The University of West Georgia grants one semester hour of credit for work equivalent to a minimum of one hour (50 minutes) of in-class or other direct faculty instruction AND two hours of student work outside of class per week for approximately fifteen weeks. For each course, the course syllabus will document the amount of in-class (or other direct faculty instruction) and out-of-class work required to earn the credit hour(s) assigned to the course. Out-of-class work will
include all forms of credit-bearing activity, including but not limited to assignments, readings, observations, and musical practice. Where available, the university grants academic credit for students who verify via competency-based testing, that they have accomplished the learning outcomes associated with a course that would normally meet the requirements outlined above (e.g. AP credit, CLEP, and departmental exams).

- TIME COMMITMENT: This is a course that requires study time outside of class. Expect to spend at least three hours outside class for every hour of class time. You should arrange your schedule to allow for the required time commitment.
- READING ASSIGNMENTS: Reading of the assigned chapters is extremely important for success in this course. Each chapter should be read at least twice. If you have never done this, you will be surprised at how much clearer concepts become with an additional reading (or readings). You also may wish to do an outline or make study notes during your second reading.

PLEASE take advantage of my office hours and/or send me e-mails anytime you have questions, concerns, or comments! I cannot help you if I do not know you have a problem.
- ACADEMIC DISHONESTY: Academic dishonesty will result in dismissal from the class with a grade of F.
