CHEM 1211
Principles of Chemistry I
Fall Semester 2016

Instructor: Kuykendall
E-mail: West Georgia - kkuykend@westga.edu

Class Time/Place – Tuesday, Thursday 6:30 p.m. – 7:50 p.m. Room 1305
Office Hours – Thursday 8:00 p.m. – 9:00 p.m.
Office Phone – 678-839-6029
Cell Phone – 863-589-7426

All Students Please Note!

For important policy information, i.e., the UWG Honor Code, Email, and Credit Hour policies, as well as information on Academic Support and Online Courses, please review the information found in the Common Language for Course Syllabi documentation at http://www.westga.edu/assetsDept/vpaa/Common_Language_for_Course_Syllabi.pdf. Additions and updates are made as institution, state, and federal standards change, so please review it each semester.

Materials

1. **Textbook:** Chemistry – Structure and Properties by Nivaldo J. Tro

   Mastering Chemistry Access - When purchasing the textbook, UWG bookstore, make sure to buy the package that includes the Registration Code for Mastering Chemistry. If you only purchase the textbook, you must visit the following site to separately purchase the mastering chemistry access.

   pearsonmylabandmastering.com

   Do not use any other link (Amazon, etc.) to buy mastering chemistry access. It will not provide the access needed.

   Once mastering chemistry access has been purchased, use the following Course ID to get started.

   **Course ID: kuykendall41989**

   Two week temporary access is available before final payment is due.
2. **Workshop Manual** (Provided in Workshop)
   - Homework Access on Mastering Chemistry

3. **Scientific Calculator** (Recommend TI-83 Plus or TI-84 Plus)

**Course Outline:** This course introduces fundamental principles and applications of chemistry for science majors. The first eleven chapters of the textbook will be covered.

**Evaluation:**

**Workshop**

15 % Final Grade

The workshop is mandatory. Workshop leaders will assign grades based on participation and attendance. Twenty percent of the final workshop grade will be distributed weekly on-line using mastering chemistry.

**Mastering Chemistry**

25 % Final Grade

Unit assignments must be completed by the assigned deadlines to receive maximum credit.

**Exams**

4 Exams (Covering the first 11 Chapters)

40 % final grade

No make up tests will be scheduled.

A zero will be entered for all missed exams. If a student’s final exam score is higher than the lowest exam grade, the final exam score will be substituted in for this one academic deficiency.

**Final Exam**

20 % final grade

The final exam is comprehensive for the entire semester.
