Achievement of the Learning Objectives for this course will advance the student toward meeting the standards articulated in the Learning Outcomes for the B.B.A. Degree in Business Administration.

PREREQUISITES: There are no prerequisites for this course, other than a 2.0 GPA.

METHOD OF INSTRUCTION:
This is a fully online course. However, students are required to take two proctored exams (a Midterm and a Final) during the semester in which you will need to come to the UWG campus or another USG-approved proctoring center for testing. The dates for the midterm and final exams are Monday, May 12th, from 12-2, and Monday, May 19th, from 12-2 PM, respectively.
In addition, students will be able to participate in daily synchronous online sessions in CourseDen. Our chat room is called “The Courtroom.” These sessions will be held every weekday from 12:00 – 1:00 PM. Students are required to use CourseDen (D2L) throughout the semester to support faculty-to-student and student-to-student interaction, including but not limited to Orientation, Attendance Verification, chat sessions, discussion boards, announcements, email, individual/group work, submitting assignments, etc. The professor requires students to check CourseDen daily in order to ensure you do not miss important updates or assignment deadlines.

The following are minimum requirements for taking a fully online course. You must meet these requirements to participate in this class.

- **Access to a personal computer (PC or Mac), with [Google Chrome](https://www.google.com/chrome) and [Mozilla Firefox](https://www.mozilla.org/en-US/firefox/new/) browsers.**
- **High-speed/broadband internet service (DSL, Cable, etc.) is strongly recommended.** If high-speed internet is not available in your area, you will have difficulty with some course content, such as Orientation, video lectures, and the like. Completion of course requirements will be very difficult and cumbersome, and you may wish to enroll in a traditional campus-based course.
- **Software requirements:** [Microsoft Office 2007](https://www.microsoft.com/en-us/microsoft-365/microsoft-office-2007) (available for free through UWG ITS) or equivalent, [Adobe Acrobat Reader](https://www.adobe.com/products/acrobat/readstep.html), and other downloads listed in CourseDen (D2L).

**Credit Hour Policy Statement (3 Credit Hour Course):** During a full-length academic term, students will spend approximately 150 minutes in online faculty instruction (video lectures, chat sessions, direct communication, discussion threads, etc.) and work about 360 minutes independently each week. This independent work may include, but is not limited to, readings, assignments, projects, group work, research, and test preparation. These requirements are compressed for this 11-day term.

**Students MUST purchase an Aplia MindLinks subscription—this is MANDATORY for the course.** The subscription includes chapter quizzes and an e-Book of the required course textbook. It will be accessible via CourseDen. You may purchase Aplia MindLinks as a standalone product or bundled with a loose-leaf copy of the course text. A [study guide](https://www.aplia.com) is also available to assist with studying for the midterm and final exams, but it is not required. The professor has two hard copies of the study guide that she allows students to check out in her office on a first come, first served basis. The subject matter for the course will be drawn primarily from the text, with occasional outside sources (including online resources) and/or current legal issues in the news.

**Students MUST complete the ONLINE ORIENTATION REQUIREMENT.** The orientation materials and instructions are posted in CourseDen and must be completed the first week of class. The information you will need this semester will be covered in orientation. You are responsible for all material covered in the course orientation. The professor does not require an on-campus orientation.

**Chat sessions will be held on weekdays from 12:00 PM – 1:00 PM in CourseDen’s chat room (called “The Courtroom”), unless otherwise noted in a CourseDen Announcement.** The purpose of the chat sessions is for students to ask questions about the assignments and other course requirements. The professor is also available during regular office hours, as noted above, and by appointment for students needing additional one-on-one assistance. The chat sessions are optional, but I highly encourage students to attend chat whenever possible, especially if you are not performing well on the assignments. **Students who participate in chat regularly earn significantly higher grades than those who do not participate.**
COMMUNICATION:

Communication between student and professor will be primarily through CourseDen, with UWG Mail as a backup or for emergencies or extremely urgent e-mails only. Distribution of course materials, the syllabus, syllabus amendments, announcements, etc., will be through CourseDen. Course content will be delivered via CourseDen. Students are required to check CourseDen daily M-F and to keep their MyUWG inbox free of clutter to avoid auto-reject messages. In this course, students are required to set their CourseDen notification settings to send e-mail or text messages to them whenever the course is updated. The professor will respond to student e-mails during this abbreviated summer term within 24 hours on weekdays (but generally within a few hours if e-mailed during the workday).

