A Message from the Chief of Police

The University of West Georgia Police Department (UWGPD) is committed to providing the University of West Georgia with a safe environment conducive to the goals of education and research. Although reported crime at West Georgia is relatively low, it is important for students to remember that we are not immune from criminal activity. Therefore, we share many of the crime and safety issues that exist in any city. In partnership with the community, we work to prevent crime and solve problems that affect students, faculty, and staff. The safety and security of the University of West Georgia is the combined responsibility of the entire University community.

To maintain an effective working relationship with the community and to respond to its needs, the University Police Department is organized into four twelve hour shifts that work 24 hours a day, seven days a week, 365 day a year. Officers conduct visible patrols, respond to reports of crimes, address problems, and provide information and resources to the community as prescribed by state & federal laws. This information - which includes many practices, procedures, and safety tips for keeping safe at West Georgia, are delivered in several ways. It is published in our Crime Statistics and Crime Logs, which appears on this website. This information is also discussed in safety talks that are conducted by police officers at student orientations, new employee orientations, and other gatherings. Community members interested in arranging safety talks should contact the Office of Professional Standards & Training for scheduling.

I encourage all students, faculty, staff and visitors to be aware of the resources offered from the department and innovative equipment being utilized daily. Our officers are committed to initiating and maintaining close ties with the community. Feel free to stop by our office at Row Hall to ask any questions about security issues that are important to you. Also, by taking the time to familiarize yourself with our resources and by using the information provided on this website, you will be helping us to help you in the pursuit of a safe campus. Feel free to contact me with questions or suggestions.

Thomas J Mackel
Chief of Police
University of West Georgia

About the University of West Georgia Police

The University of West Georgia Police Department is part of the Division of Business and Finance and reports to the Senior Vice President for Business and Finance. The department was organized for the purpose of providing law enforcement, security, parking control, and transportation services for members of the University Community. On January 1, 2008 the department known as Public Safety was officially renamed the University of West Georgia Police Department when the parking and transportation services were transferred to another department.

The University Police Department provides traditional law enforcement services, security, and emergency response to the University Community 24 hours a day 7 days a week 365 days a year. **"WE NEVER CLOSE!"** Each officer and employee is responsible for accomplishing the department mission through performance demonstrating excellence in professional law enforcement and safety services. Officers and employees are aware of the department mission, statutory authority (OGCA- 20-3-72 & 20-8-2 & 20-8-3) as law enforcement officers, jurisdictional boundaries, use of discretion, and the role of the department within the community. Each police officer, prior to exercising the powers of a University Police Officer, will fulfill the training requirements of a sworn/certified officer as defined in Georgia Law 35-88. All officers are required to successfully complete the POST mandate (police academy) training prior to performing any duties in a law enforcement capacity. On March 20, 2014 the University of West Georgia Police Department was awarded certification by the Georgia Association Chiefs of Police (GACP) State Certification Program. UPD is one of six GACP Certified police agencies in the Board of Regents 32 Universities & Colleges throughout the state.

The University Police jurisdiction includes all property owned or leased by the University plus 500 yards. Since the University falls under the authority of the University System of Georgia, University Police officers have arrest authority on the campuses of the other 32 institutions within the system. Certified officers from those institutions may exercise their arrest powers on the UWG campus as well. The University Police Department has a Memo of Understanding with the City of Carrollton Police Department, the Carroll County Sheriff's office, the City of Newnan Police Department, and the Coweta County Sheriff's office. This mutually beneficial relationship between departments allows officers to work cross-jurisdictionally in the event of an emergency. It also promotes a good working relationship between UPD investigators and the investigative units of the respective departments.

The University of West Georgia Police Department is organized into five divisions; the Administrative Division, Uniform Patrol Division, Criminal Investigative Division, the Communication and Technology Division, and the Professional Standards/Training & Assessment Division. Each division performs separate and distinct activities which are interrelated. Supervisors of each of the five components answer directly to the Chief of Police. Please see our Organizational Chart.

Introduction: An Overview of Campus Safety and Security Reporting

What is the Jeanne Clery Act?

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, codified at 20 USC 1092 (f) as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. All public and private institutions of post-secondary education participating in federal student aid programs are subject to it. Non-compliant institutions may be fined up to \$27,500 by the U.S. Department of Education. Non-compliance institutions may face other sanctions and individuals could be held criminally accountable as well. The Clery Act was originally enacted by the US Congress and signed into law by President George Bush in 1990 as the Crime Awareness and Campus Security Act of 1990. The Clery Act was named for Jeanne Clery, a Lehigh University student that was murdered in 1987. Clery's parents, Howard and Connie also started a non-profit group called Security on Campus in 1987. Amendments to the Act in 1998 renamed it in memory of Jeanne Clery. In maintaining compliance with the Act, the University of West Georgia Police Department provides an annual campus security report to the public. The report is presented as one cohesive document as required by federal law 20 USC 1092 (f).

Arrests & Disciplinary Referrals for Violations

Drugs

Georgia law and University policy prohibit the possession, sale and or manufacturing of illegal drugs, prescription drugs and steroids. The University Police strictly enforces all applicable state laws and works closely with surrounding law enforcement agencies, to ensure the campus is as drug free as possible. Students and employees found in violation of the drug laws face arrest, expulsion from the University, and loss of future federal educational loans and grants. Employees found in violation are also subject to the termination of their employment. The University is in compliance with all provisions of the “Drug Free Campus” amendment to the Higher Education Act of 1989. (The University’s policy on Alcohol and Drug use for students can be found in the UWG Connection and Student Handbook – Appendix A.)

