Who are you? Be specific about you as a person, not a student.
What is your major? Why (what event/person got you here)?

**Course Policies and Resources**

- Attendance is required because of COVID-19 (for tracking purposes). However, you will not be graded on your attendance. You will find observing your peers to be extremely helpful in your learning.

- Students may not miss class the day they are scheduled to present, unless in the case of an extreme emergency. What constitutes an emergency? Examples are: a death in the family, serious illness that prevents you from attending class, and things out of your control, such as a car accident. Being called into work is NOT an emergency; it is a constant. For an absence on presentation days, you must bring documentation (i.e. a doctor’s note). If you are late on the day you are to present, you may still present, but you will receive a grade of zero.

- Students are expected to remain in class the entire duration of class. If you must leave class early, you are required to notify me prior to the beginning of class either by email or in person.

- Cell phones are not permitted during class. If a student is using their cell phone (i.e. texting, checking email, social media, watching movies, etc.) during class, they will be asked to leave.
  - If you have an emergency, which requires you to be accessible by phone, inform me before class begins (email before class time, if applicable). You can excuse yourself from the class to take a call in this instance.

- Late entry to class: I can’t deduct points for lateness, so you are all on your honor. If you are consistently late, I will ask you to leave.

- ALL REFLECTION ASSIGNMENTS MUST BE TYPED, DOUBLE SPACED AND IN WORD. NO PDF’S OR PAGES ACCEPTED. PLEASE FOLLOW WORD COUNT.

- THE OUTLINE AND WORKS CITED DOCUMENTS MUST ALSO BE TYPED.

- REGARDING YOUR POWERPOINTS/PREZI/GOOGLE SLIDES (VISUAL AIDS) – ALWAYS HAVE YOUR PRESENTATION SAVED IN TWO PLACES – VIA EMAIL AND FLASH DRIVE.

- When turning in physical copy of an assignment, it must be turned in at the beginning of the class the day it is due. No late work or email submissions will be accepted. All other assignments must be uploaded into Course Den, where there is a time stamp.

- Regarding professional dress: Since the majority of this class focuses on preparing you for the professional world, you are required to dress professionally for your presentations (Introduction, 1st & 2nd Informative and Mock Interview), which means - ANYTIME YOU PRESENT – YOU MUST DRESS PROFESSIONALLY.

- Regarding changing clothes for presentations: Do this either BEFORE class begins or AFTER class is over. Do not leave to change clothes during class; it is disruptive.

- Eating during class is not permitted. Just don’t do it. You may bring a beverage.

- THROW AWAY YOUR GARBAGE.

- You are responsible for all work missed. Check the syllabus regularly to make sure you are up-to-date on all assignments.

- Do not do other work assignments for your other classes. You will be asked to leave the class if I see this.

- Non-stop, badgering emails at the end of the semester regarding your grade, missed assignments, and asking for extra credit will NOT be tolerated. Your emails will be ignored once I have assessed your request and given you a FINAL answer.

- Disruptive behavior will not be tolerated. If, in the opinion of the responsible faculty member, a student becomes disruptive in
class, faculty may exercise their judgment on how best to address the situation, be it by requiring the student to leave, calling Campus Police, or taking other steps deemed necessary for the safety and well-being of the class. Such action may affect the student’s final grade and standing in the University.

**Athletes and members of UGA Student Organizations: Documentation regarding missing classes due to games, special events and award ceremonies is required from your advisor. Please get this to me as soon as possible.**

### Institutional Policies

#### Academic Support

**Accessibility Services:** Students with a documented disability may work with UWG Accessibility Services to receive essential services specific to their disability. All entitlements to accommodations are based on documentation and USG Board of Regents standards. If a student needs course adaptations or accommodations because of a disability or chronic illness, or if he/she needs to make special arrangements in case the building must be evacuated, the student should notify his/her instructor in writing and provide a copy of his/her Student Accommodations Report (SAR), which is available only from Accessibility Services. Faculty cannot offer accommodations without timely receipt of the SAR; further, no retroactive accommodations will be given. For more information, please contact Accessibility Services (https://www.westga.edu/student-services/counseling/accessibility-services.php).

**Center for Academic Success:** The Center for Academic Success (http://www.westga.edu/cas/) provides services, programs, and opportunities to help all undergraduate students succeed academically. For more information, contact them: 678-839-6280 or cas@westga.edu.

**University Writing Center:** The University Writing Center (https://www.westga.edu/writing/) assists students with all areas of the writing process. For more information, contact them: 678-839-6513 or writing@westga.edu.

