is a part of their position description or official duties. Because some organizations are sponsored by administrative or academic departments as a part of their departmental mission, advisors may be appointed by the institution.

ACADEMIC REQUIREMENTS FOR SOCIAL GREEKS

To participate in Recruitment, or Intake, students must have a minimum of a 2.0 UWG adjusted GPA from high school, if a first-time university student, or a 2.0 University GPA based on at least 12 hours of non-developmental University work, if a UWG or transfer student.

However, each chapter has their own minimum requirements which might be higher than the university minimum. For example, some Panhellenic and IFC organizations cannot extend membership to students who have below a 2.20 UWG adjusted GPA while others might have a higher GPA requirement, up to a 2.7 GPA. The average
NPHC required GPA is a 2.5; however, some also require a higher GPA. Students must maintain full-time student status (minimum of 12 credit hours for fall and spring, 9 for summer) during their member periods.
The Center for Student Involvement administers these policies. If you have questions about them or would like to receive a copy of the complete policy governing Greek Organizations, contact the Center for Student Involvement in the Campus Center.

**POLICY ON THE RELEASE OF GRADE POINT AVERAGES FOR FRATERNITIES AND SORORITIES**

**Policy**
The Center for Student Involvement, in cooperation with the Registrar’s Office, will secure grade point averages for Social Greek organizations on a continuing basis.

**Procedure**
1. New members will be requested to sign a statement acknowledging the release of GPA and other information that might be requested by CSI and/or his/her specific organization during their New Member period. These statements will be kept on file in the Center for Student Involvement for the duration of the individual's affiliation with the organization and will be terminated upon the graduation of disassociation of the individual.
2. Once the grade point averages have been secured by the Center for Student Involvement, the organization's president will be contacted.
3. Individuals requesting and receiving grade point average information must be a current officer within his/her respective organization and must be listed on the organization’s OrgSync page and the Fraternity/Sorority Information Form.

**Chapter Grade Point Average (GPA) Policy**
1. In order for a social Greek organization to remain in good standing with the University, the chapter must maintain a 2.50 semester GPA during the fall and spring semester. If a Greek organization drops below a 2.50 semester GPA, then the organization will be placed on social restriction for the following semester.
2. The first semester a chapter falls below the standard, the chapter will be placed on social probation. The only events that the chapter may participate in are the organizational meetings/ceremonies, membership recruitment, and philanthropic events. The chapter may not participate in or sponsor any social events, including step shows and homecoming events.
3. If for a second consecutive semester, the chapter fails to meet the minimum University standard of a 2.50 semester GPA, the chapter may not participate in or sponsor any social functions for the following semester (same as above) homecoming or intramural sports. The chapter may not participate in or sponsor any social events, including step shows and Greek Week. Your chapter will need to submit an academic performance plan and review with Fraternity and Sorority Life staff.
4. If the chapter continues to fall below the standard of a 2.50 semester GPA, it then runs the risk of being removed from campus and/or receiving other sanctions.

**POLICY CONCERNING AUXILIARY GROUPS**

1. No registered student organization may sponsor or support an auxiliary group in any form. An auxiliary group is defined as a supplemental group to an organization in which, for whatever reason, the participants are ineligible to become full members of that organization. These include, but are not limited to, the following: little sisters, big brothers, favorites, Stardusters, Diamonds, Pearls, friends of the chapter, Sweethearts, Doves, Rush Hostesses, etc.

2. Student organizations may not give out jerseys, t-shirts, etc. to any non-members that would imply auxiliary membership to that group. This includes the giving of jerseys to sorority women which denote the sorority's letters but in the fraternity's colors or vice versa. The following exceptions apply:
   A. T-shirts given that commemorate a specific event (i.e. social, philanthropy, etc.)
   B. The individual was chosen as that organization's sole sweetheart (i.e. fraternity sweetheart, "Dagger Man", etc.) or homecoming representative.

3. Composites of an organization may only contain active members, advisors and a sole Sweetheart/Beau. Organizations may not have special composites made featuring non-members of the organization.

4. Under no circumstances will recruitment activity be held to recruit individuals for auxiliary organizations. This includes recruiting non-members to do things for the organization in exchange for some type of recognition.

5. Individuals who affiliate with auxiliary groups are also in violation of this policy and can be referred to the student discipline system.

UWG MEDICAL AMNESTY POLICY
Purpose of the Policy

• UWG encourages the responsible use of alcohol. The Medical Amenity Policy encourages all students to make responsible decisions in life-threatening situations that result from alcohol or other drug use and to seek medical attention for anyone who is in danger due to intoxication or blood alcohol poisoning.

• Medical Amenity applies only to alcohol or other drug-related medical emergencies but does not apply to other situations, which also include prohibited conduct such as assault, property damage or distribution of illegal substances.

• In cases where an individual or organization fails to seek emergency medical assistance when risk of harm is clearly indicated, formal judicial action may be taken against the individual(s) or organization,

• The University of West Georgia enforces state law prohibiting the possession and consumption of alcoholic beverages by persons under the age of 21. The Medical Amenity applies only to the UWG Student Conduct Code and does not in any way prohibit law enforcement personnel from enforcing the laws of the State of Georgia. However, in cases where law enforcement personnel are involved, an act of responsibility may be considered favorably and may mitigate possible consequences.
Students in need of medical assistance

- When an individual student receives emergency medical attention that is directly related to the consumption of alcohol, the Dean of Students or his or her designee has the discretion to refer the student for an alcohol assessment or substance abuse related counseling in lieu of charging the student with a violation of the Conduct Code.

- Parents of students under 21 years of age may be notified in accordance with the University’s alcohol and substance abuse policy.

Students seeking assistance for others

- UWG students are encouraged to look safeguard their own health and welfare, as well as that of fellow students. Students are sometimes reluctant to request assistance due to possible disciplinary action. To remove this barrier and to encourage students to make responsible decisions regarding medical assistance in alcohol or other drug related emergencies, the UWG Medical Amnesty policy is enacted.

- When a student seeks emergency assistance on behalf of persons who may be experiencing alcohol or drug related emergencies, the Dean of Students or his or her designee has the discretion to allow all students to participate in an educational program, in lieu of pursuing charges for a violation of the UWG Student Conduct Code.

Student Organizations

- When representatives of a student organization seek emergency medical assistance on behalf of persons experiencing alcohol or other drug related emergencies, the Dean of Students or his or her designee has the discretion to require the organization to participate in an appropriate educational program, in lieu of being charged with violations of UWG alcohol policies.

