Meeting Times

Dual modality is in full effect at the University of West Georgia for fall semester. This means there is an opportunity for in-person learning and online learning for classes not listed as fully online.

With dual modality, all course content will be available online for all students to ensure everyone has access to the materials and assignments for these courses. Based on the current plan, you will be assigned to an in-person learning opportunity one day a week for each class, and you will have access to necessary course content online throughout the semester. I encourage you to connect with me to express your concerns about the in-person portion of the course and work with me to determine a viable alternative, if necessary.

Online Content: Course content will appear online in CourseDen twice a week. Learning modules in CourseDen are arranged sequentially. Each week, there will be two learning modules available. Students can access the first learning module of the week from 12 a.m. on Monday night until 11:59 p.m. on Tuesday night. The second weekly learning module will be accessible at 12 a.m. on Wednesdays until 11:50 p.m. on Thursday. IMPORTANT: Learning modules will be accessible for 48 hour periods. It is your responsibility to make sure you access each learning module during the 48 hour period that it is accessible.
In-Person Learning Opportunities: Each student will have the opportunity to attend a weekly, in-person meeting in TLC1111. For social distancing, the class will be broken up into two groups.

Group 1: Last names A-M (in-class instruction is offered on Tuesdays, 8-9:15 a.m. in TLC1111.)

Group 2: Last names N-Z (in-class instruction is offered on Thursdays, 8-9:15 a.m. in TLC1111.)

Learning Modules—Sequence and Limitations: There are two learning modules per week in this class. Each learning module will be open for a 48 hour period within which you can view PowerPoint lectures, take quizzes and/or turn in assignments on deadline.

Important: This class is sequentially ordered and is best learned over time. Each learning module will be open for a 48 hour period. After the 48 hour period is over, you will no longer have access to the PowerPoint lecture content and/or assignment content (quizzes, deadlines) available during the given learning module. As such, you will only be able to access course content sequentially and in evenly dispersed time increments spanning the semester.

For more information on privacy and accessibility for the most commonly used sites, as well as technology requirements visit the UWG Online site.

Students enrolled in online courses can find answers to many of their questions in the Online/Off-Campus Student Guide.

Honor Code

At the University of West Georgia, we believe that academic and personal integrity are based upon honesty, trust, fairness, respect, and responsibility. Students at West Georgia assume responsibility for upholding the honor code. West Georgia students
pledge to refrain from engaging in acts that do not maintain academic and personal integrity. These include, but are not limited to, plagiarism, cheating, fabrication, aid of academic dishonesty, lying, bribery or threats, and stealing.

The University of West Georgia maintains and monitors a confidential Academic Dishonesty Tracking System. This database collects and reports patterns of repeated student violations across all the Colleges, the Ingram Library, and the School of Nursing. Each incidence of academic dishonesty is subject to review and consideration by the instructor, and is subject to a range of academic penalties including, but not limited to, failing the assignment and/or failing the course. Student conduct sanctions range from verbal warning to suspension or expulsion depending on the magnitude of the offense and/or number of offenses. The incident becomes part of the student’s conduct record at UWG.

Additionally, the student is responsible for safeguarding his/her computer account. The student’s account and network connection are for his/her individual use. A computer account is to be used only by the person to whom it has been issued. The student is responsible for all actions originating through his/her account or network connection. Students must not impersonate others or misrepresent or conceal their identities in electronic messages and actions. For more information on the University of West Georgia Honor Code, please see the Student Handbook.

UWG Email Policy

University of West Georgia students are provided a MyUWG e-mail account. The University considers this account to be an official means of communication between the University and the student. The purpose of the official use of the student e-mail account is to provide an effective means of communicating important university related information to UWG students in a timely manner. It is the student’s responsibility to check his or her email.

Credit Hour Policy

The University of West Georgia grants one semester hour of credit for work equivalent to a minimum of one hour (50 minutes) of in-class or other direct faculty instruction AND two hours of student work outside of class per week for approximately fifteen weeks. For each course, the course syllabus will document the amount of in-class (or other direct faculty instruction) and out-of-class work required to earn the credit hour(s) assigned to the course. Out-of-class work will include all forms of credit-bearing activity, including but not limited to assignments, readings, observations, and musical practice. Where available, the university grants academic credit for students who verify via competency-based testing, that they have accomplished the learning outcomes associated with a course that would normally meet the requirements outlined above (e.g. AP credit, CLEP, and departmental exams).

COVID-19

Proctored Exams/Online Instruction: Students should be aware and plan ahead for the possibility of having to complete all courses and/or exams online or in a proctored environment. This means talking with your instructors about what minimum technical requirements (software and hardware) will be required should your class move online or a student's personal needs
dictate. This also includes making plans for internet access at whatever location participation may occur.

Virtual or in-person proctored exams, if your instructor should require them, may result in an additional cost to the student. Please discuss these details with your instructor or see the information provided here.

**Face Coverings:** Effective July 15, 2020, University System of Georgia institutions, including the University of West Georgia, will require all faculty, staff, students, and visitors to wear an appropriate face covering while inside campus facilities/buildings where six feet social distancing may not always be possible. Face covering use will be in addition to and is not a substitute for social distancing.

Face coverings are not required in campus outdoor settings where social distancing requirements are met. Anyone not using a face covering when required will be asked to wear one or must leave the area.

Reasonable accommodations may be made for those who are unable to wear a face covering for documented health reasons.