Persons who abuse drugs and alcohol can be a danger to themselves and to those around them. If you or someone you know needs assistance with a drug or alcohol problem, the University has the resources to help you. The Patient Advocates at Health Services (678-839-6452) or the counselors at Counseling & Career Development (678-839-6428) are available to assist you Monday through Friday from 8:00 am to

5:00 pm. They are also on call 24 hours a day through the University Police Dispatch Center (678-8396000). Their services are available to enrolled students free of charge and are strictly confidential. If someone is abusing or selling drugs, and you are fearful for your safety or those around you, contact the University Police at 678-839-6000 (24/7/365) and ask to speak with an officer. If you do not wish to be identified, e-mail uwgpolicyconfidential@westga.edu. An investigator will be assigned to follow up on the information and take whatever action is possible. The University Police will also coordinate with Counseling & Career development so that their resources may be utilized to protect the students involved. The University Police Department offers information and classes on drug prevention. If you would like to schedule a class please call the Office of Professional Standards & Training at 678-839-5280.

Alcohol

The University Police Department has adopted a policy of Zero Tolerance toward persons who violate the alcohol laws. These violations include but are not limited to underage drinking, driving under the influence, and furnishing alcohol to minors, open container and public drunkenness. This policy is based on our experience with students who have abused alcohol in the past. There is a direct relationship between alcohol abuse and instances of sexual assault, fighting and vandalism. Alcohol abuse harms not only the person drinking, but also those around him or her. The University Police arrests all persons found in violation of these laws unless the immediate circumstances dictate otherwise. Exceptions would include if the person has been a victim of sexual assault, or has a medical condition that requires immediate attention. These persons may be cited at a later date. An Arrest may be by citation or actually lodging in the Carroll County Jail if their blood alcohol exceeds .10. All campus alcohol cases are processed through the City Court in Carrollton and referred to Student Services for violation of the Student Conduct Code. (See the University's policy on Alcohol and Drug use in the UWG Connection and Student Handbook – Appendix A.) In recent years the City Court judges have levied hefty fines and many hours of community service on those convicted of alcohol violations, especially driving under the influence (DUI) and underage consumption. Repeat offenses have resulted in students being ordered to serve time in the County jail. The judges have made it clear that the time to be served will be when ordered and not when convenient for the student. Students have missed midterms, finals and spring break due to being lodged in jail for multiple violations of the alcohol laws. Students who miss exams due to being in jail for repeated drinking violations have also found the faculty less than sympathetic in providing an opportunity for a make-up exam. The Patient Advocates at Health Services (678-839-6452) and the counselors at Counseling & Career Development (678-839-6428) are available to assist you with alcohol issues Monday through Friday from 8:00 am to 5:00 pm. They are also on call 24 hours a day through the University Police Dispatch Center (678-839-6000). Their services are available to enrolled students free of charge and are strictly confidential. If someone has overdosed on alcohol, do not assume that the person will "sleep it off". If the person's breathing has become shallow and pulse difficult to find, seek medical attention immediately by calling University Police at 678-839-6000 (9-6000 on campus). The University Police Department offers information and classes on alcohol abuse prevention. If you would like to schedule a class please call the Office of Professional Standards & Training at 678-839-5280.

Weapons

Policy

The University of West Georgia prohibits the possession of any weapon on the campus except as noted below. The Campus is defined by the law to include the campus proper as well as property leased by or loaned to the University for University functions. This includes, but is not limited to, off-campus sites used by Athletics for sporting events or vehicles used by the University to provide transportation for students and staff. OCGA 16-11-127.1(b). This prohibition extends to all faculty, staff, students, and visitors.

Definitions

Under the law the following items are considered weapons and therefore may not be possessed on campus. Weapon means and includes any pistol, revolver, or any weapon designed or intended to propel a missile of any kind, or any dirk, bowie knife, switchblade knife, ballistic knife, any other knife having a blade of two or more inches, straight-edge razor, razor blade, spring stick, metal knucks, blackjack, any bat, club, or other bludgeon-type weapon, or any flailing instrument consisting of two or more rigid parts connected in such a manner as to allow them to swing freely, which may be known as a nun chahka, nun chuck, nunchaku, shuriken, or fighting chain, or any disc, of whatever configuration, having at least two points or pointed blades which is designed to be thrown or propelled and which may be known as a throwing star or oriental dart, or any weapon of like kind, and any stun gun or Taser as defined in subsection (a) of Code Section 16-11-106. Weapon does not include baseball bats, hockey sticks, or other sports equipment possessed by competitors for legitimate athletic purposes; and this policy does not apply to certain persons acting within their official capacity, i.e., law enforcement officers, prosecuting attorneys, etc. For a complete list, please refer to OCGA § 16-11-127.1(c).

Exceptions

The following exceptions are the only exceptions to this policy:

- 1.** Weapons which are used in classroom instruction. Weapons used in classroom instruction by faculty, staff, or students must be approved in writing by the UWG Chief of Police prior to the weapon being brought onto campus. In addition, students must secure approval by the instructor prior to requesting permission from the UWG Chief of Police. Permission requests to the Chief of Police must include academic justification and security considerations. Those bringing weapons must comply with the stipulations established by the Chief for security and safety purposes, and failure to do so may be considered a violation of this policy. Weapons brought on campus for classroom instruction will not include live ammunition although deactivated rounds are allowed for demonstration purposes only.
- 2.** Any person (including students) who holds a valid weapons carry license obtained in accordance with OCGA § 16-11-129 or pursuant to OCGA § 43-38-10 may keep a weapon within a vehicle in transit or parked within the campus property. Please be aware that a permit to carry belongs to an individual and does not automatically extend to persons authorized to operate a vehicle. If the license holder is not present with the vehicle to be

used on campus, make arrangements to remove any weapon from the vehicle prior to entering the campus, or to secure the weapon in a locked compartment, container, or firearm rack, before operating the vehicle on campus.