All University of West Georgia organizations are responsible for the actions of all visiting members, friends, and/or alumni who will be subject to the same behavioral standards and policies as members of the organizations. Student Involvement staff members will assist in the proper implementation of these policies. The University is required to be in compliance with the provisions of Title IX and compliance with Title IX is also a condition to be a registered student organization at the University. Since passage of this law and the publication of the implementing regulations, the university will be using the following criteria for determining when single-sex organizations are excluded from the application of Title IX:

1) The active membership consists primarily of students attending a university; and
2) The organization must have tax-exempt status under Section 501 of the Internal Revenue Code.

The organization must also be a “social” organization as opposed to a “professional,” “service,” “honorary” or other organization. Professional fraternities and sororities, and service and honor societies may not exclude members on the basis of gender. Although the regulations do not list criteria that will classify an organization as professional, service, honorary or other, the university general counsel and the Title IX committee will ask a series of questions, such as:

1) Is the organization's membership limited to persons pursuing or having interest in a particular field of study, profession, or academic discipline?
2) Is the membership limited to individuals who have a high level of achievement in scholarship or any other endeavor?
3) Are the members permitted to hold membership in other fraternities or sororities at the same level of education?

These are not the only questions that may be asked, but they represent the type of information that is considered when making a determination as to whether a single-sex organization is social and, therefore, exempt from Title IX. If any of these questions are answered “yes,” then your group may not be considered a social organization and therefore should accept members of both sexes.

Therefore, exclusion based on gender at the University of West Georgia is applicable only to Greek-lettered organizations within the national structures of the National Association of Latino Fraternal Organizations, National Multicultural Greek Council, National APIA Panhellenic Association, National Interfraternity
Conference, National Pan-Hellenic Council, and the National Panhellenic Council, or to those groups which are able to provide original documentation for exemption. Organizations can contact University General Counsel, Jane Simpson, at jsimpson@westga.edu and the Title IX coordinator, Willie Black, at wblack@westga.edu with any questions or exemption requests.

**Sexual Misconduct Policy**

**Policy Statement**
As a matter of policy, the faculty, staff and students of the university community will not tolerate sexual misconduct, exploitation, or harassment. The University of West Georgia (‘the University’) is committed to maintaining a fair and respectful environment for living, working, and studying. To that end, and in accordance with federal and state law, Board of Regents’ policy, and Title IX, the University prohibits any member of the faculty, staff, administration, student body, or visitors to campus, whether they be guests, patrons, independent contractors or clients, regardless of the sex of the other party, from sexually harassing, assaulting, or exploiting any other member of the University community including behaviors defined as sexual misconduct in the university policies. Reports of any behaviors that may be construed as any of these will be met with appropriate disciplinary action, up to and including dismissal from the University.

**Definitions**

**Sexual Misconduct**
Sexual misconduct is defined as sexual contact by anyone, whether they are an acquaintance, stranger, or intimate partner without consent and includes but is not limited to: intentional touching without consent, either of the victim or when the victim is forced to touch, directly or through clothing, another person’s genitals, breasts, groin, thighs, buttocks; rape (sexual intercourse without consent whether by an acquaintance or a stranger); aggravated assault; aggravated sodomy (sexual penetration with an object without consent); sodomy (anal or oral intercourse without consent); non-consensual kissing; statutory rape; child molestation; aggravated child molestation; voyeurism; and public indecency. It is a violation of this policy to engage in any form of sexual activity or conduct without the consent of the other person. Such consent may be withdrawn at any time, without regard to activity preceding the withdrawal of consent.

Sexual activity requires consent, which is defined as clear, unambiguous, and voluntary agreement between the participants to engage in specific sexual activity. Consent must be clear and unambiguous for each participant throughout any sexual encounter. Consent cannot be obtained from someone who is asleep or otherwise mentally or physically incapacitated, whether due to alcohol, drugs, or some other condition. Consent cannot be obtained by fraud, threat, coercion, or force. Agreement given under such conditions does not constitute consent. Consent to some sexual acts does not imply consent to others, nor does past consent to a given act imply ongoing or future consent. Consent can be revoked at any time. The perpetrator’s honest, but unreasonable, belief that the victim has consented
does not constitute consent. The use of alcohol or other drugs will never function as a defense to a violation of this policy. The sexual orientation and/or gender identity of the individuals engaging in sexual activity is not relevant to allegations under this policy. For reference to the pertinent state statutes on sex offenses, please see Georgia statutes in section 16-6.

Any student found responsible for violating the policies on sexual misconduct will likely face a recommended sanction of suspension or expulsion. The conduct body reserves the right to broaden or lessen any range of recommended sanctions in the case of serious mitigating circumstances or egregiously offensive behavior. Neither the initial hearing officers nor any appeals body or officer will deviate from the range of recommended sanctions unless compelling justification exists to do so.

**Sexual Harassment**

Pursuant to Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972, ‘sexual harassment’ is defined as

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

1. submission to such conduct is made either implicitly or explicitly a term or condition of an individual’s employment or status in a course, program or activity;
2. submission or rejection of such conduct by an individual is used as the basis for employment or educational decisions affecting such individual; or
3. such conduct has the purpose or effect of interfering with the individual’s work or educational performance; of creating an intimidating, hostile, or offensive working and/or learning environment; or of interfering with one’s ability to participate in or benefit from an educational program or activity.

**Examples of Sexual Harassment**

1. Threats to make an adverse employment or academic decision if another person refuses to engage in sexual activities.
2. Demands that another person engage in sexual activities in order to obtain or retain employment or academic benefits.
3. Promises, implied or direct, to give employment or academic benefits if another person engages in sexual activities.
4. Unwelcome and unnecessary touching or other sexually suggestive physical contact, or threats to engage in such conduct.
5. Indecent exposure.
6. Invasion of sexual privacy.
7. Sexual advances, requests for sexual favors, sexual comments and questions, and other sexually oriented conduct that is directed against a specific individual and persists despite its rejection.
8. Conduct, even that not specifically directed at the complainant, which is sufficiently pervasive, severe or persistent to alter the conditions of the complainant’s employment or status as a student and create a hostile working or learning environment, when viewed from the perspective of a reasonable person of the complainant’s gender.
Sexual Exploitation

Occurs when a student takes non-consensual or abusive sexual advantage of another for his/her advantage or benefit, or to benefit or advantage another other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Example of sexual exploitation include, but are not limited to:

- Prostituting another student
- Non-consensual video or audio-taping of sexual activity
- Going beyond the boundaries of consent (such as allowing friends to hide in the closet to watch you have consensual sex)
- Voyeurism
- Knowingly transmitted an STD or HIV to another student.
- Child molestation
- Statutory rape

