Late work policy:
I do not accept or grade late work. Exceptions are made if you have an **EMERGENCY**. What constitutes an emergency? Examples are: a death in the family, serious illness that prevents you from attending class, and things out of your control, such as a car accident. **Documentation is required in order to make up any assignments/exams/quizzes missed** (example: doctor’s note). Being called into work is NOT an emergency; it is a constant.

**Athletes and members of UGA Student Organizations: Documentation regarding missing classes due to games, special events and award ceremonies is required from your advisor. Please get this to me as soon as possible.**

**Expectations of Students**

**Course Structure:**
• Attendance is required in order to do well in this class. You will find observing your peers to be extremely helpful in your learning.
• Students may not miss class the day they are scheduled to present, unless in the case of an extreme emergency. What constitutes an emergency? Examples are: a death in the family, serious illness that prevents you from attending class, and things out of your control, such as a car accident. Being called into work is NOT an emergency; it is a constant. For all absences, you must bring documentation (i.e. a doctor’s note). If you are **late** on the day you are to present, you **may still present, but you will receive a grade of zero**.
• Students are expected to remain in class the **entire duration** of class. Should you leave class early, you will not receive attendance points for that day.
If you must leave class early, you are required to email me prior to the beginning of class. Failure to do so, and you still leave class early, will result in a zero for attendance points that day.

- **Cell phones are not permitted during class.** If a student is using their cell phone (texting, checking email, social media, watching movies, etc.) during class, they will be asked to leave the class and will not receive participation points for that day.
  - If you have an emergency which requires you to be accessible by phone, inform me before class begins (email before class time, if applicable). You can excuse yourself from the class to take a call in this instance.

- Late entry to class is not permitted unless discussed with instructor **before** designated class time. If you are late, don’t bother coming in.
- If you are turning in a physical copy of an assignment, it must be turned in at the beginning of the class the day it is due. **No late work or email submissions will be accepted.** All other assignments must be uploaded into Course Den, where there is a time stamp.
- You are responsible for all work missed. Check the syllabus regularly to make sure you are up-to-date on all assignments.
- Do not do other work assignments for your other classes. You will be asked to leave the class if I see this.
- Disruptive behavior will not be tolerated. If, in the opinion of the responsible faculty member, a student becomes disruptive in class, faculty may exercise their judgment on how best to address the situation, be it by requiring the student to leave, calling Campus Police, or taking other steps deemed necessary for the safety and well-being of the class. Such action may affect the student’s final grade and standing in the University.
