Attendance and Class Participation Policy

1. Attendance is expected at every class meeting. Students should come to class on time, prepared, and ready to participate. If a student must miss a class, they are expected to communicate with the instructor via email prior to the class.

2. Every class that is attended will earn the student 5 points towards a participation grade for a total of 50 points.

3. The student will sign the attendance sheet as they come to the class. Any false signatures will result in zero participation grades for all parties involved. The attendance sheet will be taken up at 9:35. No other signatures will be allowed and students who did not sign the attendance sheet will lose the participation points for the day.

4. If a student misses a class, the participation points cannot be made up and the points missed will be the deduction from the overall participation grade total.

5. Early departures to class will be considered an absence and class participation points will be deducted. Approvals for late arrivals or early departures must be requested by the student at least 12 hours prior to class start time. Approval is up to the discretion of the instructor but should fall in line with guidelines of unexpected and/or unavoidable events. Supporting documentation should be provided by the student when requesting approval or upon return to class. Justification for upholding these standards can be found in the UWG Student Code of Conduct, Section 3.0.

Late Work:

It is the student’s responsibility to ensure that all requirements are completed in a timely manner. Students are expected to turn in all work by the deadline given. However, to allow for illnesses and emergencies, partial credit will be given for late assignments. Each day late will result in a heavier point deduction. Assignments submitted any time after the 11:59 p.m. deadline will result in the deduction noted. There is no exception to this rule. After 3 days, a grade of zero will be recorded for that assignment.

Exams, quizzes, tests, and the final project will not be accepted late, therefore failure to complete these assignments will result in a zero. Below is a list of point deductions per assignment per day late:
