MUSC 4943  
Jazz Recital  
Spring Semester, 2016

Preparation and presentation of a jazz recital is the culminating requirement for a Bachelor of Music in Performance: Emphasis in Jazz Studies.

Requirements

The recital requirements are:

1. Performance in a Trio setting demonstrating performance of jazz standards with an emphasis on jazz style, jazz improvisation, and performance technique on selected instrument
2. Performance of original jazz compositions arranged for a small jazz group of five to nine performers demonstrating compositional and arranging techniques of original and pre-existing jazz compositions.
3. Each of the above requirements (numbers 1 and 2) represent approximately 50% of the recital.

Evaluation

A recital hearing before a selected committee of faculty members at least two weeks prior the recital date is required for public presentation the recital.