#### Online Courses

UWG takes students’ privacy concerns seriously: technology-enhanced and partially and fully online courses use sites and entities beyond UWG and students have the right to know the privacy policies of these entities. For more information on privacy and accessibility for the most commonly used sites, as well as technology requirements visit the UWG Online (https://uwgonline.westga.edu/) site.

Students enrolled in online courses can find answers to many of their questions in the Online/Off-Campus Student Guide (http://uwgonline.westga.edu/online-student-guide.php).

If a student is experiencing distress and needs help, please see the resources available at the UWG Cares (http://www.westga.edu/UWGcares/) site. Online counseling (https://www.westga.edu/student-services/counseling/index.php) is also available for online students.

#### Honor Code

At the University of West Georgia, we believe that academic and personal integrity are based upon honesty, trust, fairness, respect, and responsibility. Students at West Georgia assume responsibility for upholding the honor code. West Georgia students pledge to refrain from engaging in acts that do not maintain academic and personal integrity. These include, but are not limited to, plagiarism, cheating, fabrication, aid of academic dishonesty, lying, bribery or threats, and stealing.

The University of West Georgia maintains and monitors a confidential Academic Dishonesty Tracking System. This database collects and reports patterns of repeated student violations across all the Colleges, the Ingram Library, and the School of Nursing. Each incidence of academic dishonesty is subject to review and consideration by the instructor, and is subject to a range of academic penalties including, but not limited to, failing the assignment and/or failing the course. Student conduct sanctions range from verbal warning to suspension or expulsion depending on the magnitude of the offense and/or number of offenses. The incident becomes part of the student’s conduct record at UWG.

Additionally, the student is responsible for safeguarding his/her computer account. The student’s account and network connection are for his/her individual use. A computer account is to be used only by the person to whom it has been issued. The
student is responsible for all actions originating through his/her account or network connection. Students must not impersonate others or misrepresent or conceal their identities in electronic messages and actions. For more information on the University of West Georgia Honor Code, please see the Student Handbook (https://www.westga.edu/administration/vpsa/handbook-code-of-conduct.php).

UWG Email Policy

University of West Georgia students are provided a MyUWG e-mail account. The University considers this account to be an official means of communication between the University and the student. The purpose of the official use of the student e-mail account is to provide an effective means of communicating important university related information to UWG students in a timely manner. It is the student’s responsibility to check his or her email.

Credit Hour Policy

The University of West Georgia grants one semester hour of credit for work equivalent to a minimum of one hour (50 minutes) of in-class or other direct faculty instruction AND two hours of student work outside of class per week for approximately fifteen weeks. For each course, the course syllabus will document the amount of in-class (or other direct faculty instruction) and out-of-class work required to earn the credit hour(s) assigned to the course. Out-of-class work will include all forms of credit-bearing activity, including but not limited to assignments, readings, observations, and musical practice. Where available, the university grants academic credit for students who verify via competency-based testing, that they have accomplished the learning outcomes associated with a course that would normally meet the requirements outlined above (e.g. AP credit, CLEP, and departmental exams).

HB 280 (Campus Carry)

UWG follows University System of Georgia (USG) guidance: http://www.usg.edu/hb280/additional_information# (http://www.usg.edu/hb280/additional_information)

You may also visit our website for help with USG Guidance: https://www.westga.edu/police/campus-carry.php (https://www.westga.edu/police/campus-carry.php)

Mental Health Support

If you or another student find that you are experiencing a mental health issue, free confidential services are available on campus in the Counseling Center. Students who have experienced sexual or domestic violence may receive confidential medical and advocacy services with the Patient Advocates in Health Services. To report a concern anonymously, please go to UWGcares.

ELL Resources

If you are a student having difficulty with English language skills, and / or U.S. culture is not your home culture, specialized resources are available to help you succeed. Please visit the E.L.L. resource page for more information.

COVID-19

Proctored Exams/Online Instruction: Students should be aware and plan ahead for the possibility of having to complete all courses and/or exams online or in a proctored environment. This means talking with your instructors about what minimum technical requirements (software and hardware) will be required should your class move online or a student's personal needs dictate. This also includes making plans for internet access at whatever location participation may occur.

Virtual or in-person proctored exams, if your instructor should require them, may result in an additional cost to the student. Please discuss these details with your instructor or see the information provided here.

Face Coverings: Effective July 15, 2020, University System of Georgia institutions, including the University of West Georgia, will require all faculty, staff, students, and visitors to wear an appropriate face covering while inside campus facilities/buildings where six feet social distancing may not always be possible. Face covering use will be in addition to and is not a substitute for social distancing.

Face coverings are not required in campus outdoor settings where social distancing requirements are met. Anyone not using a
face covering when required will be asked to wear one or must leave the area.

Reasonable accommodations may be made for those who are unable to wear a face covering for documented health reasons.
