Course and UWG Policies

Attendance Policy:
In order to distribute Title IV funding (federal student aid), student attendance verification is required. For this online class, students are required to post in the online discussion during week 1, to be considered as attending class. Students who do not post to the introductory discussions in week 1 module may be dropped from the class for non-attendance. Students who add classes during drop/add are responsible for ensuring that they are verified as being in attendance by contacting the course instructor and participating in the online discussion. A clear explanation of what will be considered “nonattendance” and thus possible grounds for removal from class or reduction of grade.

Americans with Disabilities Act Statement:
If you are a student who is disabled as defined under the Americans with Disabilities Act and require assistance or support services, please seek assistance through the Office for Accessibility Services.
