LEGACY WALKWAYS

UWG Newnan is built on a foundation of tradition, wisdom and innovation, created by a strong community and its commitment to excellence. The new location at the renovated Newnan Hospital ties the university even closer to the community, and the stories here should never be lost.

Legacy Walkways join history and progress. Located in the Jackson Street Courtyard and the Carmichael Street entrance, the Legacy Walkways will allow students to connect, study and succeed. By purchasing a personalized paver to be installed in the walkway, you can honor a loved one, recognize a friend, commemorate your graduation date, show your business' support for education and more. You're not only preserving a lasting heritage, but also building new opportunities for future UWG Newnan students.

Proceeds will benefit the UWG Newnan Building Fund.
