ATTENDANCE & PARTICIPATION

You are expected to be in class and participate in activities, discussions, and simulations. You, too, are expected to complete all class and lab assignments. If you miss class, you are responsible for all material, equipment training, turning in assignments on time, and
taking tests/quizzes when scheduled.

**LATE/MAKE-UP ASSIGNMENTS & TESTS/QUIZZES**

**Late assignments:** Late assignments will be accepted at my discretion. If a late assignment is deemed acceptable, it will **suffer a half a letter grade penalty for each day (not class meeting)** it is late.

**Make-up assignments and tests/quizzes:** Any make-up assignments or tests/quizzes will be administered at my discretion. All requests to make-up assignments or tests/quizzes must be substantiated with official documentation as to why you were absent and unable to complete your work. Acceptable situations include a serious incapacitating illness or a death in your family, among others. See Health Services Patient Advocates (https://www.westga.edu/student-services/health/medical-academic-advocacy.php) when relevant to obtain official documentation.

**SUPPLEMENTAL HANDOUTS**

You are responsible for reviewing all supplemental handouts, some of which will be shared in class. All handouts will be posted in CourseDen.

**ACADEMIC DISHONESTY**

Academic dishonesty is NOT tolerated. It will result in failure on assignment(s) as well as possible disciplinary sanction(s) in accordance with the academic misconduct policy as stated in the latest Student Handbook (https://www.westga.edu/administration/vpsa/assets/docs/2019-2020-student-handbook.pdf). University of West Georgia Honor Code (https://www.westga.edu/administration/vpsa/assets/docs/2019-2020-student-handbook.pdf) defines academic dishonesty as cheating, fabrication, plagiarism and facilitating or allowing academic dishonesty in any academic exercise.

**Cheating:** using or attempting to use unauthorized materials, information or study aids

**Fabrication:** falsification or unauthorized invention of any information or citation

**Plagiarism:** representing the words or ideas of another as one's own. Direct quotations must be indicated and ideas of another must be appropriately acknowledged.

Academic dishonesty in any form compromises your grade and lowers the quality of your diploma. A fellow student who cheats may actually lower your grade, sometimes causing unfair and inflated grading scales. I hope each of you values your college education enough to protect yourself from dishonest classmates. If you are aware of cheating taking place, please contact me or Dr. Melanie Conrad, and proper action will be taken.

**ACCESSIBILITY ACCOMMODATIONS**

I will make accommodations for students who submit a UWG SAR (student accommodation report) from Accessibility Services (https://www.westga.edu/student-services/counseling/accessibility-services.php). Students requiring short-term accommodations may work through Health Services Patient Advocates (https://www.westga.edu/student-services/health/about-us-patient-advocacy.php). If unusual circumstances arise, let me know **as soon as you can**, not a few days before an assignment or test/quiz is due. Don’t wait until after the first assignment or test/quiz to talk with me! I am here to facilitate your learning, but I need to be informed to do so.

**RADIO SUITE RULES**

1. Use facilities only during class time or under the supervision of authorized personnel or after sufficient training.
2. **Sign up via Google Calendar (https://calendar.google.com/calendar/selfsched?ss=UVBSenlJYTlVLVgk4fGRizmF1bHR8NTE4ODRizRhYzEzQTg4MzbxZwQwNDY0MTI0YWNjOTY)** to schedule time in the Radio Suite (Anthropology G20). Sessions will be limited to **ONE (1) HOUR if there are 3-4 students working at the same time. TWO (2) HOUR sessions are permitted if there are 1-2 students working at the same time.** Working after hours is permitted. Your UWG ID card will allow you to gain access to Anthropology G20 (typically 7 a.m.-9 p.m., which are the building hours). If you gain entry into Anthropology G20 during building hours, and the building closes while you are in the lab, you may remain in the lab until your allotted time expires. You will be permitted to bring "talent" to your lab sessions, but your "talent" must always be accompanied/supervised by you. Radio Suite privileges will be revoked if anyone is caught allowing someone other than students enrolled in COMM 3351 - Radio & Audio Production to use the suite. If privileges are revoked, assignments are still due as indicated in the syllabus. See who has signed up to use the Suite here (https://calendar.google.com/calendar/Radio & Audio Production > Syllabus | Concourse https://westga.campusconcourse.com/view_syllabus?course_id=18301 9 of 13 8/18/2021, 1:35 PM
3. Sanitize your keyboard, computer screen, control board, mixer(s), and microphones before and after use.
4. Do not operate anything until you understand it.
5. Put equipment and supplies where they are to be properly stored when you or the class are finished using them.
6. Never "force" anything. If you think something isn't working properly or is malfunctioning, notify the Radio Suite Supervisor or me immediately.