3. A weapon may be kept in a motor vehicle used by an adult over the age of 21, for the purpose of dropping a student off to, or picking up from, a campus location, a University sponsored function, or a University form of transportation, provided the weapon is under the license holder's possession and control, or otherwise in a locked compartment, container, or firearm rack of the vehicle. This exception could also apply to non-University activities conducted on the campus if the activity has been authorized by a duly authorized official at the University. This exception is intended to allow the presence of weapons in a motor vehicle which is on campus for a short duration and for a specific purpose (i.e., dropping off or picking up a student), and therefore this exception DOES NOT apply to any student of the University; a student must be over the age of 21, must possess a valid weapons carry license and may only keep a weapon inside a parked vehicle on campus or while transiting through campus in a motor vehicle.

Violations

All persons found in possession of a weapon as defined by state law in OCGA § 16-11-127.1 that does not fall within one of the stated exceptions are subject to arrest. Violations of the law by any person with a valid weapons carry license subjects the violator to a misdemeanor. Violations of the law by any person without a valid weapons carry license subjects the violator to a felony. Please refer to OCGA § 16-11-127.1. Students found in possession of any weapon other than one specifically listed as an exception will also be referred to Student Judicial Affairs for disciplinary action, up to and including expulsion. Staff and faculty will also be subject to discipline, up to and including termination.

Collecting Statistics: Campus Security Authorities and Law

Campus Safety Authorities

Federal law requires persons with "significant responsibility for student and campus activities", "report to the campus security authority anytime a student reports that the student was a victim of a crime. Specifically, this would include persons whose job requirements include student housing, student discipline, and campus judicial proceedings". According to the Department of Education, this definition would include but not be limited to employees in Residence Life, Student Services, Student Activities, Athletics, as well as academic department heads, deans, vice presidents, and the President (see Campus Safety Authorities).

The Daily Crime Log: Recording Crimes Reported to the Police

The purpose of the daily crime log is to record criminal incidents reported to the University Police.

The University Police Department publishes a Daily Crime Log in hard copy as well as a web version. The hard copy log is located in the Parking Services Office (Row Hall East) and is available during normal business hours. The web version can be accessed by clicking the Daily Crime Log icon on the main page of the University Police web page www.westga.edu/police

The log is published Monday through Friday except when the University is closed. When the University is reopened, the log is updated to include what occurred when closed. It includes the "nature, date, time, and general location of each crime" as well as its disposition if known. Changes in the disposition status of incidents noted on the crime log are updated as far back as 60 days. This is usually done when an arrest is made on an incident that previously was considered an "open case". The log is generated by reviewing criminal incidents that occurred since the previous version of the log was published. It includes crimes that occur on campus, as well as off campus incidents responded to by UPD officers. For that reason it differs from the Annual Security Report where an incident's geography determines whether or not it is included.

Emergency Notifications and Timely Warnings

In the event that a situation arises on or off campus that, in the judgment of the Chief of Police constitutes an imminent threat that requires immediate action, a campus wide emergency notification will be issued. The notification will be issued through the University's emergency broadcast system to all students, faculty and staff.

In the event of a criminal incident that threatens the safety of the campus community, a timely warning will be issued. The incident could be an immediate threat such as an armed robbery that has just occurred and the perpetrator is still on campus. However, a timely warning could also be issued if information is received that could prevent someone from becoming a victim. An example is if there have been several rapes in a specific section of the city, a warning will be given to so a student can make an informed decision about going into that area. All warnings are sent to the Student Government Association, The West Georgian newspaper, University Television, Wolf Radio, and the head of the USG Clery coordinators committee.

The Chief of Police or his designee is responsible for initiating emergency notifications and timely warnings. The University of West Georgia disseminates information in several ways to the students, faculty and staff. These include:

Campus Warning Sirens: There are two sirens located on campus. One is on the east side of campus and the other on the west. The sirens have public address capability so in the event of an emergency, once the siren has sounded, a recorded message stating what the condition is will be broadcast. The PA system can also be activated independent of the siren if necessary.

Electronic Emergency Notification: The University has contracted with a vendor to supply emergency information to faculty, staff and students by phone, text or e-mail. The system is called Wolf Alert and all members of the campus community are encouraged to register for this free service. To register for the Wolf Alert, log into My UWG. In the center of the page is a box for University Police. Within that box is an icon for Wolf Alert. Click on the icon and begin your registration. Once in the system you can register as many phone numbers and e-mails addresses as you wish including parents and guardians. You can also determine if you wish to receive the warnings via voice and/or text messages. Note: The University's email system is the primary vehicle used by Wolf Alert to communicate due to the limited number of characters accepted by most text messaging systems. These messages are sent only to official University of West Georgia e-mail addresses so it is important that students, faculty and staff check their UWG account often, even if they rely on other e-mail providers in the community, the electronic emergency notification system, public address system and campus e-mail will be utilized.

Other Means of Communication: Depending on the need, the University may utilize other means of communication to provide the community with information necessary to keep the campus safe. These methods could include the use of University Television, Wolf Internet Radio, The West Georgian (student newspaper) and handbills.

How to Report a Crime

Overview

One of the most important actions a person can take to prevent future crime is to report crimes when they occur. When a person completes a criminal act and is not caught, they will likely attempt to commit future crimes. Even if you do not wish to pursue the case, the University Police Department needs to know about the incident so that corrective action can be taken if possible. The University encourages all faculty, staff, and students to report to the University Police Department anytime they are a victim of a crime or see a crime being committed.

