- Research interests include the NCAA's economic relationship with student-athletes and higher education finance

Kennesaw State University, Kennesaw, GA

2016 – 2019

University College Advising Director, Part – Time Assistant Professor of Adult Education, & Clinical Professional of Practice – Graduate Faculty

- Centralized advising within University College
- Created impactful partnerships throughout the campus community in order to enhance academic development and student success
- Oversaw the advising of more than 20,000 students by using predictive analytics, intrusive advising, and a pseudo graduation coaching model
- Researched various student development theories for my staff to implement in order to improve advising appointments
- Redesigned the manner of advising appointments in order to focus on student retention and degree completion
- Reconfigured advisors approach to advising to focus on self-direction and self-efficacy in order to help students focus on employment after college as opposed to class selection

Kennesaw State University, Kennesaw, GA

2013 – 2016

Director of Football Academics

- Created an academic support program that was recognized nationally for developing student-athletes and teaching NCAA policies

- Led Men's Football to a single year 947 Academic Progress Rate, which is a measure used by the NCAA, to track student-athletes matriculation to graduation
- Reduced the budgetary deficit for Student Athlete Support Services by cross training my staff and partnering with various academic support units on campus
- Implemented a program that aided student-athletes obtain internships and full-time employment from Cobb County businesses
- Cultivated corporate partnerships that led to funding internships and site use for the athletics department

Fox 6 News, Birmingham, AL

2013 – 2017

Sports Analyst

- Nominated for an Emmy award and elevated the shows previous viewership
- Provided insight to audiences on complexities of college football, which helped increase viewership
- Outperformed other network sports shows in the same timeslot
- Made promotional appearances at public or private events which increased sponsorship dollars

Auburn University, Auburn, AL

2011 – 2013

Academic Assistant

- Monitored and evaluated the academic progress of football student-athletes to ensure compliance with institutional, conference and national eligibility requirements
- Provided monthly reports on football student-athletes' academic progress to athletic administrators, campus constituents, and coaches
- Monitored student-athlete registration on a monthly basis to ensure that student-athletes maintained enrollment in the appropriate classes
- Developed and taught a financial management course for student-athletes and graduate students
- Taught English as a second language to graduate level English Language Learners for multiple semesters, which secured a collegiate TESOL certification

Opelika City Schools, Opelika, AL

2010 – 2011

Director, At-Risk Student Intervention (Building Individual Capacity for Success) | Graduation Coordinator/Coach | Athletic Coach (Football – Defensive Line)

- Managed more than 150 at risk students ranging from Opelika High School, Opelika Middle School, Opelika Learning Center, and Lee County Youth Development Center
- Enhanced classroom instruction by guest lecturing, tutoring, and mentoring the most at-risk students in the Opelika City School system
- Established relationships with at-risk students and their families to build trust and to develop students personally, academically, and financially

- Worked closely with the Superintendent, Principal(s), teachers, and coaches to improve retention rates among the at-risk population by adapting and implementing programming based on Tinto's (1993) Dimensions of Institutional Action
- Taught a course to at-risk students on self-efficacy, self-direction, and economic empowerment

National Football League (NFL)

2006 – 2009

Defensive Tackle

Atlanta Falcons | Kansas City Chiefs

- Practiced incessantly to perfect the proper skills, as a defensive tackle, with the intent to compete at a high level
- Played as a rookie because of an ardent tenacity to compete in the National Football League
- Worked closely with the director of player development to educate, implement, and create opportunities for various professional athletes
- Utilized my time as a professional athlete to gain access into deprived communities to speak and volunteer for civic development
