ASSIGNMENTS

Tests: Four exams will be administered throughout the term. Each will consist of several sections testing listening identification and analysis, comprehension of themes presented in readings and lecture, and the ability to synthesize those ideas into coherent, original thought in the form of an essay. Exam I (January 24) will cover materials discussed regarding the musical elements through Chapter 1 and include all listening examples listed on the syllabus, readings from the text, and those readings posted on COURSEDEN. The second exam (February 19) will cover materials discussed in Part 1, Chapters 2-4 and include all listening examples listed on the syllabus, readings from the text, and those readings posted on COURSEDEN. The third exam (April 4) will cover materials discussed in Part 2, Chapters 5-9 and include all listening examples listed on the syllabus, readings from the text, and those readings posted on COURSEDEN. The last exam (May 2 8:00-10:00) will cover materials discussed in Part 3, Chapters 10-12, and include all listening examples listed on the syllabus, readings from the text, and those readings posted on COURSEDEN, as well as over-arching themes that can be applied to the entire covered history of music, as presented throughout the course. Scantron is not used in this class.

Listening Paper: See CourseDen for details regarding this assignment

Chapter Quizzes: Multiple choice quizzes on the course reading, listening identification and musical features will be due 12 times during the term (see the schedule). These quizzes must be completed on CourseDen PRIOR to the due date and time. Late
quizzes will not be accepted. The two lowest quiz scores will be dropped at the end of the term.

**Daily Responses:** Each class day will begin with your taking out a notecard, writing your name and the date, and briefly answering a question drawn from the days reading. Each class day will end with your responding to a question about the day’s material on the other side of the card. These note cards will be collected AT THE END of every class period. Not all will be graded, but some will. Failure to turn in a card at the end of class will mean you will be marked absent for the day.

**Elements Paper:** See CourseDen for details regarding this assignment

**Written Work:** All written work is to be submitted electronically in .doc or .docx format in the CourseDen Dropbox. If your work is not saved in .doc or .docx format, I will be unable to open it, and cannot grade it or write comments on it. Most word processing programs give you the option to "Save As" and then you can select these formats. If you do not have a compatible program, you can create files for free at GoogleDocs (https://docs.google.com/). Once graded, I will send your work back to you with a grade and suggestions for future improvement. To see these suggestions, do NOT integrate the changes made into your document, when prompted to do so upon opening. Hard copies of papers will NOT be accepted. Work must be in my inbox by 11:59pm on the specified due date. Work submitted after that time will be subject to the late work policy (specified below).

**UNIVERSITY POLICIES**  
**University Policies Common Language**

**FERPA**  
Due to the Family Educational Rights and Privacy Act (FERPA) of 1974, instructors cannot discuss any information pertaining to a student’s grade via email or telephone unless the student signs an 1126 form waiving his or her FERPA rights

**CLASS POLICIES**

1. **Attendance Policy:** while I aim to treat you like responsible adults and do not like the notion of taking attendance, doing so is required for paperwork purposes. I will take attendance (either actively, in written form, or silently) at the beginning of class. Once class activity has begun, I will no longer mark you present. If you enter class late and wish to be marked present (albeit tardy), it will be your responsibility to speak to me AFTER class. That said, walking in late is disruptive to the instructor and your classmates. Don’t do it. The daily class schedule has been changed to give you more time to walk between classes, so if you have back-to-back classes, plan accordingly.
If you are a student athlete, please submit your game schedule to your instructor within the first two weeks of class. You may not miss class due to practice, however, with the proper game schedule documentation, your instructor will work with you on your absences due to your games. You may not, however, submit late work due to a game or a practice. It is your responsibility to follow the course schedule and be aware of any class material and/or homework.

2. Observance of Religious Holidays – Students may miss class to observe religious holidays under the following circumstances:
   • Student must notify instructor in writing during the first two weeks of the semester
   • Make-up work or alternate assignments will be provided. Students must submit make-up work by the assigned due date or they will not be accepted.

3. Late work Policy
   Assignments must be turned in on time. Work that is submitted after that time, but within 24 hours will be deducted 10% of the final grade. Each 24 hours after the due date that passes before work is submitted will drop the grade by a further 10%. Work more than 10 days overdue will not be accepted. If extreme circumstances prevent you from submitting an assignment on time, contact the instructor as soon as possible to make alternate arrangements for turning in your work.

4. Make-Up Exam Policy
   Make-up exams will not be offered except under extreme, documented circumstances. If you are unable to attend an exam, you must contact me by the end of that day to make alternate arrangements. If I do not hear from you by 11:59pm on the day of the exam, you will not be allowed to make it up. You will only be allowed one make-up exam during the course of the term, and only if you provide sufficient documentation to warrant a make-up.
   In-class listening quizzes and activities cannot be made up.

5. Other Classroom policies
   Cell phones and laptops are NOT allowed in the classroom. They provide more of a distraction than a benefit to learning, so respect those around you, and do not use them. If I find you using these items, I will ask you to put them away, further instances will be met with a written warning, and a third will result in your withdrawal from the course. BTW, holding your phone in your lap and texting during class is easy to spot from the front of the room. You're not fooling anyone. So, don't insult my intelligence, and I won't embarrass you in front of your classmates.
