Course Description:
Self-Staging is an introduction to the performative basis of oral communications and self-presentation. The focus of this course is the variety of means by which we present self in professional venues. Self-Staging is by nature interdisciplinary; therefore, presentation and performance with media, such as (but not limited or exclusive to) PowerPoint or Prezi is required.

Course Learning Outcomes:
- To analyze the performative basis of identity in a range of settings and circumstances applicable to students’ personal and professional goals
- To apply performance theory in creating practical individual identities and exploring others’ performance of identity
- To develop the skills necessary to effectively communicate in a variety of situations and on a range of topics
- To gain a basic understanding of the art of both formal and informal presentations
- To develop leadership and collaborative skills necessary to communicating in groups
- To become active listeners who critically evaluate what they hear
- To effectively evaluate and develop methods of persuasion in presentation
- To develop communication and presentation skills necessary to meet changing career demands in the contemporary world
- ***To learn what the term professional means and all that it entails***

Core Learning Outcomes: This course fulfills all Core Area B learning outcomes.
University Policies:
Honor Code, Disability Services, Official E-mail, and other policies can be found at https://www.westga.edu/UWGSyllabusPolicies/
All policies discussed or referred to in this document are considered to be in force for this course. Students are required to review this document.

Accessibility and Learning Challenges:
Students with a documented disability may work with UWG Accessibility Services to receive essential services specific to their disability. All entitlements to accommodations are based on documentation and USG Board of Regents standards. If a student needs course adaptations or accommodations because of a disability or chronic illness, or if he/she needs to make special arrangements in case the building must be evacuated, the student should notify his/her instructor in writing and provide a copy of his/her Student Accommodations Report (SAR), which is available only from Accessibility Services. Faculty cannot offer accommodations without timely receipt of the SAR; further, no retroactive accommodations will be given.

Classroom Expectations:

- Attendance is required in order to do well in this class. You will find observing your peers to be extremely helpful in your learning.
- Students may not miss class the day they are scheduled to present, unless in the case of an extreme emergency. What constitutes an emergency? Examples are: a death in the family, serious illness that prevents you from attending class, and things out of your control, such as a car accident. Being called into work is NOT an emergency; it is a constant. For all absences, you must bring documentation (i.e. a doctor’s note). If you are late on the day you are to present, you will receive half credit.
- Cell phones are not permitted during class. If a student is using their cell phone (texting, checking email, social media, watching movies, etc.) during class, they will be asked to leave the class and will not receive participation points for that day.
- Late entry to class is not permitted unless discussed with instructor before designated class time. If you are late to class, you must wait outside before entering on days there are presentations. Latecomers will receive half participation points.
- If you are turning in a physical copy of an assignment, it must be turned in at the beginning of the class the day it is due. No late work or email submissions will be accepted. All other assignments must be uploaded into Course Den, where there is a time stamp.
- You are responsible for all work missed. Check the syllabus regularly to make sure you are up-to-date on all assignments.
- Do not do other work assignments for your other classes. You will be asked to leave the class if I see this.
- Disruptive behavior will not be tolerated. If, in the opinion of the responsible faculty member, a student becomes disruptive in class, faculty may exercise their judgment on how best to address the situation, be it by requiring the student to leave, calling Campus Police, or taking other steps deemed necessary for the safety and well-being of the class. Such action may affect the student’s final grade and standing in the University.
Grading:

**Attendance Points: 100 total possible points**
You must be in class in order to receive these points.

**Introductory Speech: 50 total possible points**
You will give a brief introductory presentation on why you chose your college major. If you have not yet declared a major, present one you are contemplating. Speeches should be between 2:00-3:00 minutes in length. Students will be taped for the self-evaluation assignment.

**Self-Evaluation and Goals: 50 total possible points**
Students will write a self-evaluation based on the video of their introductory speeches. Some things to muse on to get you started: What habits would you like to break? How’s your volume? Articulation? Posture? Body language? Eye contact? Do you use fillers, such as “um” “uh”? What are you doing well? Do you look professional? If you were watching your presentation, would you be engaged/interested? What would you like to improve? What are your goals?