Extra credit, if available at all, will be discretionary on the part of the professor, and opportunities will be to the class as a whole and not to individual students upon request. Work completed for another course will not be accepted to meet the requirements of this course.
Written Assignment: 100 points

The instructions for the written assignment and the standards for its preparation are posted in CourseDen, and questions about the assignment will be answered during chat. Written assignments are due by the deadline posted in the course schedule and will not be accepted after that time. **You must submit your written assignment as a single file attachment through the assignment drop box in CourseDen by the deadline.** In the event of technical difficulties with CourseDen, the writing assignment may be submitted by e-mail in advance of the deadline and must contain your name and the words “Written Assignment” in the subject line of the e-mail. For example, the subject line for the written assignment submitted by a student named Jane Doe would read “Jane Doe- Written Assignment.” E-mailed written assignments that do not comply, exactly, with these requirements will not be accepted.

Chapter Assignments: 100 points (5 points per assignment)

There is an Aplia assignment associated with each chapter we cover in the course. Aplia is accessible from within our CourseDen site. Students must complete the Aplia assignments, which will be graded and will form a part of the overall grade in the course. **Assignments are due in Aplia on Sundays at 11:45 PM.** However, students should follow the schedule at the end of this Syllabus and complete the assignments nightly. **No work will be accepted late, so stay caught up.** The professor reserves the right to drop any student for lack of participation in the course assignments, at the professor’s discretion.

Midterm and Final Exams: 200 Points Total (100 points each)

Two on-campus examinations are required in this course: a Midterm and a Final. The Midterm and Final Exams will be held **Monday, May 12th from 12-2 PM, and Monday, May 19th from 12-2 PM,** respectively. Both exams will be held in the RCOB (Business) Building Lecture Hall, which is on the lower level of the business building next to the vending machines. You may also test at a USG-approved testing center if coming to the UWG campus is inconvenient for you. If you wish to test at an alternate location, you are responsible for making arrangements with the testing center, payment of any required fees, and informing the professor well in advance. You will need to bring your UWG photo ID with you to the exams, as well as an 882E (green) Scantron and number 2 pencils. No books, backpacks, notes, cell phones, electronic devices, or study materials may be brought to the exam. If electronic devices are brought, they must be turned off and inaccessibly stored at all times. Hats, large jackets, and the like are inappropriate for the exam and may not be worn. Leave such items at home. Students may not leave the testing room to use the restroom during the exam. Go before the exam begins. If you have an emergency and must use the restroom, you must turn in your exam, and the professor will grade whatever you have completed to that point.

**ACADEMIC HONESTY/CHEATING:**

Receiving or giving help on Aplia chapter work, the writing assignment, or exams, **or copying, utilizing, or retaining online or in-class exam or assignment content,** will result in failure of this course and may result in dismissal from the University. The professor/university/USG may utilize all means available, including but not limited to IP address monitoring, login data, metadata, and other computer forensic methods to detect cheating on assignments and other graded work. In addition, UWG & USG are authorized and do monitor for evidence of cheating, including monitoring external website activity (social media websites) accessed using UWG/USG resources. You have **no right of privacy** for activity you engage in using UWG/USG equipment or services, including but not limited to computers, servers, wireless or wired internet. Any student caught by UWG/USG personnel will be dealt with per the
Academic Honesty policy. THIS PROFESSOR HAS FAILED MANY STUDENTS FOR CHEATING IN PRIOR SEMESTERS- I HAVE A ZERO TOLERANCE POLICY. DO NOT CHEAT.

For the purposes of this class, the following statements in the Student Handbook and Appendix A of the Honor Code will be applied:
