This is a QEP Course.

Clear written communication is important in all disciplines, and increasingly employers are expecting college graduates to be good writers. That's one reason why UWG is focusing on improving undergraduate student writing across the core. When you hear about the QEP—UWG's Quality Enhancement Plan—know that what your peers and professors are talking about is WRITING, because we are committed to giving you opportunities across your core curriculum to improve the quality of your writing.