Rights of Complainants

It is the policy and practice of the University of West Georgia to provide an environment that is sensitive and responsive to victims of sexual misconduct, harassment, and exploitation. Complainants are entitled to the following rights:

1. To have sexual misconduct, harassment, and exploitation treated with seriousness.
2. To be treated with dignity.
3. To have sexual misconduct, harassment, and exploitation investigated and adjudicated by appropriate criminal and civil authorities.
4. To receive the full and prompt cooperation and assistance of university personnel in notifying the proper authorities.
5. To be free from any kind of pressure by university personnel not to report crimes, to report crimes as lesser offenses than the victim/complainant perceives, or to resolve complaints through mediation.
6. To have legal assistance, or to have others present, in any campus disciplinary proceedings in the same manner that the institution permits to the accused and to be notified of the outcome of such proceedings.
7. To receive the full and prompt cooperation of campus personnel in obtaining, securing, and maintaining evidence as may be necessary to the proof of criminal sex-related behaviors in legal proceedings.
8. To be made aware of, and assisted in exercising, options regarding mandatory testing of sexual assault and misconduct suspects for communicable diseases and to be notified of the results of such testing.

**Grievances or Making a Complaint**
The grievance or complaint process for victims of sexual misconduct, assault, harassment, exploitation, or any other complaint qualifying under Title IX includes elements supplementary to theadjunction of student conduct cases outlined in the student code of conduct of the Student Handbook.

Students are strongly encouraged to report incidents to the police and/or the university (contacts listed above) regardless of the time elapsed since the incident. The contact information for Title IX Coordinators is listed on the University web site. Complaints may also be filed through the UWG Cares web site via the online reporting tool www.westga.edu/UWGCaress.
The complaint should clearly describe the alleged incident(s), when and where it occurred, and the remedy sought. Additionally, the submitter of the complaint should submit any supporting materials in writing as quickly as it is practical. Students who file a complaint will be contacted by a trained university official. Students who make a complaint are not required to pursue legal action. In some cases depending on the circumstances, the university may be compelled to complete an investigation whether or not the complainant chooses to take a complaint through the criminal or university student conduct processes. An initial investigation is initiated to determine if there is reasonable cause to believe the university’s nondiscrimination policy has been violated and identify which part(s) of the conduct code have been potentially violated. If so, the university will initiate a prompt, thorough, and impartial investigation. Additionally, an advocate and reasonable remedies will be offered the complainant. The student will be informed of victim’s rights under university policy.

Students who are victims of sexual misconduct, exploitation, harassment, or assault have similar rights to the accused students as explained in the disciplinary process. Read more about the Disciplinary Procedures in Appendix A of the Student Handbook. Students have access to university supports, evidence, witnesses, and notification similar to the accused.

After a decision has been made regarding the complaint, the victim has the right to be notified of the outcome and the right to file an appeal according to the university appeals process. The hearing officer can supply a description of the university’s appeal process for victims. For the most up-to-date version of the university’s grievance or complaint process for victims of sexual misconduct, assault, harassment, exploitation, or any other complaint qualifying under Title IX please see the online Student Handbook.

**DRUG FREE CAMPUS POLICY**

State and federal legislation places specific responsibilities on the university to promote a drug-free campus. Alcohol and drug information programs which address the risks of drug and alcohol abuse are publicized and available. Faculty, staff and students with problems can be referred for appropriate assistance.

Standards of conduct at West Georgia prohibit the illicit possession, use or distribution of drugs and alcohol on campus or at university functions. Penalties for violations of these standards range from warnings and probation to expulsion, referral to the legal system for prosecution, and loss of employment.

A complete statement of the university’s policy regarding the Drug-Free Communities and Schools Act Amendments of 1989 and the Georgia Drug-Free Post Secondary Education Act of 1990 is published annually in the fall quarter Schedule of Classes and is distributed to all new students during orientation. Copies of the policy may be obtained in the Human Resources Office, Aycock Hall and the Office of Vice President for Student Affairs and Enrollment Management, Campus Center.

**POLICY GOVERNING OUTDOOR SPEECHES, DEMONSTRATIONS, DISTRIBUTION OF WRITTEN MATERIALS AND MARCHES**

No rights are more highly regarded at The University of West Georgia than the First Amendment guarantees of freedom of speech, freedom of expression and the right
to assemble peaceably. The university remains firmly committed to affording groups and individuals the opportunity to engage in peaceful and orderly protests and demonstrations. In order to achieve this objective, while at the same time insuring that the university fulfills its educational mission, the university has the responsibility to regulate the time, place and manner of expression. This regulation is to assure equal opportunity for all persons, preserve order within the campus community, protect and preserve university property and provide a secure environment to individuals exercising freedom of expression.

The following provisions and regulations shall apply:

A. SPEECHES, MARCHES AND DEMONSTRATIONS: The open areas designated for speeches, marches and demonstrations are the Quad, and outside the University Community Center, Library and Food Service Building. The Center for Student Involvement acting on behalf of the Vice President for Student Affairs and Enrollment Management asks student organizations interested in use of these areas to register with that office so the university can provide necessary support for public and student safety. Individuals and non-UWG organizations are asked to register/reserve facilities with Auxiliary Services to ensure the university can provide the necessary support for public and student safety. Organized marches in other areas must be coordinated with the University Police prior to the event. Failure to register or coordinate could result in removal from the university campus or facility if the University Chief of Police or the President finds that the speech, march or demonstration: 1) creates significant hazards to the public; 2) includes language or conduct that is so severe, pervasive and objectively offensive that it denies or limits an individual’s ability to work, or to participate in or benefit from an educational program or activity; or 3) unduly interrupts or interferes with the orderly and peaceful conduct of the university. Conduct that does not otherwise violate university policy or the objectives in the preceding sentence, but which is intended to demonstrate solidarity with a cause (i.e., the wearing of a particular clothing or carrying items) may be expressed in areas other than the designated areas above. In the interest of allowing equal time for all points of view, the university may consider other limitations on the time, place and manner of speech. All structures, signs and litter resulting from the activity must be removed from public areas by the end of the event. All sponsors of events may be subject to costs for cleanup or repair of university property resulting from the participants in the event.

B. DISTRIBUTION OF WRITTEN MATERIAL: Pamphlets, handbills, circulars, newspapers, magazines and other materials which are protected by the First Amendment may be distributed on a person to person basis on the Quad and outside the University Community Center, Library and the Food Service Building between the hours of 9:00 am - 9:00 pm, Monday - Friday, when school is in session. In accordance with the University Posting Policy, handbills cannot be placed on cars. Tables must be reserved forty-eight hours in advance with the Office of Auxiliary Services. The University maintains a position of neutrality as to the content of any written material distributed on the campus under this policy.

C. PROVISIONS: In order that the persons exercising freedom of expression not
interfere with the operation of the University or with the rights of others, the following shall apply without exception to any form of expression.

1) Events, which may obstruct vehicular, pedestrian or other traffic, must be approved at least forty-eight hours in advance by the Vice President for Student Affairs and Enrollment Management.

2) Use of sound amplification on campus is regulated and must be approved at least forty-eight hours in advance by the Vice President for Student Affairs and Enrollment Management.

3) There must be no obstruction of entrances or exits to buildings.

4) There must be no interference with educational activities inside or outside of buildings.

5) There must be no harassment of passersby or other disruptions of normal activities.

6) There must be no interference with scheduled University ceremonies or events.

7) Malicious or unwarranted damage to, or destruction of property owned or operated by the University or by students, faculty, staff or visitors to the University, is prohibited. Persons or organizations causing such damage will be held financially and legally responsible. The group or individual may be required to provide proof of liability insurance depending on the nature of the activity.

8) There must be compliance with all applicable state and federal laws and university rules and regulations. Violators will be referred for appropriate legal or disciplinary action.

9) Exceptions to this policy may be appealed to the Vice President for Student Affairs and Enrollment Management.

Copies of this policy and registration forms are available in the Campus Center office and the Center for Student Involvement.

**Voter Registration Drives**

Voter registration drives must be coordinated through the designated campus voter registrar. The designated voter registrar is Howard Goodson, hgoodson@westga.edu.

**UWG LOGO AND TRADEMARK POLICY FOR STUDENT ORGANIZATIONS**

A unified, unique and strong visual identity is a critical element of any organization’s image. This set of coordinated branding elements, including logos and standard colors and typography, establishes a consistent, distinctive visual presence for an institution and helps its many constituencies recognize and remember it.

The University of West Georgia’s Visual Identity Program is comprised of the university trademarks, mascot, official colors and typefaces, and the guidelines for their use. A UWG trademark is any mark, logo, symbol, word or letters that have become associated with the university, including, but not limited to, the university’s name, wordmarks, shield, athletics logo and seal. These trademarks are the property of the Board of Regents of the University System of Georgia, and many are registered in the U.S. Patent and Trademark Office.
Proper use of UWG’s visual identity is essential to successfully communicating the university’s image, and the visual identity guidelines were created to protect the integrity of UWG’s trademarks and ensure their application in an appropriate, graphically appealing manner.

**Trademarked University Names**
The words “University of West Georgia,” and “UWG” when used in any form, are registered university trademarks and should adhere to all trademark standards. On first reference, the university should be referred to as “University of West Georgia.” On subsequent references, “UWG” may be used. Other trademarked names associated with the university include “UWG Wolves,” and “The Advanced Academy of Georgia.” Student organization names that include “UWG” or “University of West Georgia” should place the organization name first, followed by “at UWG” or “at University of West Georgia.” For example, “The Film Club at UWG” rather than “The UWG Film Club.” Organization logos should follow the same format.

**Use Of Student Organization and UWG Logos**
To show their affiliation with the university, student organizations may use a UWG wordmark, the UWG shield or athletics logo on their visual materials, including merchandise and promotional items, in conjunction with their organization’s name or logo. Student organizations may create their own logos, but no part of any university logo, including the UWG flame or shield, may be used in a student organization logo. A university logo may not be combined with a student organization logo or made to appear to be part of it in any way. The University Seal is reserved for specific institutional use and may not be used by student organizations.

All UWG logos and trademarks must be reproduced in accordance with the visual identity design standards described below under “Reproduction Criteria.” Detailed descriptions and illustrations of university logos and trademarks are available online at www.westga.edu/logos. To obtain logo and trademark files appropriately formatted for various uses, see “Where to Go for Help” on page 44.

**Wolfie, the Athletics Mascot**
Photographs of UWG’s athletics mascot, Wolfie, may be used on a student organization’s visual materials, including merchandise and promotional items, but no unauthorized illustrations of Wolfie may be used for any purpose. Photos of Wolfie in special settings or costumes may be obtained through the Office of University Communications and Marketing. A student organization may use these same logos on its official social media profiles or pages, provided no objectionable content appears on such profiles or pages.

**Identification**
All print and electronic materials, emails, websites, social media, and other communications, must clearly portray that the student organization is responsible for the content and opinions. In no event may any organization state or imply--either implicitly or by omission--that it represents the university or any of its official departments, programs, programs of study, or other institutional initiatives.
The University Seal
The university seal is reserved for official university use and may not be used by student organizations for any purpose.

Websites
Student organizations and individual students may use a UWG wordmark, the UWG shield, athletics logo or photo of Wolfie on their web pages without permission if the site is not used for commercial purposes and is hosted on a university server that contains the URL “westga.edu.”

Merchandise and Promotional Items
Any use of a university logo or trademark on merchandise or promotional items intended for sale or giveaway, such as t-shirts, hats, cups, pennants, tote bags, key chains and lanyards, must be approved by the UWG Trademark Licensing Office – Auxiliary Services. All such items must be produced by a licensed vendor, which in some cases will pay royalties to the university. If your organization would like to use a vendor that is currently unlicensed, contact Trademark Licensing about the simple and inexpensive process of obtaining a license.
Use of the symbol “®” or “™” is required next to the appropriate logo or trademark on all merchandise and promotional items. See “Trademark Symbols” below for more details. In no event should the organization logo and the university logo appear to be a single logo.

Reproduction Criteria
As trademarks, UWG’s wordmarks and other graphic marks are protected by federal law and may be reproduced only in their approved configurations and colors. (Some exceptions to color specifications may be granted for merchandise and promotional items through UCM.)
UWG logos and trademarks may not be altered, deconstructed, embellished, ornamented, flipped or rotated, and type and other logos should not be positioned so as to appear to be a part of the UWG marks. When enlarging or reducing a logo or trademark, be careful not to distort or skew its proportions. (This can usually be avoided by holding down the shift key when stretching the art.)
All reproductions of trademarks should be at a high level of technical quality. Photocopies, laser prints and web files of trademarks are not suitable for print reproduction, and marks formatted for printing should not be used on the web. To obtain logo and trademark files appropriately formatted for various uses, see “Where to Go for Help” on page 44.

Trademark Symbols
Use of the symbol “®” or “™” is required next to the appropriate logo or trademark on all merchandise and promotional items. The “®” symbol indicates that a trademark is federally registered in a certain class of goods. It is used on the university wordmarks. The “™” symbol is used to claim common-law trademark rights on a mark that is not federally registered. To obtain logo and trademark files with the “®” or “™” symbols see “Where to Go for Help” on page 44.
University Colors
The university's official colors are blue (PMS 286) and red (PMS 185). PMS is an abbreviation for the Pantone Matching System, an industry-standard set of printing ink colors. Blue is the primary university color, and red is used as an accent. Gray (PMS 429) is a secondary color used in the UWG athletics mark and as an additional accent color in the design of publications and other visual materials.
Whenever possible, the university wordmarks and other trademarks should print in the official university colors: blue, red and gray for three-color marks; blue and red for two-color marks; and blue for one-color marks. When these colors are not available, UWG logos and trademarks may be reproduced in one of the following ways:
- in black
- reversed out in white
- reversed out in white with red accents
- embossed
- foil-stamped
If none of these options is possible, a logo or trademark may print in one (never two) of the main colors of the design in which it is to appear. Depictions of all color configurations except embossing and foil-stamping are available online at www.westga.edu/logos.

Official Typefaces
UWG uses a set of standard typefaces on printed materials, official signage, vehicles and other branding items, and a separate set of web-readable typefaces online. Student organizations are not required to use official typefaces in their materials, but a list of these typefaces is available at www.westga.edu/ucm846.php for informational purposes.

SECTION II

Run with the Wolves. GO WEST.
PROCEDURES FOR RESERVING AND USING UNIVERSITY FACILITIES BY STUDENT ORGANIZATIONS AND OFF-CAMPUS GROUPS

All off-campus groups must go through Auxiliary Services at 678-839-6525 to schedule space on campus. These groups are bound by special rules and restrictions, which are outlined in the Policy for the Use of University Facilities, Section I: Who May Use Facilities. Under no circumstances will an individual college schedule any rooms for an off-campus group without the express written request and permission of the Assistant Vice President of Auxiliary Services.

Student organizations may use classrooms and other space on campus if they are a registered student organization with a faculty or staff advisor. The Center for Student Involvement will provide to each of the Colleges and Auxiliary Services within three weeks after the semester starts, a list of all of registered student organizations and their respective advisors.

The President or Vice President of the student organization will complete the form online at least 10 business days before the event. The form can be found at http://docs.google.com/forms/d/1g0zPLMvEB-SVBmQZZSaxo38Yo38YoC1FiGdRnmm_HIأتCM/Viewform?usp=send_form. He or she will request a room at a specific time on a specific date. If Auxiliary Services has a suitable room for the group, Auxiliary Services will schedule that room and put the event on the calendar. Student organizations must complete an event review form for certain events as per Auxiliary Services.

If Auxiliary Services cannot find a room for the student organization, they will refer the representative to the various Colleges to seek a room.

- College of Arts & Humanities, College of Sciences & Mathematics, and College of Social Sciences .............................................. 678-839-4167
- Richards College of Business .................................................. 678-839-6467
- College of Education ............................................................ 678-839-6570

The University provides a facility usage form to the person representing the organization/group, who reads and signs the form. The facility is reserved for the specified time on that date, based on special needs, size of group, etc. The smallest and simplest facility will always be assigned. Lecture halls will be used only for large groups or organizations.

When a non-catered event is scheduled for an off-campus group, the person who schedules it in the University office will:
- Notify Facilities and Grounds with all details of facility set-up and clean-up.
- Notify University Police. 678-839-6000
- Schedule audio-visual or technology equipment (appropriate charges may apply)

When an event is scheduled for a student organization, the person who schedules it in the University office will (unless a large event form is required):
- Notify Facilities and Grounds with all details of facility set-up and clean-up.
- Notify University Police. 678-839-6000
- Audio-visual or technology equipment must be reserved by the advisor
When an event is scheduled for a department, the requestor will be responsible to (after the reservation has been confirmed):

- Notify Facilities and Grounds with all details of facility set-up and clean-up.
- Notify University Police if necessary (678-839-6000)
- Schedule audio-visual or technology equipment through ITS at 678-839-6459.

Clean-up of facilities will be handled in this manner:

- All groups/organizations, including student organizations/groups, must leave facilities as they found them.
- If food or drink is permitted, trash should be placed in trash cans.
- Any furniture moved within the facility or must be placed back to the original set-up.

Facilities that are left unusable for the next day will be traced to the group/organization, which will be charged for the cost of returning the facility to its pre-event status and the organization may be banned from future use of University facilities.

* The last organization using the facilities in the evening will call University Police (678-839-6000) and wait until the room/building is securely locked to guarantee student and facility safety.

If you are locked out of your reserved venue after 5:00pm during the week or any-time Saturday and Sunday you must contact University Police to unlock the room. You will need to contact University Police at the conclusion of your event to secure the venue. Bring your approved confirmation email with you as you may be asked to show it as proof of your reservation.

**ROAD RACES/WALKS/FUN RUNS**

Road races may be permitted on the university campus on an individual, first-come, first-served basis. Only UWG departments, non-profit organizations, and registered student organizations can host an on-campus road race. Road events will be assessed on safety and operational impact of the event to campus operations. Auxiliary Services is the reserving agent for all outdoor spaces. The following rules apply to all on-campus road/pedestrian events:

- Road races/walks/fun runs must be scheduled with Auxiliary Services 60 days in advance. The University offers no guarantee that they will be able to accommodate an event that demands a significant amount of resources.
- Road races/walks/fun runs must be confined to the Athletic Complex
- Road races (5ks) must be insured for liability. ($1M per occurrence)
- Groups will be charged back for all services, including traffic control and facility restoration.

**GREENBELT**

The Carrollton Greenbelt was constructed with public funds and is intended for enjoyment by the surrounding community. As such, requests by student organizations to host events on this space will typically be denied if they interfere with the public's use of this facility or if the event poses an operational impact to the university. Auxiliary Services will consider permitting use of this space on weekends based on the same criteria; and will prompt the group to complete an Event Review Form. If the event poses vehicle/pedestrian risks, Auxiliary may require that the group hire university police officers to control traffic.
The following rules will be enforced for any activity on the Greenbelt:
1. Timed bicycle events will not be permitted.
2. The unlit portion of the Greenbelt (between West Georgia Drive and Lovvorn road) is closed at night.
3. No vehicles, tables, or any other materials may be placed on the Greenbelt, or in any manner that may impede upon Greenbelt operations.
4. Student groups may not market their event (flyers, signs, chalk) on the Greenbelt.

Please note during the first week of each semester reservation confirmations may be delayed due to high traffic volume.