The Report Process

Carrollton Campus-

When you are a victim or witness to a crime, call the University Police Department at **678-839-6000**. The UPD is an accredited police department that operates 24hrs a day, 7 days a week year round. The UPD communications center will dispatch an officer to your location or give you instructions on how to proceed. Once the report is completed, the incident may be assigned to an investigator depending on the nature of the crime. Investigators work closely with victims in an attempt to solve the case and locate the responsible suspect(s). If successful, the investigator will prosecute the case in either state court (misdemeanor) or superior court (felony). In addition to prosecuting the case in the courts, the victim has the right to have the case referred to the University discipline system. This may be concurrent or in lieu of criminal prosecution. An investigator or officer with UPD will assist the victim of crime by answering questions they may have about the process.

Newnan Campus- The Newnan Campus hours of operation vary with the schedule of classes that are held there each semester. Generally, the Newnan campus opens at 8am and closes after the last class of the evening. This can sometimes be as late as 11pm. The University Police Department has a sworn officer present at the Newnan campus for a portion of each day classes are going on. Generally, the officer will work from the afternoon until the close of the building. To report a crime occurring on the Newnan campus you may follow the same process as outlined above by calling **678-839-6000**. The communications center has radio contact with UPD officers while they are present at the Newnan campus. In the event the crime being reported occurs at a time when UPD officers are not present, the communications center may give the victim further instructions and/or put them in contact with the Newnan Police Department. UPD and the Newnan Police have a memo of understanding as it pertains to law enforcement presence at the Newnan campus. Students may also ask the Newnan campus faculty or staff for assistance in contacting UPD to report crimes.

Anonymous Reporting of Crime

Crimes may be reported anonymously to the University Police if a victim so chooses. Without a victim, prosecution is not possible under the law. However, the information is still valuable to the police and the community. The information will be included in the annual security report, utilized by crime prevention personnel to see if changes to the campus would prevent similar crimes in the future, and investigators working on other criminal cases.

Anonymous reports can be filed in several ways:

- Come to the University Police and report the crime to an officer. Ask the officer to file the report as being reported anonymously.
- Report the crime on uwgpolicyconfidential@westga.edu
- Go to the UWG Police Web Site <http://www.westga.edu/police/1115.php> and print off the Anonymous Crime Report Form, fill it out and mail to the UWG Police Department. The address is on the web site.
- Contact a University official and ask that he or she report the crime for you. The official can utilize the Anonymous Crime Report Form available listed above and mail it to the University Police Department.

How We Collect and Publish Our Crime Statistics

The University of West Georgia Police Department prepares the annual security report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at www.westga.edu/police. You will also be able to connect to our website via the UWG Home page at www.westga.edu.

The report contains 3 years' worth of campus crime statistics and various security policy statements. The crime statistics are divided to show which crimes occurred on the campus, unobstructed public areas immediately adjacent to or running through the campus, residence halls and certain non-campus facilities including Greek housing and remote classrooms.

Specifically, the following major crimes are required by the Clery Act to be reported:

- Murder
- Negligent Manslaughter
- Non-negligent Manslaughter
- Arson
- Forcible Sex Offenses
- Non-forcible Sex Offenses
- Burglary
- Robbery
- Aggravated Assault
- Motor Vehicle Theft

Other Crimes that are to be reported if they result in arrest or disciplinary referral:

- Illegal Weapons Possession
- Liquor Law Violations
- Drug Law Violations

Campus crime, arrest and referral statistics are compiled based on reports generated by, or forwarded to UWG Police. Those entities that may forward reports to UPD are directors, deans, department

heads, designated HRL staff, judicial affairs, advisors to students/student organizations, athletic coaches, and local law enforcement agencies.

Health Services as well as Counseling Services may assist victims of crime in reporting to UPD on a voluntary and confidential basis.

Each year, an e-mail notification is made to all enrolled students, faculty and staff that provides the web site to access this report. Copies of the report may also be obtained at the University Police Department located at Row Hall – East Wing or by calling 678-839-6252.

All prospective employees may obtain a pamphlet outlining where to access Clery information from Human Resources in Aycock Hall / Ground Floor. Prospective students may obtain a pamphlet outlining where to access Clery information at the Admissions Office located in Mandeville Hall or the Visitors' Center located in Bonner House. A copy of the report is also available by calling 678-839-6252 during business hours.

As of the 2015 Annual Report, another section on crimes that are to be reported is now required. The Violence Against Women Act (VAWA) amendments to the Clery Act expand the rights afforded to campus survivors of sexual assault, domestic violence, dating violence, and stalking. Those statistics are included in the VAWA section immediately following the statistical data for the primary Clery crimes.

Information for Victims of Sexual Assault

The following information is provided so that all members of the University Community will have a better understanding of the policies and procedures the University follows when responding to victims of sexual assault as well as the resources available to those victims. Though the number of stranger to stranger sexual assaults are very low on campus, we experience a number of acquaintance rapes each year. Based on survey data, we also believe there are many assaults that go unreported and the victim chooses to deal with the aftermath by ignoring or suppressing the incident. The University encourages all victims of sexual assault to utilize the resources available to them. We also encourage everyone in the campus community to become involved in stopping sexual assault at UWG.

- If you see someone who is about to become a victim, intervene to help that person or call someone who can.
- If you're in an organization, create an atmosphere that is intolerant of sexual assault.
- If you become aware of a person who is a victim of sexual assault, be supportive and encourage that person to seek assistance from campus or off-campus resources.
- If we work together to end sexual assault, we can truly make our University "the best place to work, learn, and succeed!"

