Course Description

This course will introduce you to several topics related to Information Systems Security. Specifically, we will cover topics included with the CompTIA Security+ Training certificate and the Certified Ethical Hacker certificate. We will use the LearnSmartSystems training to help achieve preparation for these exams.

Our custom login will be found at the following address.

http://cloud.learnsmartsystems.com/?bid=256

Use your UWG email and “changemenow” as your initial password to login and view your training materials. Please change your password immediately as this is a public document and you will want to protect your training. If you have trouble with your account, I can reset it for you.

Course Objectives

1. Upon completion of the course, students will be able to thoroughly discuss major MIS topics. (BBA 3, MIS 1)

2. Upon completion of the course, students will have demonstrated the ability to effectively communicate both orally and in writing. (BBA 1, BBA 3, MIS 1)

3. Upon completion of the course, students will have completed a project that shows how the topics related to MIS may impact them throughout their career. (MIS 2)

STUDENTS RIGHTS AND RESPONSIBILITIES

Please carefully review the information at the following link:

http://www.westga.edu/assetsDept/vpaa/Common_Language_for_Course_Syllabi.pdf

The document at this link contains important information pertaining to your rights and responsibilities in this class. Because these statements are updated as federal, state, university, and accreditation standards change, you should review the information each semester.

CREDIT HOUR POLICY

For approximately fifteen weeks, students in this class will generally spend 150 minutes with direct faculty instruction (either face-to-face or online) and work about 360 minutes outside of the classroom each week. This out-of-class work may include, but is not limited to, readings, assignments, projects, group work, research, and test preparation.
