

Economic Courses

Required Courses

Upper Division

ECON 3410 Macroeconomic Policy

Prerequisite: ECON 2105 & 2106, MATH 1111 or 1113

Intermediate analysis of macroeconomics problems such as inflation, unemployment, and economic growth and effectiveness of monetary and fiscal policy in combating these problems. International implications of policy also emphasized.

ECON 3411 Intermediate Macroeconomics

Prerequisite: ECON 2105 & 2106, MATH 1111 or 1113

The course develops models of the economic behavior of consumers, firms, and governments. The topics include: supply and demand, competitive equilibrium and the role of prices in resource allocation, non-competitive market structures, game theory and strategy, externalities, public goods and public policy

ECON 4410 Money and Banking

An Introductory study of the types and functions of money and financial intermediaries, money creation and control, monetary and fiscal policy, international finance, and the effects of these upon domestic incomes, employment, prices, and interest rates.

ECON 4450 International Economics

Prerequisite: Econ 2105 & 2106

This course covers the history, institutions, policy and theory of international economic relations.

ECON 4484 Seminar in Economics

The course is the capstone course for all economic majors. The course will change topics and focus. The course will include an evaluation of the students understanding of economic principles.

Omicron Delta Epsilon is one of the world's largest academic honor societies. The objectives of Omicron Delta Epsilon are recognition of scholastic attainment and the honoring of outstanding achievements in Economics; the establishment of closer ties between students and faculty in Economics within colleges and universities, and among colleges and universities; the publication of its official journal, The American Economist, and sponsoring of panels at professional meetings as well as the Irving Fisher and Frank W. Taussig competitions. The West Georgia Chapter of Omicron was founded in 1977. **Undergraduate Admission Requirements to the West Georgia Chapter of Omicron Delta Epsilon:**

Undergraduates:

- completion of 12 semester hours of Economics courses; and
- attainment of at least a "B" average in Economics courses and an overall "B" average in all classes and be in the upper 1/3 of their classes.
- Students must be a minor or major in Economic.

International Studies program Opportunities to study abroad in the spring and summer semesters are available through the Management Dept. and the Marketing Dept. For more information about these study abroad opportunities, see the study abroad webpage: <https://www.westga.edu/academics/business/study-abroad.php>

Certificates

SAS® Certification: Economics and other majors have the opportunity to earn SAS® Certification by completing a variety of assignments and/ or projects. Contact Dr. William "Joey" Smith in the Economics Department for details.

DATA Analytics Certificate: The Undergraduate Data Analytics Certificate (DAC) is a collaborative, cross-disciplinary program. The Data Analytics Certificate can be completed by students in conjunction with any major program at UWG. The certificate is designed for students who aspire to work in academic, government, on-profit and business sectors. This certificate requires 12 credit hours (4 courses). No more than three courses per discipline will count toward the certificate. Contact Dr. William "Joey" Smith in the Economics Department for details.