Rights of Victims of Sexual Assaults

It is the policy and practice of the University of West Georgia to provide an environment that is sensitive and responsive to the needs of victims of sexual assaults. In accordance with this position,

the university has established a policy for students, employees, and others who may become victims of such assaults on its campuses. Victims are entitled to the following rights:

- To have sexual assaults treated with seriousness.
- To be treated with dignity.
- To have sexual assaults investigated and adjudicated by appropriate criminal, civil and or University authorities.
- To receive the full and prompt cooperation and assistance of University personnel in notifying the proper authorities.
- To be free from any kind of pressure by University personnel in choosing not to report a crime, or to report a crime as lesser offenses than the victims perceive.
- To have legal assistance, or to have others present, in any campus disciplinary proceedings in the same manner that the institution permits to the accused and to be notified of the outcome of such proceedings.
- To receive the full and prompt cooperation of campus personnel in obtaining, securing, and maintaining evidence as may be necessary to the proof of criminal sexual assaults in legal proceedings.
- To be made aware of, and assisted in exercising options regarding mandatory testing of sexual assault suspects for communicable diseases and to be notified of the results of such testing.
- To receive counseling from mental health services established by the University or from other victim-service agencies.
- To be protected by campus personnel (to the extent reasonably feasible) from unnecessary or unwanted contact with alleged assailants.
- Campus organizations that assist victims of sexual assaults shall be granted the privileges afforded all organizations registered on campus.

Victims of sexual assault may contact the following offices for assistance:

- On-Campus Assaults – University of West Georgia Police 678-839-6000 (24/7/365)
- Within the City of Carrollton (Carrollton PD) or Outside the City of Carrollton (Carroll County Sheriff – 911)
- Health Services - 678-839-6452 (Call University Police if Health Services is closed and the Dispatcher will contact the on-call health provider)
- Counseling Services - 678-839-6428 (Call University Police if Counseling Services is closed and the Dispatcher will contact the on-call counselor)
- Carroll Rape Crisis Center 770-834-7273
- Title IX Coordinator – Willie Black 678-839-5344 (Business hours only)

[Educational Programs](#)

Incidents of sexual assault at West Georgia are rare. However, they do occur and it is important for all members of the community to be aware of the potential for these crimes and to take proper measures to prevent becoming a victim. The University Police (678-839-5280), Health Services (678-

839-4164) as well as the Carroll Rape Crisis Center (770-834-7273) offers programs upon request on how to avoid becoming a victim, what to do if you become a victim and other issues related to sexual assault.

The University Police also offer self-defense classes using the RAD system of self-defense. RAD stands for Rape Aggression Defense and is a national program developed by college women for college women. We encourage any student, employee or community group interested in learning more about this subject to enroll in the class. The course is free and additional information can be found at <http://www.westga.edu/police/78.php>. You may also contact the program's coordinator, Sgt. Mike Keener at 378-839-4976 or at jkeener@westga.edu.

If You Become a Victim

We hope that this never happens to you, but if it does be aware that the University is here to help you. If you become a victim there are some things you need to know:

Regardless of the circumstances surrounding the assault, remember that you are a victim and should not avoid seeking help out of embarrassment, peer pressure or if you have been drinking underage or using illegal substances. If you are a victim and have been consuming drugs or alcohol, intentionally or unintentionally – you will not be prosecuted by University Police. The University is here to help you and will assist in whatever manner possible. Specifically, the following Departments form a team that is trained to assist victims of sexual assault. The following list names those departments and what services they provide:

The University Police, located in Row Hall East (678-839-6000 – 24/7/365) will come to you and take you to a safe place. The police officers will notify Health Services where you will be treated by medical staff who have been specifically trained to deal with the needs of assault victims. (See below for more information on the S.A.N.E.s employed at Health Services.) Once your medical needs have been addressed, an investigator with the University Police will interview you and begin an investigation into the crime. If there is sufficient evidence, the case will be taken through the courts and that investigator will be with you through the whole process. Here are some extra things you need to know:

- You are in charge of the investigation. You can delay speaking with the officer or choose not to speak with the police at all. We want what is best for you.
- You do not have to decide right away if you want to prosecute or not. Under Georgia law you have up to two years to make that decision. You also have the right to change your mind as to whether or not you wish to prosecute. It is important that an exam and rape kit be completed so if you do decide to prosecute later, the evidence is available for use in court.
- You have the right to pursue disciplinary action against your assailant under the UWG Student Conduct Code which can be found at <http://www.westga.edu/handbook/>. This action can be taken in addition to or in lieu of criminal prosecution.
- We will support you in whatever decision you wish to make. We will not bully you in either direction.
- We do strongly encourage you to seek treatment at Health Services. Their services are free of charge, confidential, and are provided on campus, rather than in a crowded emergency room

at the local hospital. Health Services will provide the exam and treatment, even if the assault occurred off campus.

- Health Services will also perform a rape kit which collects the evidence needed to prosecute a case if you choose to do so. The kit is given to the University Police who will secured it in the evidence room for up to two years. The kit will be transferred to the district attorney as part of the case if you choose to prosecute. This applies to both on-campus and off-campus assaults.
- The University Police will assist you in obtaining a protective order to keep your assailant away from you. We will serve the order and enforce it to the fullest extent of the law.

