**Expectations of Students**

**Course Structure:**

- Attendance is required in order to do well in this class. You will find observing your peers to be extremely helpful in your learning.

- Students may not miss class the day they are scheduled to present, unless in the case of an extreme emergency. What constitutes an emergency? Examples are: a death in the family, serious illness that prevents you from attending class, and things out of your control, such as a car accident. Being called into work is NOT an emergency; it is a constant. For all absences, you must bring documentation (i.e. a doctor’s note). If you are late on the day you are to present, you may still present, but you will receive a grade of zero.

- Students are expected to remain in class the entire duration of class. Should you leave class early, you will not receive attendance points for that day. If you must leave class early, you are required to notify me prior to the beginning of class either by email or in person. Failure to do so – and you still leave class early – will result in a zero for attendance points that day.

- **Cell phones are not permitted during class.** If a student is using their cell phone (texting, checking email, social media, watching movies, etc.) during class, they will be asked to leave the class and will not receive participation points for that day.
  - If you have an emergency, which requires you to be accessible by phone, inform me before class begins (email before class time, if applicable). You can excuse yourself from the class to take a call in this instance.

- Late entry to class is not permitted unless discussed with instructor before designated class time. If you are late, don’t bother coming in.
• When turning in physical copy of an assignment, it must be turned in at the beginning of the class the day it is due. **No late work or email submissions will be accepted.** All other assignments must be uploaded into Course Den, where there is a time stamp.

• Regarding professional dress: Since the majority of this class focuses on preparing you for the professional world, you are required to dress professionally.

• Regarding changing clothes for presentations: Do this either BEFORE class begins or AFTER class is over. Do not leave to change clothes during class; it is disruptive.

• Eating during class is not permitted; you may bring a beverage.

• THROW AWAY YOUR GARBAGE.

• You are responsible for all work missed. Check the syllabus regularly to make sure you are up-to-date on all assignments.

• Do not do other work assignments for your other classes. You will be asked to leave the class if I see this.

• Disruptive behavior will not be tolerated. If, in the opinion of the responsible faculty member, a student becomes disruptive in class, faculty may exercise their judgment on how best to address the situation, be it by requiring the student to leave, calling Campus Police, or taking other steps deemed necessary for the safety and well being of the class. Such action may affect the student’s final grade and standing in the University.

**Athletes and members of UGA Student Organizations: Documentation regarding missing classes due to games, special events and award ceremonies is required from your advisor. Please get this to me as soon as possible.**

**Course and UWG Policies**

**Attendance Policy:**
In order to distribute Title IV funding (federal student aid), student attendance verification is required. I will take attendance every day.

**Americans with Disabilities Act Statement:**
If you are a student who is disabled as defined under the Americans with Disabilities Act and require assistance or support services, please seek assistance through the Center for Disability. UWG also provides Accessibility Statements for Technology that you may be required to use for this course.

For more information on the Americans with Disabilities Act, UWG Email, Credit Hour, and UWG Honor Code policies as well as information on Academic Tutoring, Student Services, and Technical Requirements, Privacy Policy, and Accessibility Statements, please see the Common Language for Syllabus document.

I strongly recommend that students make an electronic copy of everything submitted to me via the dropbox.
