Criteria for grading includes tone quality, intonation, flexibility, dynamic control, phrasal continuity, articulation, history knowledge, and interpretation.

- Demonstrate a technical ability to double- and triple-tongue.

**Recitals:**

Every student is expected to perform a solo recital in their junior and senior years, one 30-minute and one hour-long recital, respectively. The repertoire for every recital will be discussed and programmed in coordination with the instructor. Students must also coordinate rehearsals with a pianist frequently before their recital.