Health Services, located on Parker Drive across from Row Hall (678-839-6452) will assist with medical treatment and follow up as needed. By having a medical exam, the campus physician or nurse can check for internal injuries and exposure to disease and begin treatment immediately. Health Services has four staff trained as Sexual Assault Nurse Examiners (S.A.N.E.) who can address the needs of victims in a caring, compassionate manner. In addition to the medical exam, the S.A.N.E. can collect the evidence needed for prosecution. If you are a victim, you can access services in the following manner:

- If a victim wishes to be seen during normal business hours (<http://www.westga.edu/health/>) enter Health Services and advise the receptionist of why you are there in a manner that is most comfortable for you. You may also ask to speak directly with a Patient Advocate who will speak with you in the Advocate's office.
- If the assault occurs after normal business hours, call the University Police (678-839-6000) who will contact the on-call S.A.N.E. The S.A.N.E.'s are available if the assault occurs on or off campus.
- Along with the S.A.N.E, a Patient Advocate (PA) will come in to assist. The patient advocate is a trained counselor who can address the immediate, emotional needs of a victim. The patient advocate can also assist with:
 - Notifying the victim's professors in case he or she may need to miss class. The professor is not told why but the faculty are aware if a PA contacts them, the request to miss class is legitimate.
 - The PA can work with the faculty and Registrar if a class change is needed due to the assailant being in the same class with the victim.
 - The PA will coordinate with Housing if a residence hall room change is needed.
 - All services are provided free of charge and kept confidential.

The Counseling Center (678-839-6428) provides long term counseling services to victims of sexual assault. This applies to assaults that occur while attending the University as well as those that happened prior to coming to West Georgia. Their services are also free of charge to students and all information is considered confidential.

Housing and Residence Life located in East Commons (678-839-6426) will coordinate with the patient advocate to deal with issues involving housing. If a room change is needed by a victim, the Housing Office will take all reasonable steps to move the victim to a location where the victim can feel safe, and avoid contact with the assailant as much as possible.

A Word on Confidentiality

Professional mental health providers such as the University of West Georgia Counseling Center and Health Services are exempt from mandatory reporting obligations. The University Police, as a public law enforcement agency will acknowledge that an assault has been reported. However, Georgia law provides that the Department will not publish the name or address of a victim of sexual assault.

How to Report a Sexual Assault

If you do become a victim of a sexual assault, you should do the following:

- Get to a safe place and then phone the police. If you are on campus, call 678-839-6000. If you are off campus, call 911.
- Tell the dispatcher that you have been sexually assaulted and answer the questions the dispatcher asks you. Some of the questions may not seem important, but your answers will assist the police in serving you better. If the perpetrator may still be in the area, let the dispatcher know.
- Wait for the police to arrive. Do not change clothes, wash or in any way alter your state as this may destroy evidence. For the same reason, do not alter the site of the assault if that is where you are calling from. Do not eat, drink or take any medications until the police have arrived.
- Once the police have arrived, the officers will guide you as to what will happen next. You will be interviewed about the incident and then, if you agree, you will be transported to the Health Services or the hospital for an examination.

What Will Follow Next

If a suspect is identified and sufficient evidence exists, the police will obtain an arrest warrant from a judge. Some jurisdictions will require you to sign the warrant in the presence of a judge. In other jurisdictions, the police will sign the warrant on behalf of the victim. On campus, it is the policy of the University Police to sign the warrant unless the victim desires to do so.

Note: The University Police will take no criminal action without the approval of the victim unless there are extraordinary circumstances which mandate action be taken.

Once the warrant is served, the accused will be arrested and placed in jail. A magistrate will determine if the subject is to be granted bail based on various factors. These include the level of violence associated with the crime, the probability of the person appearing for trial, and the background of the

accused. If bail is granted, restrictions can be placed on the person, such as not making contact with the victim, not drinking alcoholic beverages, and being home before a certain hour.

If the accused pleads not guilty, the District Attorney will review the case prepared by the police. If the DA accepts the case, it will be presented to the Grand Jury of Carroll County for indictment. An indictment is a finding by the grand jury that sufficient evidence exists to send the case forward for a full trial. If the Grand Jury issues an indictment the case is forwarded to the Superior Court of Carroll County for trial. During the trial the District Attorney will prosecute the case on behalf of the victim. The accused will be represented by an attorney and has the right to challenge evidence and cross-examine witnesses including the victim.

In Georgia, state law prohibits the publishing of the name or photograph of a rape victim. This includes publication in the local media as well as University publications.

In addition to, or in lieu of criminal prosecution, the case can/will be adjudicated through the Office of Student Conduct - <http://www.westga.edu/studentconduct/>. To speak with the Conduct Specialist, call 678-839-4733.

Preventing Stranger-to-Stranger Assault

At night- walk along the lighted main roads. Avoid taking shortcuts through wooded areas.

Sign up for Wolf Guardian. From your app store, download the Rave Guardian app. Type in your University e-mail address and fill out your profile. Once initially registered, you can go to Smart911.com and fill out rest of profile. The more information you place in your profile, the better we can assist you in an emergency. This is a free service of the UWG Police Department.

Ride the shuttle bus - it operates Sunday through Friday and the full schedule can be found at <http://www.westga.edu/parking/943.php>.

When possible, walk with a friend or a group. Walking in pairs or groups significantly reduces the chances of becoming a victim of crime. Match your schedules with others so that if you need to go to the library, Campus Center, or East Commons Dining, especially after dark, you have others to go with. Do the same on the walk back to your residence hall.

If you come in late, call the University Police Dispatch Center at 678-839-6000 and request an officer meet you at your car and escort you to your residence hall.

Never let anyone into the residence hall that you don't know. If the person doesn't have an access card, they need to use the phone by the reader door to notify the person he/she wants to visit to meet and provide them with access.

Report unescorted males in the women's halls to the RA staff or University Police.

Report all suspicious persons to the University Police immediately.

