WOLF PACT

Protecting the integrity of a degree from the Richards College of Business at the University of West Georgia is the responsibility of the administration, faculty, staff, and students of the college. Our mission is “To become a globally recognized college of business preparing forward-thinking, responsible leaders.” Responsible leaders are ethical leaders, and this behavior begins in the classroom. One of our Strategic Goals is to demonstrate “...commitment to the principles of honesty and integrity in interactions and undertakings, [and] accountability for personal behavior...”. As such, we have developed the Wolf Pact in an effort to promote and maintain the highest standards of integrity, professional behavior, ethical actions, and personal conduct.

The purpose of this pact is to maintain that a degree from the Richards College of Business at the University of West Georgia is held in high regard by all internal and external constituents, and that a degree from the University of West Georgia is as meaningful in the future as it is today.

I have reviewed the information in this syllabus, and I agree to abide by the policies stated. I will conduct myself in accordance with the RCOB Wolf Pact to protect the integrity of my degree and all those others who receive a degree from the Richards College.

COURSE INFORMATION

DESCRIPTION

Marketing ourselves, our workplace, and other aspects of our lives both personally and professionally is vital to establish credibility. To do so, effective communication is not only necessary but required. This course focuses on persuasive written and oral communication approaches related to writing, speaking, listening, business meetings, teamwork, and presentations in the workplace. Students will be participating in a *service learning*, team project while strengthening their abilities to work collaboratively and constructively as a team. Further, students will demonstrate their ability to “market” themselves through (1) developing a well-thought out resume (writing/critical thinking), (2) a detailed-oriented and networked Linked In profile (writing/social media/technology), as well as (3) practice essential interviewing skills (speaking/articulation/problem solving) in order to capture their desired career. A major emphasis will be placed on...

1. developing written business correspondence (letters, memos, outlines, reports, e-mails, and resumes);
2. analyzing and interpreting appropriate communication approaches in the workplace;
3. demonstrating persuasive and attention-to-detail writing, speaking, and listening through various classroom activities, discussions, assignments and projects; and
4. strengthening their collaboration and teamworking skills related to business communication.

DELIVERY METHODS

During this summer session, each **DAY** you will need to go in and complete all the activities listed on CourseDen no later than 11:59 p.m. on the due date indicated, except for the **ATTENDANCE QUESTION**, which is due each **day** no later than 11:59 p.m. **You should expect to spend the SAME amount of time online as you would in a class conducted on campus (135 minutes or 2 hours and 15 minutes).** Please be sure you plan and include at least 135 minutes or 2 hours and 15 minutes each **day** for this online class and manage your time wisely for other courses you may be enrolled in.

The online classes will vary each week and will consist of reading assignments, interactive assignments, PowerPoint presentations, video lectures, activity worksheets, threaded discussion forums, etc. for you to do asynchronously (not at a specific time or synchronous with your classmates). When working on the team project, it is expected and required that you arrange times to meet with your team members to collaborate on the various requirements of the project.

IMPORTANT – The assignments and activities listed on CourseDen “supersede” the dates and requirements found on this course syllabus. Therefore, your first location to see what is expected, due, and/or required is CourseDen on a weekly basis.

NOTE: If you have questions or want to email the professor, please do NOT use CourseDen mail function, but email directly at swebb@westga.edu.

COURSE POLICIES

Attend class. The attendance policy is strict since this is a course about “communicating” ... due to the fact this is an online class, you can **expect** to communicate through writing and speaking assignments each day. **Therefore, each day (beginning on Day 2), you will have an attendance question in CourseDen that will be due no later than 11:59 p.m. for that day. If you miss more than two attendance questions, your grade will be lowered by one letter grade (or be required to take the OPTIONAL Final Exam at the end of the semester).** If you miss more than four classes, you may be automatically dropped from the course. So...being absent from class will have a detrimental effect on your final grade. If you must be absent, contact me by email and/or phone immediately to find out what you missed so that you can be prepared for the next class (you may have to make up an assignment depending upon what is missed). If you are absent for a medical or another important “documented” reason, please provide rationale in writing by emailing me a photo of the documentation along with an explanation.

Professionalism. You are expected to communicate in a professional manner during speaking and writing assignments. This includes using proper English, grammar, formatting, and spelling on all correspondence and assignments including emails to your professor. **Points will be deducted for not using proper English language arts skills.** NOTE: Throughout the course, you will be completing grammar and punctuation building activities to help support and enrich your knowledge and how you apply it to your writing and speaking skills.

Hand in professional documents. Type all documents using MS Word using black fonts (unless the assignments indicate using another application or color font). Use an appropriate document format and *unjustified* text. Use APA style format as directed for citations. Assignments must be saved with **.docx** extension. Student work should display the correct spelling, punctuation, and grammar rules for all assignments or points will be deducted. **NOTE: Students will be required to upload Microsoft Office 365 from the University of West Georgia Student Information Technology Services website (westga.edu/sits). This version of the Microsoft Office Software Suite is FREE to all registered students.**

Deliver professional presentations. Although this is an online course, you will be expected to deliver speaking assignments using your webcam on your computer and/or video function through your phone (on some assignments). When you do complete a speaking assignment, you will need to dress in “business professional” clothing—see photo below to see examples of the **minimum** dress requirements. Do **NOT** wear any hats or garments that hide any part of your face; do not chew gum.

Meet every deadline. Turn in all writing assignments on the dates specified on CourseDen. You will earn a “0” for missing the deadline of an assignment/activity or failing to deliver your speaking assignments as scheduled. If you miss a deadline due to a *verifiable* emergency, contact me at swebb@westga.edu, 404.490.1246 (home office), or 678.839.4841 (work office) immediately, and I will consider a make-up or alternate assignment based on the circumstances (a late penalty may apply).

Follow these policies. As a member of this class, you agree to abide by the policies stated in this syllabus. **ASKING ME TO MAKE AN EXCEPTION TO THESE POLICIES BREACHES OUR SOCIAL CONTRACT AS A GROUP, SO PLEASE RESIST THE TEMPTATION TO REQUEST SPECIAL CONSIDERATION.**
