Creating Shared Value with the SSBH Program, *2016 Innovations in Pedagogy Conference UWG Center for Teaching and Learning*, Carrollton, GA, Teaching and Learning Scholarship. (May 3, 2016)

Creating Shared Value with the SSBH Program, *SOBIA 2016 Conference*, Destin, FL, Teaching and Learning Scholarship. (April 14, 2016)

Projects Underway

Student Background and Performance in Introductory Macroeconomics

This research will look at how effective a new active learning approach to teaching fiscal and monetary policy is at helping students master these important macroeconomic concepts in a face-to-face course. We will also examine how a student's background in economics and math and the format in which they take Principles of Macroeconomics (online versus face-to-face) impacts their learning in their macroeconomics course.

VI. SERVICE