Don't allow anyone in your room that you don't know. If someone is soliciting in your hall, contact the University Police immediately.

DO NOT prop open the exterior doors to yours or anyone else's residence halls. Always keep the door to your room locked, even when you're going to be gone for only a short time. When you're sleeping, make sure the door is always locked.

Preventing Sexual Assault by an Acquaintance

When attending a party or in any circumstance where alcohol is being served, drink responsibly. National statistics show that the vast majority of women when sexual assaulted by a person she knows, both the victim and assailant had consumed sufficient alcohol to be considered drunk. If you remain sober, you are better prepared to perceive when a situation is getting dangerous and you're physically capable of getting away.

If you attend a social event and plan to consume a great deal of alcohol, go with a friend who can watch over you. Just like the "designated driver", a designated "guardian angel" may prevent you from suffering the trauma associated with being a victim of sexual assault. This approach works well with groups as well as individuals.

When going out with someone, establish the ground rules early. If the person you're with appears to want to have sexual relations and you don't, tell the person in very clear terms that you are not interested. Do not send mixed signals, which can be misinterpreted. If he continues to press the issue, ask someone else to take you home or call for a cab. Better to offend someone than be assaulted.

If you feel uncomfortable with a person, follow your senses. Regardless of all the good qualities the person may appear to have, listen to your "sixth sense" before you agree to go out with him.

When you go out, be prepared in case something goes wrong. Carry a cell phone in case you need to call someone to pick you up or contact the police. Preprogram the University Police number into your phone. (University Police – 678-839-6000 - available 24/7/365)

When you go out with someone new, let a friend know who that person is and where you are going to go. Give a physical description of the person and his vehicle if the friend doesn't know him.

If you decide to go on a date with someone you don't know very well, or take a trip but you don't want anyone to know, e-mail the University Police at uwgpoliceconfidential@westga.edu. Leave a message telling us when you are leaving and returning, where you are going, who you are going with, the person's description, where you met, the type of car he drives and a license number if possible. Give us a password so we can verify that you are the one sending the return e-mail. If something happens, we have a place to start looking for you. When you return, e-mail us back from the same computer, give us your password, and tell us that you are OK and we'll delete the E-mail. We will not share this information with anyone.

Missing Students

University of West Georgia

Missing Residential Student Notification Policy and Procedures

The following procedures have been developed to provide required notifications within twenty-four (24) hours after the time a campus resident student is deemed to be missing. This plan is a good faith effort to comply with the August 14, 2008 Higher Education Opportunity Act, Section 485 (j) until specific guidelines or requirements are published by the U.S. Department of Education.

Registration Procedure

- 1) Residential students will be informed each academic year that each student, age 18 or above, has the option to identify a person designated as a confidential contact to be notified by the University not later than twenty-four (24) hours after the time the student is determined to be missing. The confidential contact may be a person designated by the student in addition the emergency contact listed with the University of West Georgia Registrar. Students who are under age eighteen (18) and are not emancipated will be informed each academic year that the institution is required to notify the custodial parent no later than twenty-four (24) hours after the time the student is determined to be missing.
- 2) A form will be provided to each student by the Office of Housing and Residence Life at the beginning of Fall Semester. The form will be completed and return to the resident's Resident Adviser (RA). The RA will make a good faith effort to ensure that all residents have the opportunity to complete the form. Once the forms have been completed, they will be turned over to the Office of Housing and Residence Life where they will be placed in alphabetical order by residence hall. The forms will then be given to the Communications Center at the University of West Georgia Police Department.

Students moving into the halls in Spring Semester will be provided a form by his/her RA. The same procedures will be followed in the processing of the form as used during Fall semester.

3) Each student who files a confidential contact registration form is solely responsible for the accuracy of the contact phone number. Any update of information should the confidential contact person and/or number change. A student may update information by filing a new form with the Office of the Housing and Residence Life.

Missing Person Procedures

A student is determined to be missing when a report is made to the University of West Georgia Police Department and its personnel determine the report to be credible. Credibility may be established if any of the following circumstances are verified:

- a) No one has been able to contact the student in the last 24 hours even though reasonable efforts have been made by phone, email, and in-person attempts to do so.
- b) Evidence indicates a criminal act may have taken place. (If this occurs, the 24 hour waiting period will be discarded)
- c) Based on a reliable source, information exists that the student is in danger due to physical issues, mental illness, or consumption of drugs or alcohol. (If this occurs, the 24 hour waiting period will be discarded);
- d) Information exists that the person may be suicidal. (If this occurs, the 24 hour waiting period will be discarded);

Investigative Follow-up

- 1) To report a student missing, a complainant should call the University of West Georgia Police Department at 678-839-6000 and inform the dispatcher that you wish to file a missing person report.
- 2) An initial incident report will be taken by a University Police Officer. Included in the report will be the following information:
 - a) Name and physical description of the missing person
 - b) Does the missing person own a car or have access to one
 - c) Physical and mental condition of the missing person
 - d) Any situations or events that may have contributed to the disappearance

- e) The last time the student was seen and whom he/she was seen with. Included with this information is any statements made by the missing person as to his/her future plans.
- f) Campus residence and any phone number he/she could be reached at.
- g) List of family and friends that may be aware of the location of the student.
- h) Contact information of the person reporting the missing student.

- 3) The responding officer and other shift personnel will conduct a search of the campus for the student and his/her vehicle. If the student cannot be found, the on-call investigator will be notified as will the Chief of Police or his designee.
- 4) The investigator will begin an inquiry into the whereabouts of the student. The investigator will notify local law enforcement agencies and place the student's name and information on the Georgia Crime Information System.
- 5) The Chief of Police will notify the President and Vice Presidents for Student Services and Business and Finance as well as the Director of Housing and Residence Life.
- 6) Unless circumstances dictate differently, the person listed by the student to be contacted after 24 hours will be notified. The person may be contacted prior to the 24 hours if warranted by the information developed by the investigator.