POLICY FOR THE USE OF UNIVERSITY FACILITIES
The following policies apply to the use of University of West Georgia's academic, student, athletic, recreational, and entertainment facilities. The use of academic facilities for scheduled instructional purposes shall take precedence over all other uses of such spaces during the first three weeks of each term and will not be displaced without the approval of the President or authorized designee. After these three weeks, other organizations or groups, based on the priorities listed below, may use University facilities if previously reserved. Organizations and non-university groups wishing to reserve rooms in any academic facility must adhere to these guidelines. Copies of these guidelines may be obtained from Auxiliary Services.

Section I. Reservation of Facilities
Who May Use Facilities
Facilities are designated for official university events, academic meetings, and programs of registered student organizations. Student organizations must be registered with the Center for Student Involvement, have a faculty or staff advisor, and comply with the rules set forth in the Student Organization Conduct Code by the Center for Student Involvement.

Non-university groups, which must meet eligibility requirements as defined in the 6th and 7th priorities, may reserve or rent available facilities in accordance with this policy statement
a. Use of campus facilities for personal social events, except those catered by the University food services, is not permitted (see Section IV), with the exception of Kennedy Chapel.
b. Summer Conferences and Camps for outside groups will be scheduled by Auxiliary Services (678-839-6525).
c. Co-sponsoring of non-university groups with registered student organizations or university departments is not permitted.

Priority Usage of University Facilities
1st Priority - Academic classes have first priority.
2nd Priority - Major University events such as visitation days, orientation, graduation ceremonies, homecoming, Honors Day, testing, and recruitment take second priority in the use of University facilities.
3rd Priority - Meetings and events associated with academic programs, such as University, College, and Departmental faculty meetings, graduate student examinations and presentations, Athletics, and special academic events, will have the third priority in scheduling classrooms.
4\textsuperscript{th} Priority - Any student activities function will have fourth priority for use of these facilities. Student activities are defined as activities promoted and supervised by the Center for Student Involvement or Student Activities Council.

5\textsuperscript{th} Priority - Fifth priority will be given to any registered student organization. This will include fraternities, sororities, honor societies, and other registered student organizations.

6\textsuperscript{th} Priority - Sixth priority will be given to non-university groups or organizations that desire to present an educational program.

7\textsuperscript{th} Priority - Seventh priority will be given to a non-profit group not affiliated with the University that desires to present a program which is not educational in nature, or to hold a meeting. Requests from civic organizations, governmental agencies, and not-for-profit, non-religious groups, normally will fall under the sixth priority. Political candidates who have qualified for office may use the facilities free of charge, but they may not conduct fund-raisers on campus.

8\textsuperscript{th} Priority - Eighth priority will be given to for-profit groups. The University’s Solicitation Policy must be followed. Contact Auxiliary Services (678-839-6525) for a copy of this policy.

NOTE: Date, time, and place for an event cannot be guaranteed unless they are made at least three (3) working days prior to the event.

Limit of Use
The University reserves the right to set the limits on the number of reservations of major facilities by non-university organizations or campus organizations. Classes are not scheduled in spaces used essentially for social functions (such as the Lower Level of Z-6 and UCC 312) unless requested by the appropriate academic dean and approved by the Assistant Vice President of Auxiliary Services.

Section III. Fees

Regulations for General Fee Charges

Non-University groups using University facilities will be assessed a usage fee. The usage fee includes charges for facilities, equipment, supplies and materials, labor costs, custodial services, maintenance, and where applicable, event-related services provided by the University Police. Any damage to a facility other than normal wear and tear will be charged to the group using the facility.

It is the responsibility of all user groups to return the facility to its pre-event status unless prior arrangements have been made with the Department of Facilities and Grounds. A group will be billed for any expenses incurred if additional clean-up or repair by the University is required. A list of usage fees can be obtained from Auxiliary Services.

Fees for Specialized Facilities

Lower Level Food Services Building: Any eligible non-university group (see Section I) that uses this facility is charged a usage fee unless it is using University of West Georgia Food Services. No outside organization is allowed to bring food into this building. A minimum of $200.00 in food and/or beverages must be provided by Food Services or a $200.00 per day facility use charge will be assessed.
Kennedy Chapel: Anyone reserving the Kennedy Chapel will be charged a usage fee (with the exception of current students, staff, faculty, or their dependents). Fees may be paid (after the reservation has been confirmed through Auxiliary Services) in person or mailed to: Auxiliary Services, University of West Georgia, Carrollton, GA 30118.

Townsend Center for the Performing Arts (TCPA): University organizations and non-university groups may reserve this facility on a space available and space appropriate basis. The TCPA will assess any charges associated with an event. This may include but is not limited to labor costs in producing an event, custodial services, maintenance, equipment, supplies and materials, University Police services, and damages.

When No Fees Are Required
There shall be no usage fees assessed when the event is promoted and presented by a University of West Georgia organization and directly related to that unit's mission, academic offerings, or organizational mission and for which no admission is charged. There shall be no usage fees when a facility is used as an informational gathering of a University of West Georgia organization for the purpose of conducting business related to the user’s organization. There shall be no usage fees assessed if these user groups incur no charges for custodial, maintenance, or University Police personnel as a result of the event.

Damage Deposit
A damage deposit may be requested when reservations are made for equipment or facilities. Any group, except registered campus organizations or University-affiliated groups, may be charged rent.

Safety and Insurance Requirements
Use of University facilities will require the sponsoring organization or individual to sign a contract, license agreement, or some other agreement. The University will evaluate all proposed activities to ensure compliance with safety and insurance requirements.

Section IV. Events Set-Ups
If equipment or a particular set-up is needed for an event, requests should be made at the time of reservation. Individuals using specialized equipment in University facilities must demonstrate competence in the operation of this equipment or make arrangements for a trained person to operate this equipment. Special facility set-up requests must be made at least five working days before the scheduled event. The time of the requested reservation must include any time needed for set-up. Extensive facility set-ups will require more notice and may not be possible if the specific set-up is requested too late. To submit set-up information, please contact the department with whom the reservation was made.