Minimum two (2) full pages. ***Please do NOT write about watching yourself on camera. It is normal to feel awkward while watching yourself on film. To remedy this, I suggest you watch the video several times. Please keep this document and refer to it often. You will do a mid-semester check in and a reflection at the end of the semester.

**Rough Informative Speech Presentation: 50 points**
Before the graded presentation of your informative speeches, you will give a rough presentation for feedback from the instructor. Visual aids are required. Students must use at least three (3) research sources in their presentation. Students will use the outline handed out in class. To be handed in on the day you present along with Works Cited (MLA format). Failure to hand in an outline & Works Cited will result in a zero for the presentation.

**Informative Speech Presentation: 100 points**
The goal of this presentation is to provide new information to your audience using effective public speaking and basic research. Visual aids are required. Students must use at least three (3) research sources in their presentation. Students will turn in an updated outline with their Works Cited (MLA format) at the time of the presentation. Speeches should be between 5-7 minutes in length. Failure to turn in outline and Works Cited will result in a zero for presentation.

**Team Presentation: 100 points**
To develop group dynamics in public speaking, students will put together a 20-25 minute research based presentation (Informative). Topics should be based on mutual interest from within the group, and have a direct impact on the audience of your peers. Each presenter will be responsible for a section of the presentation. Visual aids/technology required. This presentation must have at least five (5) research sources, which will be turned in on a single Works Cited (MLA format) page the day of the group’s presentation. Each member of the Team will fill out Student Assessed Collaboration (SAC) sheets: See in Rubric Section.
Mid-semester check-in: 50 points
Refer to your original Self-Evaluation document: How’s it going? What are you doing well? What still needs work? Have your goals changed? If so, why? Minimum one (1) full page.

Persuasive Speech: 100 points
The goal of this presentation is to persuade your audience to some form of action in order to resolve a problem that you see facing our society. You will describe a problem that faces your audience, analyze the effects, and propose a solution. You must use at least three (3) research sources in your presentation. Speeches should be between 5-7 minutes in length.

Outline of Persuasive Speech: 50 points
Along with outline, students will hand in at least three (3) Works Cited. To be handed in the day you present. Failure to turn in outline and works cited will result in a zero for the presentation.

Mock Internship Interview: 100 points
You will be interviewing for an internship that relates to your major. Interviews will take place in class and/or during my office hours.

Cover Letter: 100 points (QEP)
We will go over cover letters with Career Services. Rubric for cover letter to be handed out in class.

Reflection Paper: 100 points
Students will write a reflection on the skills they have acquired – including the presentations and interview process - throughout the semester. Students should also reflect on whether they reached their goals as stated at the top of the semester as well as the mid-semester check-in. Minimum two (2) full pages.

How I Calculate Grades
Final grades are based on a total point system. You will be able to view your individual grades throughout the semester in Course Den. There are 1000 total possible points, which is 100%.

Other Thoughts…
- This class requires out of classroom “rehearsal” for the Team Presentation. If you are unable to make the time commitment, you should consider taking another course.
- All assignments must be typed and follow MLA format. If you do not know what MLA format is, please speak with me, or search “Purdue OWL” online or, better yet, utilize the University Writing Center (UWC)! The number is (678) 839-6513 and they are located...
in Technology Learning Center (TLC) Room 1201. **College level writing is REQUIRED for all assignments.**

- Take advantage of my office hours! I want you to succeed in this course! If you are struggling with the course material, utilize my office hours early and often!

- Please be diligent regarding your work/grades. Your work in my class is your responsibility. Communication with me is vital to your success in this class. End of semester freak-outs will not be tolerated.

- Regarding email: The nature of this course is to prepare you to enter the professional workforce. Therefore, professional email etiquette is a must. Examples of professional/unprofessional email(s) are detailed in the Rubric section.

- Another word regarding email: I will respond to emails Monday through Friday from 9am – 5pm. In the case of Friday, the following Monday.