Dates and times of Notifications

The President, Vice President of Student Services and Director of Housing and Residence Life will be informed by the University Police Department after initial attempt to contact the student does not successfully establish contact or lead to information that results in actual contact being made with the student. Each will be updated by University Police as the investigation of the incident progresses. If necessary, University Marketing and Communications will be requested to assist with contacting the media for assistance.

The emergency contact listed by the student as well as any confidential contact listed under Banner will be notified as part of the investigation in attempting to establish contact with the student reported missing. In the case of a student under the age of eighteen (18) and not emancipated, the contact will be with the custodial parent. The contact will be initiated by the University of West Georgia Police Department.

Fire Safety Disclosures

Fire Safety Information

The University of West Georgia provides housing to approximately 3300 students in 13 residence halls and 18 fraternity and sorority house.

Fire Protection Systems and Equipment

All residential facilities meet minimum fire protection codes in effect when they were constructed or renovated. The University has upgraded all halls to include a centrally monitored fire/smoke detection system. Each room is equipped with a smoke detector as are all hallways, community areas and mechanical rooms. The system initiates if smoke is detected or if a smoke detector is tampered with. All halls and houses also have pull stations and fire extinguishers throughout.

The system is monitored by the University Police at its Dispatch Center. The center is staffed 24/7/365 and has direct contact with Carroll County 911 who are responsible for dispatching the Carrollton Fire Department which serves the UWG campus.

The following buildings, in addition to the smoke detection system, ***are also equipped with a sprinkler system throughout the building.***

University Suites – 3 buildings
Center Point
All Houses in Greek Village

Arbor View Apartments – 3 buildings
The Oaks / Bowdon Hall

The following residence halls are equipped with the ***smoke detection system but not sprinkled.***

Strozier Hall Strozier Annex Tyus Hall Gunn Hall

The ***fire extinguishers*** are inspected by Housing staff as part of their routine building checks. The extinguishers are also inspected by an outside firm in compliance with the fire code.

All ***fire exits*** are marked and lighted. Residents should familiarize themselves with not only the closest exit, but all exits in the building. This is important in case the closest exit to the resident's room is blocked and another exit route is needed. Once a resident becomes aware of a fire in the building, he/she should close and lock their room door and exit the building immediately. Do not stop and try to collect up valuable items. In the event of a rapidly moving fire, seconds count. ***Possessions and papers can be replaced – your life cannot.***

Fire Drills

A fire drill is conducted at each residence hall during the Fall and Spring Semester. It is noted in the Housing & Residence Policy that leaving the residence hall when the fire alarm is sounded is mandatory. Failure to do so will result in disciplinary action.

Prohibited Appliances

A list of approved and prohibited items for residence halls:

Approved Items

- Non-halogen light bulb
- George Forman grills
- Automatic coffee makers
- Hot air popcorn poppers
- Magic Bullets and blenders
- Any small closed coil appliance

Prohibited Items

- Personal microwave & refrigerator *Tyus Hall residents may have one of each per room
- Any appliance with an exposed heating element, toaster, toaster oven, hot plate
- Space heaters
- Candles, incense, fireworks, potpourri, gasoline, charcoal, lighter fluid or anything that needs a flame/spark to ignite
- Halogen lamps
- Sun lamps
- Ceiling fans
- Power tools

Any item found in a room that is on this list of prohibited items will be confiscated by hall staff and the resident referred to the Residence Life Conduct Coordinator for discipline.

Smoking

Per Board of Regents policy, the entire University of West Georgia campus is a tobacco free zone. Smoking anywhere on campus is prohibited and anyone found in violation is subject to disciplinary action.

Reporting a Fire

The University Police (678-839-6000) respond to all fire calls on campus. Anytime there is a fire in a residence hall, the University Police should be called so that a report can be made. This report is used to:

- Initiate repairs,
- Can be used by residents for insurance purposes,
- Used by Housing, Risk Management and University Police to determine how such fires can be prevented in the future.

If the fire is currently burning, call the University Police after you have evacuated the building. If you are trapped, contact UP and advised them your location and that you cannot get out due to smoke and or flames. They will direct fire personnel to rescue you.

If the fire is small and has been put out, you should call the University Police and make the report. You can also call the Housing Office (678-839-6426) or Risk management at 678-8396277. Within the hall, a fire can be reported to your resident assistant, resident director or the area coordinator. In Greek Village, in addition to the RA's, the Manager for Greek Housing can be contacted as well as the Residence Life Coordinator.

The Fire Log

The University Police post a running fire log on their web site. The log will show all of the fires in residence halls that have been reported for the current calendar year. The log notes the following information:

- Location where the fire occurred
- Date and time the fire occurred
- Reason for the fire
- Injuries or deaths caused by the fire
- Cost to repair the damage caused by the fire
- Case number assigned to the fire

The fire log for the last three years are posted on the web site.

Fire Prevention Education

Fire prevention education programs for the resident halls and Greek Village can be provided by both the University Police (678-839-5280) and the Office of Risk Management (678-839-

6277). The staff of the two offices can provide training on a range of topics and will work with individuals to craft a program that fits the needs of the individual hall.

Future Fire Prevention and Detection Improvements

There are no immediate plans to provide more on-campus housing or to renovate the four remaining, non-sprinkled halls. If and when new housing is built or existing buildings are renovated, the facility will be constructed to comply with or exceed the current fire code.