Rental of Non-University Assets
Equipment for events - such as barbecue grills, generators, tents, kiosks, furniture, audiovisual equipment, etc. - may be obtained from off-campus sources. The University will not cover this equipment under its insurance. UWG assumes no liability for loss or damage of the equipment, even if this equipment is secured on University property. It is the responsibility of the event planner to reserve and complete the rental agreements for non-University equipment.
Section V. Policies Pertaining to Alcoholic Beverages
Groups using University facilities must conform to University policies pertaining to alcoholic beverages. Georgia law requires that individuals be 21 years of age or older in order to possess or consume alcoholic beverages. Procedures for alcohol use on-campus and at university events can be found online at http://www.westga.edu/policy

Section VI. University Police
University Police officers may be required at certain campus events. The Chief of University Police (or designee) will determine if University Police Officers will be necessary. The University Police will determine the number of officers needed and the hours that the officers will be present. Neither private security nor off duty officers from local police agencies can be used for event security without the approval of the Chief of University Police (or designee). Only certified police officers from the City of Carrollton, the Carroll County Sheriff’s Office or Georgia State Patrol will be considered. Note: Only in rare cases will off duty police or private security be approved to work an event. Under no circumstances will private security be allowed to carrying firearms while on campus. The Organization will be responsible for paying the officer(s). Payment must be made in full in advance of the event and will include the officers rate of pay plus social security.

Section VII. Open Flame
Use of open flame (candles, tiki torches, patio heaters, grills, campfires, etc.) is prohibited on campus unless approved by the Office Risk Management/Environmental Health and Safety.

Section VIII. Aramark
All campus events which include the serving of food must have that food provided by Aramark, unless Aramark prefers not to cater the event or has given their approval for an outside vendor.

Section IX. Food Safety
Groups must complete and submit a food safety plan to Risk Management (UCC 309) if:
1. The group will be cooking raw meats, and;
2. The group will be serving to the general student or campus population.

Food safety plans must be submitted at least two days prior to the event. Contact Risk Management (678-839-6277 / safety@westga.edu) for a form.

The following guidelines pertain to selling prepared food to the campus community (such as bake sales):
1. Controls should be used to minimize contact with the food (gloves, tongs, individual wrappings, etc.).
2. Ingredients should either be listed or available at the site of sale.

Campus Center Reservations
The University Recreation (UREC) Administrative Office located in the Campus Center is responsible for the reservation of all meeting, ballroom, and activity space in the Campus Center. The primary objective of the UREC Administrative Office in
this capacity is to serve the members of the UWG community including students, faculty, staff, alumni and occasional off-campus organizations. This section outlines basic room reservation policies. Additional policies for specific events may also apply. Please contact or visit the UREC Administrative Office to discuss individual event needs.

**Reservation Priority**
The Campus Center was built with student fees to enhance the social, cultural, and recreational life of students at the University of West Georgia, therefore the following reservation priority exists. Please note that certain major, University-wide events such as Homecoming, Orientation, Presidential or Vice Presidential events, etc. will be given priority.

**Tier I:**  
*Student Organizations and Departments Housed in the Campus Center Charged with Providing Campus-wide Programming* - such as the Student Activities Council, Student Government Association, University Recreation and the Center for Student Involvement. These events are intended to serve the entire student body or University of West Georgia Campus.

**Tier II:**  
*Registered Student Organizations* - Those organizations who have met the guidelines to be considered registered and are currently in good standing with the Center for Student Involvement.

**Tier III:**

At any point after a designated priority access date is passed, organizations in that category may continue to make facility reservation requests on an equal access “first come, first served” basis. Any exceptions to the reservation schedule must be approved in writing by the Director of University Recreation.

**Limitations**
Organizations may only reserve the full ballroom three times per semester and a portion of the ballroom four times per semester. HPE gym may only be reserved four times per semester. In addition, groups may only reserve a room for meetings three times a week for two hours at a time. This is to ensure all organizations are provided with a fair chance to utilize space in the Campus Center.

**General Reservation Policies**
1. All reservations must be made online at www.westga.edu/urec or at the UREC administrative desk located in the Campus Center.
2. Reservations will be made in accordance to the established priority list. An Event Request Form will be required to determine appropriate priority and final approval. The UREC Administrative Office reserves the right to determine a space request’s priority tier.
3. Reservations submitted on time are accepted on a first come, first served basis within the priority tier.

4. A request for space does not guarantee that a space will be assigned. The UREC Administrative Office reserves the right to reject any reservation that it determines programmatically and operationally too difficult to accommodate. Reservation requests may also be denied if the organization or event is in conflict with any university policies.

5. All reservations for registered student organizations must be approved by the organization president, vice-president, or advisor. Student Organizations may be required to complete a large-event form to hold their event in the Campus Center. The Coordinator of Events (or designee) will make the determination on whether a large-event form is needed.

6. Organizations will be responsible for adhering to all policies and procedures regarding security, conduct, and damages as per the facility use agreement that must be signed at the time space is booked. A copy is available for review in the University Recreation Administration Office.

7. Attendance at events will be limited to the posted room capacity.

8. With regards to the Campus Center outdoor spaces, University Recreation prohibits activities that interfere with people entering or exiting the building. In addition, amplified sound may not be projected in an area where it may be disruptive to University business.

9. The sponsoring organization will be held liable for damages to the facility and its equipment. Damages to the facility may lead to suspension of reservation privileges and/or future use of the facility.

10. All requests for tables, chairs, audio-visual equipment, staging, public address equipment, etc., and room set-up must be made at the time of the reservation or at a scheduled meeting with the Coordinator of Events (or designee). Any reasonable room set-up changes or equipment changes to the original request must be made by one week prior to the event. If changes are made after these deadlines, University Recreation personnel reserve the right to either not honor the changes or charge the group for the direct costs associated with the changes.

11. HPE Gym, Room 302 & 303 are for Campus Center members only. If reservation requires non-members to access these areas, you must setup a meeting with the Coordinator of Events at least 5 days prior to event to discuss appropriate access procedures for non-members.

12. A minimum notice of 5 business days is required for ballroom reservations. A minimum notice of 2 business days is required for meeting room reservations.

*Note: The Climbing Wall, Aerobics Room, and Game Room can be reserved by groups on a case-by-case basis. Organizations should contact the Coordinator for Events to determine when these facilities are available.

**Charges may apply to certain University Department events depending on scope and purpose. For example, if an entry fee is charged or the event is designed for-profit, charges may apply.

** Fees marked with a double-asterisk are explained below:

- Greenery charges may be applied to any tier if UREC is assessed a fee to acquire greenery.
• A fee for staging may be required if there is a special set-up requested.
• A fee for use of the Grand Piano may be charged if tuning is required for use.
• A cleaning fee may be assessed to any tier if agreed upon conditions are not met or if excessive clean-up is needed to prepare the facility for following events.
• A minimum notice of 1 business day is required for meeting room cancellations and 5 business days for ballroom cancellations. If an organization fails to let the Coordinator of Events (or designee) know, in writing, of an event cancellation or fails to utilize a reserved ballroom, an $80.00 fee will be charged and all other reservations for that group will be cancelled for the remainder of the semester until the charge is paid in full.
• The sponsoring organization regardless of tier will be responsible for all costs associated with security at their event. University Police, not University Recreation, will determine the type and amount needed. This will be passed onto the group in the form of a direct cost.
• A custodial fee will be assessed for every off-campus organization event, however the final amount will be determined after the pre-event meeting.

