Course Policies and Resources

Academic Dishonesty
While the Common Language Course Syllabi details the UWG Honor Code, I want to make it clear that plagiarism and academic dishonesty are absolutely not tolerated in this classroom. It is so much easier, and better for you, to do your own work. Don't jeopardize your academic or professional career with dishonest behaviors. You are important; you have important things to say, so say them yourself using your voice.

I also want to clarify that you are not permitted to reuse work for this course. All work must be original.

Classroom Etiquette
Exercising personal freedom is an appealing part of college life. In order to create an atmosphere where individual expression and social interchange are both respected, please observe the following: (1) address each other with respect; (2) contribute to discussions, don't dominate them; (3) stay focused on the topic being discussed.

Extra Credit
This is fully at my discretion. I may offer opportunities for campus events, as well as other assignments. Students should remain focused on completing their coursework and not dependent on extra credit.

Late Work
I do not accept late work. If you anticipate missing a deadline, submit the assignment to me before it is due (uploaded/posted to Course Den). Any assignment turned in after its deadline will receive a zero. Extenuating circumstances should be documented with the University's student/health advocate. For more information, visit Medical and Academic Advocacy (https://www.westga.edu/student-services/health/medical-academic-advocacy.php).

Honor Code

At the University of West Georgia, we believe that academic and personal integrity are based upon honesty, trust, fairness, respect, and responsibility. Students at West Georgia assume responsibility for upholding the honor code. West Georgia students pledge to refrain from engaging in acts that do not maintain academic and personal integrity. These include, but are not limited to, plagiarism, cheating, fabrication, aid of academic dishonesty, lying, bribery or threats, and stealing.

The University of West Georgia maintains and monitors a confidential Academic Dishonesty Tracking System. This database collects and reports patterns of repeated student violations across all the Colleges, the Ingram Library, and the School of Nursing. Each incidence of academic dishonesty is subject to review and consideration by the instructor, and is subject to a range of academic penalties including, but not limited to, failing the assignment and/or failing the course. Student conduct sanctions range from verbal warning to suspension or expulsion depending on the magnitude of the offense and/or number of offenses. The incident becomes part of the student's conduct record at UWG.

Additionally, the student is responsible for safeguarding his/her computer account. The student’s account and network connection are for his/her individual use. A computer account is to be used only by the person to whom it has been issued. The student is responsible for all actions originating through his/her account or network connection. Students must not impersonate others or misrepresent or conceal their identities in electronic messages and actions. For more information on the University of West Georgia Honor Code, please visit the Office of Community Standards (https://www.westga.edu/administration/vpsa/ocs/index.php) site.
UWG Email Policy
University of West Georgia students are provided a MyUWG e-mail account. The University considers this account to be an official means of communication between the University and the student. The purpose of the official use of the student e-mail account is to provide an effective means of communicating important university related information to UWG students in a timely manner. It is the student's responsibility to check his or her email.

Credit Hour Policy
The University of West Georgia grants one semester hour of credit for work equivalent to a minimum of one hour (50 minutes) of in-class or other direct faculty instruction AND two hours of student work outside of class per week for approximately fifteen weeks. For each course, the course syllabus will document the amount of in-class (or other direct faculty instruction) and out-of-class work required to earn the credit hour(s) assigned to the course. Out-of-class work will include all forms of credit-bearing activity, including but not limited to assignments, readings, observations, and musical practice. Where available, the university grants academic credit for students who verify via competency-based testing, that they have accomplished the learning outcomes associated with a course that would normally meet the requirements outlined above (e.g. AP credit, CLEP, and departmental exams).