7. NO EATING, DRINKING, SMOKING, OR TOBACCO CHEWING IN THE RADIO SUITE. ABSOLUTELY NONE! FAILURE TO DO SO WILL FORFEIT YOUR RIGHT TO USE THE SUITE WHETHER YOU HAVE A PROJECT DUE OR NOT. THIS APPLIES TO YOU AND ANY OUTSIDE TALENT YOU MAY BRING IN FOR YOUR PROJECT.
8. Do not step on any cables.
9. Respect equipment as if it were your own. It is expensive and crucial to your successful completion of this course. If you abuse equipment, harsh academic and/or financial consequences could result.
10. Do not attempt to repair equipment. Do not take apart any equipment.
11. Use courtesy and patience with each other when working in teams. Do not physically or verbally abuse other people.
12. Watch your time so as not to go over time and start eating into the allotted time slot of another student.
13. It is recommended that no more than four students be in the lab at one time until further guidance from the USG, CDC, and GDPH.

Per USG guidance - August 3, 2021: "The University System of Georgia recognizes COVID-19 vaccines offer safe, effective protection and urges all students, faculty, staff, and visitors to get vaccinated either on campus or with a local provider. Additionally, everyone is encouraged to wear a mask or face covering while inside campus facilities. The system continues to work closely with the Georgia Department of Public Health to prioritize the health and safety of our campus communities."

TIME AND LIMITED EQUIPMENT

- Time is a critical element in radio production. Each student is responsible to be ready for lectures and labs on time. If it is your turn to do your production, be ready. There will be no postponements. Make sure your script, props, talent, etc. are ready to go when it is your turn. If you fail to do your production when it is your turn, you will get a zero for that assignment. There are 18-20 students and a limited amount of equipment and class time, so our schedules will be tight. Be ready. Be on time. Plan ahead.
- Equipment is limited. Thus, you must properly sign out each piece of equipment from the School of Communication, Film, and Media Equipment Pool, which is located in Anthropology G12. The Media Lab Supervisor who oversees the Equipment Pool or other authorized personnel can check out equipment to you. When the equipment is in your possession, you will be responsible for it. Please do a complete check of your location. For any item that you do not return, you will be liable for it, and the proper authorities will be notified.

BEHAVIOR IN THE CLASSROOM

You do not need me to tell you how to behave in a classroom environment. However, I want you to know what I expect from you in order to avoid embarrassing situations.

- You are expected to participate in class discussions and critiques. Comments should be constructive and not personal. Feel free to speak your mind during class, but I expect you to show respect to your classmates. If you disagree with their point of view or their artistic interpretation, please express that disagreement in a way that is not offensive.
- I will be well aware of the clock during our class meetings. Therefore, please refrain from slamming books and closing backpacks until the class is over! I will be respectful of your schedules and will not purposely keep you longer than our allotted time; however, there may be occasions that we complete our tasks for the day, but still need to put the Radio Suite in order. Everyone is required to return the Radio Suite to its proper state after use or suffer a grade penalty.
- Turn off all mobile phones or put them on silent. If a phone rings or vibrates, I reserve the right to answer the phone or respond to a text and to ask you to leave class.

The University of West Georgia maintains and monitors a confidential Academic Dishonesty Tracking System. This database collects and reports patterns of repeated student violations across all the Colleges, the Ingram Library, and the School of Nursing. Each incidence of academic dishonesty is subject to review and consideration by the instructor, and is subject to a range of academic penalties including, but not limited to, failing the assignment and/or failing the course. Student conduct sanctions range from verbal warning to suspension or expulsion depending on the magnitude of the offense and/or number of offenses. The incident becomes
part of the student’s conduct record at UWG.

Additionally, the student is responsible for safeguarding his/her computer account. The student’s account and network connection are for his/her individual use. A computer account is to be used only by the person to whom it has been issued. The student is responsible for all actions originating through his/her account or network connection. Credit Hour Policy

The University of West Georgia grants one semester hour of credit for work equivalent to a minimum of one hour (50 minutes) of in-class or other direct faculty instruction AND two hours of student work outside of class per week for approximately fifteen weeks. For each course, the course syllabus will document the amount of in-class (or other direct faculty instruction) and out-of-class work required to earn the credit hour(s) assigned to the course. Out-of-class work will include all forms of credit-bearing activity, including but not limited to assignments, readings, observations, and musical practice. Where available, the university grants academic credit for students who verify via competency-based testing, that they have accomplished the learning outcomes associated with a course that would normally meet the requirements outlined above (e.g. AP credit, CLEP, and departmental exams).
