**Student Responsibilities in an Online Course**

Many students find the student responsibilities and expectations for online courses to be different from student responsibilities and expectations for traditional classroom courses. The following
statements identify your responsibilities in this course. If you are not able to agree to all of the
statements, perhaps you should re-consider taking this course in an online format.

1. I will read the syllabus carefully and will purchase the required textbook package the first
week of class.
2. I will ask questions if I do not understand the course material or if I need clarification
about the assignments.
3. I will manage my time in a way that allows me to thoughtfully and thoroughly complete
assignments. I will not try to complete a week’s worth of assignment in one rushed day.
4. I will be responsible for keeping up with assignment due dates and submitting them on
time.
5. I understand that technical problems with my personal computer or network connection
are not an acceptable excuse for failing to turn in assignments. I have an emergency
alternative computer access plan (college computer lab, library, workplace, friend’s house,
etc.) that I can use if my personal computer equipment is not working.
6. I understand that technical problems with CourseDen require that I contact the helpdesk
by phone: 678-839-6248, or by e-mail: distance@westga.edu. For problems with Aplia, I
should contact customer support using the link in the upper right hand corner of the Aplia
homepage.
7. I agree to check into our CourseDen classroom at least 3-5 days per week and understand
that I am expected to be working online a minimum of 8 hours per week.

Assessment

You will be graded based on your performance on four online quizzes, a face-to-face midterm
exam, a face-to-face final exam, CourseDen discussion assignments and syllabus quiz, Aplia
homework, and a current economic conditions assignment. Extra credit is not an option in this
course.

Face-to-Face Midterm and Final Exams: There will be a face-to-face midterm exam and a
face-to-face final exam. The exams will be a combination of multiple choice, true/false questions
and short answer problems. The questions will be based on reading assignments, videos, online
assignments, and Aplia homework. Each exam is worth 25% of your grade. You are responsible
for bringing a simple calculator (no graphing or cell phone calculators allowed) and a No. 2
pencil for each exam. Students will need to bring their UWG student ID card to check in for the
exams.

Examination Schedule:

Midterm Exam - Thursday, October 9, 8:00am – 8:50am, Miller Hall (formerly RCOB building)
Room 1308

Final Exam -Tuesday, December 9, 8:30am-9:30am, Miller Hall (formerly RCOB building)
Room 1308
On campus proctoring is also available on a limited basis through the economics department for the midterm exam on Friday, October 10, between 9:00 am and 2:00 pm, and for the final exam on Friday, December 12, between 9:00 am and 2:00 pm. Students who need to schedule their exam during one of the Friday proctoring periods must make arrangements with me at least two weeks before the exam.

Course exams will be administered during the proctored times listed above at the UWG Carrollton campus free of charge. Alternatively, students can choose to take the exams at an approved off-campus testing site (for a fee paid to that site -- fees may vary anywhere from $10 to $50 or higher). All off-campus testing requires both approval and a minimum of a two-week notice to coordinate. Please see this link for additional information: http://uwgonline.westga.edu/exams.php#student.

Online Quizzes - There will be four 45 minute online CourseDen quizzes. The quizzes will be multiple-choice and must be taken between 6:00 am and 8:30 pm on the assigned dates. The quizzes are worth 15% of your grade. The lowest quiz grade will be dropped.

Online Quiz Schedule:

Quiz 1 - Friday, September 12 (must be taken between 6:00 am and 8:30 pm).
 Quiz 2 - Friday, October 3 (must be taken between 6:00 am and 8:30 pm).

Aplia Homework: There will be assignments made on Aplia each week. The assignment week for this course begins on Monday and ends on Sunday. The due date for Aplia assignments for each week is 11:45pm on the Sunday that ends the week, unless the professor notifies you otherwise. The grades on the Aplia homework will be worth 15% of your final grade. The three lowest assignment grades in Aplia will be dropped when calculating your final Aplia homework grade. Aplia assignments will not be accepted late - no exceptions! Instructions for how to register for Aplia can be found in the week 1 learning module.

CourseDen Discussion Assignments and Syllabus Quiz: Students will be assigned discussion topics throughout the semester to be completed using the CourseDen discussion board. Initial discussion posts are typically due by 11:45 pm on the Wednesday of the week the discussion is assigned. Your responses to other students’ posts are typically due at 11:45 pm on the Sunday that ends the week they are assigned. During the first week of class, students will take a syllabus quiz in CourseDen. The grade for this quiz will count the same as a discussion assignment. These assignments are worth 10% of your final grade. The lowest discussion assignment grade will be dropped when calculating the final discussion grade. Discussion assignments will not be accepted late – no exceptions!
**Current Economic Conditions Assignment:** Throughout the semester, students are expected to follow current economic events by watching the news and reading newspaper and internet stories about the U.S. economy. At the end of the semester, students will be required to watch an online presentation on the current economy and read an article assigned by the professor on the current U.S. economy. Students then will have to write a response to questions relating the presentation and article to the material covered in class this semester. Links to the articles and narrated PowerPoint presentation will be available in CourseDen by November 10. The current economic conditions assignment will be submitted in CourseDen and will be **due by 5:00 pm on Monday, December 1.** The current economic conditions assignment is worth 10% of your grade.

**Makeup Tests** - Students will only be allowed to makeup missed exams in the case of DOCUMENTED medical emergencies. Students should contact the professor as soon as possible after missing the exam to make arrangements for a makeup test. Students who do not contact the professor within one week of missing an exam will not be allowed to makeup the exam. If students miss one of the online quizzes, then that quiz grade will be the quiz grade that is dropped.
