MATH 0999 Section N01 – College Algebra Lab  
**Hours Credit:** 1 hours  
**Prerequisites:** None

**COURSE INSTRUCTOR**  
Instructor: Mr. Kyle Carter  
Office: Boyd 104 - D  
Email: kylec@westga.edu  
Phone: 678-839-5134

**OFFICE HOURS:**  
Boyd 104 – D: Monday 11:30 am – 12:30 pm  
Wednesday 11:30 am – 12:30 pm  
Friday 1:00 pm - 2:00 pm  
Online in CourseDen: Tuesday 10:30 am - 12:30 pm  
or by appointment

**REQUIRED COURSE MATERIALS**

**TEXT AND OTHER REQUIRED COURSE MATERIALS.**

TEXT: College Algebra and Trigonometry, Abramson, Openstax. Student can download for free at https://openstax.org/details/books/algebra-and-trigonometry . Students should go to “Download a PDF” and download the High Resolution version.

CALCULATOR: A graphing calculator (TI-84 or equivalent) is required for this course.

**COURSE DESCRIPTION:**  
This course is a functional approach to algebra that incorporates the use of technology. Emphasis will be placed on the study of functions, and their graphs, inequalities, and linear, quadratic, piece-wise defined, polynomial, rational, exponential and logarithmic functions. Appropriate applications will be included.

**LEARNING OUTCOMES:**  
Students should be able to demonstrate:  
1. An understanding of the equations of circles and lines  
2. An understanding of functions and how to graph functions  
3. An understanding of operations on functions including function composition  
4. An understanding of polynomial graphs, including intercepts and end-behavior  
5. An understanding of how to find the zeros of a polynomial and how to factor polynomials  
6. An understanding of inverse functions and how to find them graphically and algebraically  
7. An understanding of the properties of exponential and logarithmic equations  
8. An understanding of how to solve exponential and logarithmic equations  
9. An understanding of how to solve a system of equation

**COURSE ASSESSMENT**  
Students’ mastery of course learning outcomes will be assessed using the following methods:

70% of grade is based on MATH 1111. Students will receive full credit for this 70% if they earn an A,B,C in MATH 1111. Students will receive no credit for any other grade.

30% of grade is based on daily assessments from MATH 1111L. These assessments are in the form of lab assignments that are completed from the content area each week. All of the lab assignments combine for the 30% portion of the overall grade.

**GRADE BREAKDOWN**
Grade from 1111 class: 70%

Lab Assignments: 30%

**ASSESSMENT GRADING:**
Grading Scale:
90% - 100%: A  
80% - 89%: B  
70% - 79%: C  
60% - 69%: D  
<60%: F

**COURSE POLICIES AND INFORMATION**

University Policies and Academic Support
For important policy information, i.e., the UWG Honor Code, Email, and Credit Hour policies, as well as information on Academic Support and Online Courses, please review the information found in the Common Language for Course Syllabi documentation at [http://www.westga.edu/assets/Depts/vpaa/Common_Language_for_Course_Syllabi.pdf](http://www.westga.edu/assets/Depts/vpaa/Common_Language_for_Course_Syllabi.pdf).

Academic Honesty
While some parts of this course may be completed in groups (such as the Homeworks), the Quizzes and Online Tests are meant to be completed alone, without the help of any other person. Any serious form of academic dishonesty will be reported to the University. Definitions of academic dishonesty are defined in the student handbook: [www.westga.edu/handbook](http://www.westga.edu/handbook)

Disabilities Act/Accessibility for the Course
If you are a student whom is disabled as defined under the Americans with Disabilities Act and require assistance or support services, please notify me and provide me with a copy of your packet from Student Services. The university will provide you with resources for any audio/visual needs that you may have with the learning management system or course content.
Please contact UWG Accessibility Services for more information.

Student Conduct
Students are expected to abide by the guidelines detailed in the university catalog. Respect and courtesy are required of all students while in the classroom/discussion board.
