Quality Matters - Improving your online Course, 2020-03-26, Quality Matters, The "Improving Your Online Course" workshop explores the QM Rubric and provides a framework to improve the quality of online courses. Participants use the QM Rubric to review their own online courses and develop a course improvement plan.
The content is based on the essential Specific Review Standards of the Quality Matters Rubric. Participants come away with a plan for course improvement so enrolling in the workshop with a pre-developed online course is required.
Course Length: 2 weeks. Dedication of 8-10 hrs per week expected.