CHECKOUT OF MEDIA EQUIPMENT
Information Technology Services (ITS)
Contact: 678-839-6459

Registered student organizations can check out audiovisual equipment from ITS for their official programs. The ability to fill student organization requests is dependent on availability of equipment, since priority is always given to equipment orders needed for credit-generating instruction. To utilize the services of ITS, the organization’s Faculty/Staff advisor must approve the request by sending an e-mail to ITSMedia@westga.edu at least 48 hours before the needed delivery/pickup time. To reserve equipment, an organization representative must be currently enrolled in the university and have a valid I.D. card. Students must sign for the equipment and in doing so assume responsibility for any loss, theft, or damage to the equipment while in their possession. ITS reserves
the right to specify the conditions under which students may use the equipment. Equipment loaned to students is generally limited to one day. Equipment is to be used indoors only. Outdoor events are supported by Facilities (678-839-6311).

Equipment reservation process:

- An organization representative can reserve equipment by calling or going to the ITS office located in the basement of the Anthropology Building. You will be asked to give pertinent information (e.g., time, place, date, and type of equipment needed). A Student ID card and signature will be required. A checkout form will be completed and placed in the file. Note that reservations without advisors’ approval may be canceled.
- The organization Faculty/Staff advisor must approve the request by sending an e-mail to ITSMedia@westga.edu or appearing in person at the ITS office in the basement of the Anthropology Building (with ID card) at least 48 hours before the needed delivery time.
- ITS can deliver and set up equipment to any indoor location on campus (excluding Residence Halls) during normal office hours – typically M-F 8:00 am to 5:00 pm (subject to change). ITS can also tear down and retrieve the equipment. Note the person accepting responsibility for the equipment will be responsible for it until ITS shows up to collect it. The office is not open on weekends or evenings.
- Students may choose to pick up or return the equipment without ITS involvement. Equipment to be returned by the organization should be returned on time so that ITS can fulfill other commitments.
- ITS can provide training on use of equipment if asked.
- When placing your order, please be sure to give exact instructions as to who will be responsible for the equipment. Equipment will not be left without the appropriate representative accepting the delivery with a signature. If a delivery is made and the appropriate person is not there to receive it, the equipment will be returned to ITS and the order canceled.
- By signing the order form the organization agrees to the following:
  - full knowledge of how to operate the equipment
  - will pay replacement cost if lost or stolen
  - will pay any repair charges due to damage not caused through normal wear
  - equipment was personally checked out by organization representative and found to be in good working condition.
- Normally equipment is not to be taken off of campus. Special permission must be received from ITS Management before doing so.
- At the first sign of malfunction, discontinue operation, immediately disconnect the power plug, and contact the ITS Service desk (678-839-6587). Be prepared to give the service personnel a description of how the problem occurred.

PROCEDURES REGARDING STUDENT ORGANIZATION MAILINGS AND MAIL BOXES

Your campus organization may obtain a mail box on campus. Please stop by the campus mail room, located in the University Community Center. An organization has to keep their mail box checked at least once a week. These mail boxes are really small and do not hold a lot of mail. If your box overflows, the box will be closed. It will be up to the organization to get it approved to reopen the box.

Interoffice mail may be sent to other students and faculty at no cost. Mail addressed to faculty must have department and name. Names and PO box numbers are required for mail sent to students. Organizations cannot stuff mail boxes with fliers. Off campus mailings will be processed at regular United States Postal Service (USPS) rates. Stamps, stamped #10 envelopes, registered-mail, certified-mail, return receipts, insured mail, delivery confirmations and money orders may be purchased through Mail Services (cash or check only). Developing a Constitution

SECTION III

Amazing things happen when you GO WEST.
DEVELOPING A CONSTITUTION

To assist your group, a sample constitution and explanation of each section of a constitution has been prepared for your use. The sample constitution is only an example, and should not be used as a “fill-in” form. Should you require further assistance in the preparation of your constitution, contact the Center for Student Involvement, Campus Center, 678-839-6526.

A constitution is the basic framework of an organization. It should state the purpose of the organization, and should indicate the number of officers, the method of their selection, requirements for membership and other general operating procedures which might be subject to frequent change. Detailed methods of doing business and specific rules belong in a document called the BYLAWS. For example: The constitution would establish the fact that dues are a requirement for membership and would outline the method of determining the amount of dues. The bylaws would then state the specific dues structure.

CONSTITUTION

Article I. NAME
The name of the organization should reflect the nature of the organization.

Article II. PURPOSE
This section should state the purpose, aims, and functions of the organization.

Article III. MEMBERSHIP & DUES

Article V. FISCAL AGENT/FACULTY CONSULTANT

Article VI. MEETINGS
This article should state the provisions for a regular meeting time, as well as any provisions to be made for calling special meetings. The officer position which has the authority to call meetings should be stated here.

Article VII. QUORUM
This section would set down the rules pertaining to the number of members, or the percentage of the membership required to be present to transact business.

Article VIII. AMENDMENTS
Amending the constitution should not be a simple process for the sake of the stability of the organization. All amendments are subject to final approval by the appropriate governing body.

Article IX. RATIFICATION
This section would state the requirements for ratification of the constitution of the newly formed organization.
BYLAWS
The by-laws would contain:
1. Detailed material concerning members, rights, duties, expulsion and resignation procedure.
2. Provisions for honorary members if the group so desires.
3. Provisions for membership fees, dues and assessments, if there are to be any, should be written in detail.
4. Names of the standing committees, if any, and the method of choosing the Chairpersons and committee members. The duties of the Committee(s) should also be stated here.
5. A provision for some accepted rules of order for parliamentary procedures, such as Robert’s Rules of Order, should be included.

Just west of Atlanta, a spirited University lies nestled among the rolling hills and tranquil lakes of Carrollton.

Across campus and around town, you’ll hear the hum of intellectual exploration, the laughter of camaraderie, and – of course – the howl of the Wolves.

At UWG, we see things differently. We respect our roots but we’re not bound by tradition. We blaze our own trails rather than follow the crowd. And we’re making history, not simply studying it.

This is the land of opportunity and discovery. If you ask us, the stars shine just a little brighter here – in the sky and among us.
